On the Other Side of Freedom - DeRay Mckesson 2019-09-03

"Hope and insight and empathy spring from every page. . . . [McKesson] stares down the faces of bigotry and unfreedom and cynicism and doesn't flinch in writing out our marching orders toward freedom." --Ibram X.

Kendi, #1 New York Times bestselling author of How to Be an Antiracist

From the internationally recognized civil rights activist/organizer and host of the podcast Pod Save the People, a meditation on resistance, justice, and freedom, and an intimate portrait of a movement from the front lines. In August 2014, twenty-nine-year-old activist DeRay Mckesson stood with hundreds of others on the streets of Ferguson, Missouri, to push a message of justice and accountability. These protests, and others like them in cities across the country, resulted in the birth of the Black Lives Matter movement. Now, in his first book, Mckesson lays down the intellectual, pragmatic, and political framework for a new

liberation movement. Continuing a conversation about activism, resistance, and justice that embraces our nation's complex history, he dissects how deliberate oppression persists, how racial injustice strips our lives of promise, and how technology has added a new dimension to mass action and social change. He argues that our best efforts to combat injustice have been stunted by the belief that racism's wounds are history, and suggests that intellectual purity has curtailed optimistic realism. The book offers a new framework and language for understanding the nature of oppression. With it, we can begin charting a course to dismantle the obvious and subtle structures that limit freedom. Honest, courageous, and imaginative, *On the Other Side of Freedom* is a work brimming with hope. Drawing from his own experiences as an activist, organizer, educator, and public official, Mckesson exhorts all Americans to work to dismantle the legacy of racism and to imagine the best of what is possible. Honoring the voices of a new generation of activists, *On the Other Side of Freedom* is a visionary's call to take responsibility for imagining, and then building, the world we want to live in.

State of the Union Addresses - Franklin D. Roosevelt 2022-06-02

The 1934 State of the Union Address was given by the 32nd president of the United States, Franklin D. Roosevelt. It was the first State of the Union address to be given in January. Excerpt: "Now that we are definitely in the process of recovery, lines have been rightly drawn between those to whom this recovery means a return to old methods—and the number of these people is small—and those for whom recovery means a reform of many old methods, a permanent readjustment of many of our ways of thinking and therefore of many of our social and economic arrangements..."

Hands on the Freedom Plow - Faith S. Holsaert 2010-09-30

In Hands on the Freedom Plow, fifty-two women--northern and southern, young and old, urban and rural, black, white, and Latina--share their courageous personal stories of working for the Student Nonviolent Coordinating Committee (SNCC) on the front lines of the Civil Rights Movement. The testimonies gathered here present a sweeping personal history of SNCC: early sit-ins, voter registration campaigns, and freedom rides; the 1963 March on Washington, the Mississippi Freedom Summer, and the movements in Alabama and Maryland; and Black Power and antiwar activism. Since the women spent time in the Deep South, many also describe risking their lives through beatings and arrests and witnessing unspeakable violence. These intense stories depict women, many very young, dealing with extreme fear and finding the remarkable strength to survive. The women in SNCC acquired new skills, experienced personal growth, sustained one another, and even had fun in the midst of serious struggle. Readers are privy to their analyses of the Movement, its tactics, strategies, and underlying philosophies. The contributors revisit central debates of the struggle including the role of nonviolence and self-defense, the role of white people in a black-led movement, and the role of women within the Movement and the society at large. Each story reveals how the struggle for social change was formed, supported, and maintained by the women who kept their "hands on the freedom plow." As the editors write in the introduction, "Though the voices are different, they all tell the same story--of women bursting out of constraints, leaving school, leaving their hometowns, meeting new people, talking into the night, laughing, going to jail, being afraid, teaching in Freedom Schools, working in the field, dancing at the Elks Hall, working the WATS line to relay horror story after horror story, telling the press, telling the story, telling the word. And making a difference in this world."

Voices of Freedom - Henry Hampton 2011-08-03

"A vast choral pageant that recounts the momentous work of the civil rights struggle."—The New York Times Book Review A monumental volume drawing upon nearly one thousand interviews with civil rights activists, politicians, reporters, Justice Department officials, and others, weaving a fascinating narrative of the civil rights movement told by the people who lived it Join brave and terrified youngsters walking through a jeering mob and up the steps of Central High School in Little Rock. Listen to the vivid voices of the ordinary people who manned the barricades, the laborers, the students, the housewives without whom there would have been no civil rights movements at all. In this remarkable oral history, Henry Hampton, creator and executive producer of the acclaimed PBS series *Eyes on the Prize*, and Steve Fayer, series writer, bring to life the country's great struggle for civil rights as no conventional narrative can. You will hear the voices of those who defied the blackjacks, who went to jail, who witnessed and policed the movement; of those who stood for and against it—voices from the heart of America.

Speeches that Changed the World - Simon Sebag Montefiore
2015-05-12

Comprehensively updated with many new speeches including Earl

Spencer's lament to "The extraordinary and irreplaceable Diana", Nikita Khrushchev's secret speech of 1956 signalling the beginning of the end of Stalinist Russia, Patrick Pearse's rousing funeral oration that fanned the flames of the Easter Rising, Kevin Rudd's historic apology to Australia's mistreated Aborigines and Barack Obama's momentous US election night victory speech. Alongside these are the finest war cries of Winston Churchill, Martin Luther King's prophetic "I have a dream" and "I've seen the promised land" speeches, the inspiring words of JFK and impassioned pleas from Nelson Mandela—the first at his trial in 1964 and the second on his election as president of South Africa in 1994. In addition are historic speeches from Elizabeth I, Charles I, Oliver Cromwell, George Washington, Napoleon Bonaparte, Abraham Lincoln, Emmeline Pankhurst, Mahatma Gandhi, Vladimir Lenin, Neville Chamberlain, Adolf Hitler, Joseph Stalin, Franklin D. Roosevelt, Charles de Gaulle, General George S. Patton, J Robert Oppenheimer, Mao Zedong, Malcolm X, Richard M. Nixon, Pope John Paul II, Vaclav Havel, Elie Wiesel, Mikhail Gorbachev and many other great historical figures. *Speeches that Changed the World* presents over 50 momentous and thought-provoking speeches from throughout history. Complete with a potted biography of each speaker, and telling the story of why each oration was significant and what happened as a result, this is a gripping history of the world told through its greatest and most impassioned speeches.

Freedom - Annelien De Dijn 2020-07-14

The invention of modern freedom—the equating of liberty with restraints on state power—was not the natural outcome of such secular Western trends as the growth of religious tolerance or the creation of market societies. Rather, it was propelled by an antidemocratic backlash following the Atlantic Revolutions. We tend to think of freedom as something that is best protected by carefully circumscribing the boundaries of legitimate state activity. But who came up with this understanding of freedom, and for what purposes? In a masterful and surprising reappraisal of more than two thousand years of thinking about freedom in the West, Annelien de Dijn argues that we owe our view of

freedom not to the liberty lovers of the Age of Revolution but to the enemies of democracy. The conception of freedom most prevalent today—that it depends on the limitation of state power—is a deliberate and dramatic rupture with long-established ways of thinking about liberty. For centuries people in the West identified freedom not with being left alone by the state but with the ability to exercise control over the way in which they were governed. They had what might best be described as a democratic conception of liberty. Understanding the long history of freedom underscores how recently it has come to be identified with limited government. It also reveals something crucial about the genealogy of current ways of thinking about freedom. The notion that freedom is best preserved by shrinking the sphere of government was not invented by the revolutionaries of the seventeenth and eighteenth centuries who created our modern democracies—it was invented by their critics and opponents. Rather than following in the path of the American founders, today’s “big government” antagonists more closely resemble the counterrevolutionaries who tried to undo their work.

Voices of Rondo - 2017-07-04

In *Voices of Rondo*, real-life stories illuminate the northern urban Black experience during the first half of the twentieth century, through the memories and reflections of residents of Saint Paul’s historic Rondo community. We glimpse the challenges of racism and poverty and share the victories of a community that educated its children to become strong, to find personal pride, and to become the next generation of leaders in Saint Paul and beyond.

The Prophets - Robert Jones, Jr. 2022-02-08

Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South

plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

Voice of Freedom - Carole Boston Weatherford 2022-02-01

“In this stunning biography of Fannie Lou Hamer, we walk beside her through tears and smiles on a remarkable journey of resilience and determination that leaves us transformed.” — Booklist (starred review) Despite fierce prejudice and abuse, even being beaten to within an inch of her life, Fannie Lou Hamer was a champion of civil rights from the 1950s until her death in 1977. Integral to the Freedom Summer of 1964, Ms. Hamer gave a speech at the Democratic National Convention that, despite President Johnson’s interference, aired on national TV news and spurred the nation to support the Freedom Democrats. Featuring vibrant mixed-media art full of intricate detail, *Voice of Freedom* celebrates Fannie Lou Hamer’s life and legacy with a message of hope, determination, and strength.

Domestic Revolutions - Steven Mintz 1989-04-03

An examination of how the concept of “family” has been transformed

over the last three centuries in the U.S., from its function as primary social unit to today's still-evolving model. Based on a wide reading of letters, diaries and other contemporary documents, Mintz, an historian, and Kellogg, an anthropologist, examine the changing definition of "family" in the United States over the course of the last three centuries, beginning with the modified European model of the earliest settlers. From there they survey the changes in the families of whites (working class, immigrants, and middle class) and blacks (slave and free) since the Colonial years, and identify four deep changes in family structure and ideology: the democratic family, the companionate family, the family of the 1950s, and lastly, the family of the '80s, vulnerable to societal changes but still holding together.

The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative

takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Voices of a People's History of the United States - Howard Zinn
2011-01-04

Here in their own words are Frederick Douglass, George Jackson, Chief Joseph, Martin Luther King Jr., Plough Jockey, Sacco and Vanzetti, Patti Smith, Bruce Springsteen, Mark Twain, and Malcolm X, to name just a few of the hundreds of voices that appear in *Voices of a People's History of the United States*, edited by Howard Zinn and Anthony Arnove. Paralleling the twenty-four chapters of Zinn's *A People's History of the United States*, *Voices of a People's History* is the long-awaited companion volume to the national bestseller. For *Voices*, Zinn and Arnove have selected testimonies to living history—speeches, letters, poems, songs—left by the people who make history happen but who usually are left out of history books—women, workers, nonwhites. Zinn has written short introductions to the texts, which range in length from letters or poems of less than a page to entire speeches and essays that run several pages. *Voices of a People's History* is a symphony of our nation's original voices, rich in ideas and actions, the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience.

Light the Road of Freedom - Sahbaa Al-Barbari 2021-11-12

"Sahbaa Al-Barbari's story provides a unique perspective on Palestinian experience before and after the 1948 Nakba. Born in Gaza, Al-Barbari began her career as a school teacher and was an activist in her community. When Israel occupied the Gaza Strip in 1967, Al-Barbari was exiled from Palestine, continuing her activism as she lived in Egypt, Syria, Lebanon, Cyprus, Kuwait, Tunis, Libya, and Europe. Al-Barbari returned to Gaza in 1996. This is the second book in the *Women's Voices from Gaza* series, which honours women's unique and underrepresented

perspectives on the social, material, and political realities of Palestinian life. The books in this series will benefit Middle East scholars, social justice and human rights advocates, and all who want to know more about the modern history of Palestine."--

Voices in Our Blood - Jon Meacham 2001-02-15

A literary anthology of important and artful interpretations of the civil rights movement and the fight against white supremacy, past and present—including pieces by Maya Angelou, James Baldwin, Ralph Ellison, Alice Walker, Richard Wright, and John Lewis “Jon Meacham . . . has done about the best job of anthologizing the movement that I’ve ever seen.”—Tom Wicker, Mother Jones Editor and Pulitzer Prize-winning author Jon Meacham has chosen pieces by journalists, novelists, historians, and artists, bringing together a wide range of perspectives and experiences. The result is an unprecedented and powerful portrait of the movement’s spirit and struggle, told through voices that resonate with passion and strength. Maya Angelou takes us on a poignant journey back to her childhood in the Arkansas of the 1930s. On the front page of The New York Times, James Reston marks the movement’s apex as he describes what it was like to watch Martin Luther King, Jr., deliver his heralded “I Have a Dream” speech in real time. Alice Walker takes up the movement’s progress a decade later in her article “Choosing to Stay at Home: Ten Years After the March on Washington.” And John Lewis chronicles the unimaginable courage of the ordinary African Americans who challenged the prevailing order, paid for it in blood and tears, and justly triumphed. Voices in Our Blood is a compelling look at the movement as it actually happened, from the days leading up to World War II to the anxieties and ambiguities of this new century. The story of race in America is a never-ending one, and Voices in Our Blood tells us how we got this far—and how far we still have to go to reach the Promised Land. This powerful anthology contains works from: Maya Angelou • Russell Baker • James Baldwin • Taylor Branch • Hodding Carter • Ellis Cose • Stanley Crouch • Ralph Ellison • William Faulkner • Marshall Frady • Henry Louis Gates, Jr. • Peter Goldman • David Halberstam • Alex Haley • Elizabeth Hardwick • Charlayne Hunter-Gault

• Murray Kempton • John Lewis • Louis E. Lomax • Benjamin E. Mays • Willie Morris • Flannery O’Connor • Walker Percy • Howell Raines • James Reston • Carl T. Rowan • John Steinbeck • William Styron • Calvin Trillin • Alice Walker • Robert Penn Warren • Pat Watters • Bernard Weinraub • Eudora Welty • Rebecca West • E. B. White • Gary Wills • Tom Wolfe • Richard Wright

The American Indian Oral History Manual - Charles E Trimble 2016-07-01

Oral history is a widespread and well-developed research method in many fields—but the conduct of oral histories of and by American Indian peoples has unique issues and concerns that are too rarely addressed. This essential guide begins by differentiating between the practice of oral history and the ancient oral traditions of Indian cultures, detailing ethical and legal parameters, and addressing the different motivations for and uses of oral histories in tribal, community, and academic settings. Within that crucial context, the authors provide a practical, step-by-step guide to project planning, equipment and budgets, and the conduct and processing of interviews, followed by a set of examples from a variety of successful projects, key forms ready for duplication, and the Oral History Association Evaluation Guidelines. This manual is the go-to text for everyone involved with oral history related to American Indians.

Free Speech - Jacob Mchangama 2022-02-08

A global history of free speech, from the ancient world to today Hailed as the “first freedom,” free speech is the bedrock of democracy. But it is a challenging principle, subject to erosion in times of upheaval. Today, in democracies and authoritarian states around the world, it is on the retreat. In Free Speech, Jacob Mchangama traces the riveting legal, political, and cultural history of this idea. Through captivating stories of free speech’s many defenders—from the ancient Athenian orator Demosthenes and the ninth-century freethinker al-Rāzī, to the anti-lynching crusader Ida B. Wells and modern-day digital activists—Mchangama reveals how the free exchange of ideas underlies all intellectual achievement and has enabled the advancement of both freedom and equality worldwide. Yet the desire to restrict speech, too, is

a constant, and he explores how even its champions can be led down this path when the rise of new and contrarian voices challenge power and privilege of all stripes. Meticulously researched and deeply humane, *Free Speech* demonstrates how much we have gained from this principle—and how much we stand to lose without it.

Voices of Freedom - Solomon Northup 2017-10-03

Four of the most important and enduring American slave narratives together in one volume. Until slavery was abolished in 1865, millions of men, women, and children toiled under a system that stripped them of their freedom and their humanity. Much has been written about this shameful era of American history, but few books speak with as much power as the narratives written by those who experienced slavery firsthand. The basis for the film of the same name, *Twelve Years a Slave* is Solomon Northup's heartrending chronicle of injustice and brutality. Northup was born and raised a freeman in New York State—until he was kidnapped and sold into slavery in the Deep South. Before returning to his family and freedom, he suffered smallpox, the overseer's lash, and an attempted lynching. Perhaps the most famous of all slave chronicles, *Narrative of the Life of Frederick Douglass* immediately struck a chord with readers when it was first released in 1855. After escaping to freedom, Douglass became a well-known orator and abolitionist, drawing on his own experiences to condemn the evils of slavery. One of the few female slave narratives, *Incidents in the Life of a Slave Girl* was originally published under a pseudonym by Harriet Jacobs. After she escaped to freedom in North Carolina, where she became an abolitionist, Jacobs described the particular suffering of female slaves, including sexual harassment and abuse. Published in 1850, *The Narrative of Sojourner Truth* is Truth's landmark memoir of her life as a slave in upstate New York and her transformation into a pioneer for racial equality and women's rights. These narratives serve as a timeless testament to the strength and bravery, and as a voice to the millions of people enslaved in this dark period of American history. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Shares personal accounts of what it was like to live under slavery

I Hear My People Singing - Kathryn Watterson 2021-08-24

"I Hear My People Singing shines light on a historic Black neighborhood in the heart of Princeton, New Jersey. Some 50 first-person accounts, drawn from an oral history collaboration of African American residents, Princeton undergraduates, and their professor, Kathryn Watterson, detail life in this northern Jim Crow town for the past three centuries. Their stories reveal how the community's roots are intertwined with the enslaved people who were key to building the town and a university whose first nine presidents were slave owners. Chapter introductions provide context, as does the foreword by scholar, theologian, and activist Cornel West. Alive with photographs, *I Hear My People Singing* offers a narrative of inspiring Black experience that contributes to and illuminates the history of the United States and the nation's conversations on race."--Back cover.

[Freedom Libraries](#) - Mike Selby 2019-10-01

This book delves into how Freedom Libraries were at the heart of the Civil Rights Movement, and the remarkable courage of the people who used them. As the Civil Rights Movement exploded across the United States, numerous libraries were desegregated on paper only, and there was another virtually unheard of struggle—the right to read.

Anarchist Voices - Paul Avrich 2021-03-09

Through his many books on the history of anarchism, Paul Avrich has done much to dispel the public's conception of the anarchists as mere terrorists. In *Anarchist Voices*, Avrich lets American anarchists speak for themselves. This abridged edition contains fifty-three interviews conducted by Avrich over a period of thirty years, interviews that portray the human dimensions of a movement much maligned by the authorities and contemporary journalists. Most of the interviewees (anarchists as well as their friends and relatives) were active during the heyday of the movement, between the 1880s and the 1930s. They represent all schools of anarchism and include both famous figures and minor ones, previously overlooked by most historians. Their stories provide a wealth of personal

detail about such anarchist luminaries as Emma Goldman and Sacco and Vanzetti.

Generation on Fire - Jeff Kiseloff 2006-12-29

The political activism of the American counterculture during the 1960s remains a subject blighted by misconceptions and stereotypes. To many, the political thought of the 1960s is synonymous with widespread drug abuse, failed social experiments, and general irresponsibility. Despite sustained public interest, few remember that many of the freedoms and rights Americans enjoy today are the direct result of those who defiantly challenged the established order during this tumultuous period. The period frightened both mainstream and elite Americans and still does. In *Generation on Fire*, both well-known and overlooked political activists speak about their motives and actions during the 1960s through the present. Journalist and popular oral historian Jeff Kiseloff provides a broad and eclectic account of the political activity of the decade, as told by those individuals who led the resistance on numerous fronts: civil rights, the antiwar movement, women's liberation, the environmental movement, and gay rights. The book offers firsthand accounts of what it was like in the courtroom with the Chicago Eight, the trenches of the national football league, the jungles of Vietnam, a commune in Vermont and on a stage in Woodstock. Including never-before published interviews, *Generation on Fire* unapologetically contextualizes the world of the 1960s -- illuminating the ingrained social and cultural obstacles facing activists as well as the courage and shortcomings of those who defied "acceptable" conventions and mores. *Generation on Fire* is an invaluable resource for all who wish to understand the dramatic social, cultural, and political conflicts that arose during a period of radical change. Interviews with: Peter Berg, Rev. Daniel Berrigan, David Cline, Frank Kameny, Paul Krassner, Bernard Lafayette, Barry Levine-Doris Krause, David Meggysey, Barry Melton, Verandah Porche, Gloria Dandridge Richardson, Elsa Marley Skylark, Marilyn Webb, Lee Weiner, and Bob Zellner

Lighting the Fires of Freedom - Janet Dewart Bell 2018-05-08

Recommended by The New York Times, The Washington Post, Book Riot and Autostraddle Nominated for a 2019 NAACP Image Award, a groundbreaking collection of profiles of African American women leaders in the twentieth-century fight for civil rights During the Civil Rights Movement, African American women did not stand on ceremony; they simply did the work that needed to be done. Yet despite their significant contributions at all levels of the movement, they remain mostly invisible to the larger public. Beyond Rosa Parks and Coretta Scott King, most Americans would be hard-pressed to name other leaders at the community, local, and national levels. In *Lighting the Fires of Freedom* Janet Dewart Bell shines a light on women's all-too-often overlooked achievements in the Movement. Through wide-ranging conversations with nine women, several now in their nineties with decades of untold stories, we hear what ignited and fueled their activism, as Bell vividly captures their inspiring voices. *Lighting the Fires of Freedom* offers these deeply personal and intimate accounts of extraordinary struggles for justice that resulted in profound social change, stories that are vital and relevant today. A vital document for understanding the Civil Rights Movement, *Lighting the Fires of Freedom* is an enduring testament to the vitality of women's leadership during one of the most dramatic periods of American history.

The Only Plane in the Sky - Garrett M. Graff 2019-09-10

NEW YORK TIMES BESTSELLER "This is history at its most immediate and moving...A marvelous and memorable book." —Jon Meacham
"Remarkable...A priceless civic gift...On page after page, a reader will encounter words that startle, or make him angry, or heartbroken." —The Wall Street Journal
"Had me turning each page with my heart in my throat...There's been a lot written about 9/11, but nothing like this. I urge you to read it." —Katie Couric
The first comprehensive oral history of September 11, 2001—a panoramic narrative woven from voices on the front lines of an unprecedented national trauma. Over the past eighteen years, monumental literature has been published about 9/11, from Lawrence Wright's *The Looming Tower* to The 9/11 Commission Report. But one perspective has been missing up to this point—a 360-degree account of the day told through firsthand. Now, in *The Only Plane in the Sky*, Garrett Graff tells the story of the day as it was lived—in the words of those who lived it. Drawing on never-before-published transcripts, declassified documents, original interviews, and oral histories from nearly five hundred government officials, first responders, witnesses,

survivors, friends, and family members, he paints the most vivid and human portrait of the September 11 attacks yet. Beginning in the predawn hours of airports in the Northeast, we meet the ticket agents who unknowingly usher terrorists onto their flights, and the flight attendants inside the hijacked planes. In New York, first responders confront a scene of unimaginable horror at the Twin Towers. From a secret bunker under the White House, officials watch for incoming planes on radar. Aboard unarmed fighter jets in the air, pilots make a pact to fly into a hijacked airliner if necessary to bring it down. In the skies above Pennsylvania, civilians aboard United 93 make the ultimate sacrifice in their place. Then, as the day moves forward and flights are grounded nationwide, Air Force One circles the country alone, its passengers isolated and afraid. More than simply a collection of eyewitness testimonies, *The Only Plane in the Sky* is the historic narrative of how ordinary people grappled with extraordinary events in real time: the father and son caught on different ends of the impact zone; the firefighter searching for his wife who works at the World Trade Center; the operator of in-flight telephone calls who promises to share a passenger's last words with his family; the beloved FDNY chaplain who bravely performs last rites for the dying, losing his own life when the Towers collapse; and the generals at the Pentagon who break down and weep when they are barred from trying to rescue their colleagues. At once a powerful tribute to the courage of everyday Americans and an essential addition to the literature of 9/11, *The Only Plane in the Sky* weaves together the unforgettable personal experiences of the men and women who found themselves caught at the center of an unprecedented human drama. The result is a unique, profound, and searing exploration of humanity on a day that changed the course of history, and all of our lives.

God's Feminist Movement - Amber Picota 2016-07-19

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View
Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and

govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a woman's true position in Christ!

Drawn to Enchant - Timothy Garrett Young 2007-01-01

This volume presents over 200 selected original artworks from the collection of Betsy Beinecke Shirley, one of the great collectors of American children's literature. Shirley gathered an authoritative collection of books, original illustrations, manuscripts, as well as drawings and paintings from such children's classics as "Treasure Island" and "Eloise." The artwork in Shirley's collection guides the reader on a tour through the stages of childhood reading, this volume

begins with ABC's and nursery books. It continues through adventure stories, magazines, and more, then concludes with a miscellany section of odds and ends. The images demonstrate how children's books evolved, from the nation's first days of independence to modern times. Artists whose works are represented include many of the favorites, among them Ludwig Bemelmans, Maurice Sendak, A.B. Frost, Wanda Gag, Peter Newell, N.C. Wyeth, Tony Sarg, Robert Lawson, and Johnny Gruelle.

Freedom's Captives - Yesenia Barragan 2021-07

Freedom's Captives offers a compelling, narrative-driven history of the gradual abolition of slavery in the majority-black Colombian Pacific.

Voices of Freedom - Henry Hampton 1990

Presents an oral history of the civil rights movement from 1954

Voices of Resistance - Alison Baker 1998-01-01

Providing new information on women's participation in the Moroccan independence movement, *Voices of Resistance* offers a rare opportunity to hear Moroccan women speak freely about their personal lives. Each woman is introduced in terms of her family background and personal style, and the interviews are given texture and context by references to Moroccan history and popular culture, including contemporary songs and poems. These women are storytellers, and they lived through stirring times. Their active struggle against French colonialism also challenged and redefined traditional Moroccan ideas about women's roles in society. The narratives reconstruct the little-known history of Moroccan feminism and nationalism, and probe the lives of a remarkable group of Islamic women whose voices have never been heard until now.
