[American Book Publishing Record](#) - 2001

[Winchester](#) - R.L. Wilson 2008-08-15

The most lavish work ever produced on American long arms, this book has been

published with the full cooperation of the Winchester Division of the Olin Corporation, as well as Winchester licensee, the U.S. Repeating Arms Company. The book's large format presents many of the firearms in exquisite close-ups, accompanied by substantial details of history, development, and significance.

Variations within model groups are given ample attention, and the book's organization gives an unequalled overview of nearly a century and a half of Winchester achievement. A unique, comprehensive table in the appendix gives serial numbers and related production data previously unavailable in any one source. Every collector and enthusiast will delight in its broad appeal, with over 300 photographs in full color and more than 165 in black and white.

### **The History and Art of the American Gun -**

Robert L Wilson 2015-11-10

The History and Art of the American Gun is a loving tribute to the artistry of firearms. Wilson chronicles the true art and rich history of gun

engraving, from early English and European attempts to American gun engraving. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

### **The Gun Digest Book of Modern Gun Values**

- Dan Shideler 2005-11-01

Provides values and details on over 12,000 guns manufactured from 1900 to the present.

### Firearms: An Illustrated History - DK 2014-03-17

This fascinating visual account of firearms shows everything from the earliest cannons to modern weapons of war. It also highlights how gun technology and military tactics developed in tandem over time. Centuries ago, the Chinese discovered that if they put gunpowder and a projectile into a metal tube and ignited it, they could fire the projectile with enormous force. The first guns were born. Firearms: An Illustrated History showcases over 300 firearms including pistols, revolvers, rifles, shotguns, machine-guns, and artillery, each with annotated close-up photographs and details of their origins, barrel, and caliber. It details the use of the firearms, not just in the military but for sport, hunting, and law enforcement. This comprehensive volume traces the history of firearms, highlighting "turning points" such as the rifle with its parallel spiraled grooves that could impart a spin to bullets making them fly straighter. It also showcases iconic firearms

such as the Walther PPK self-loading pistol popularised in James Bond films. With information on the great gunsmiths including Beretta and Kalashnikov and a detailed guide to how guns work, Firearms: An Illustrated History is an essential purchase for everyone interested in guns and military history.

### Collecting Inspiration: Edward C. Moore at Tiffany & Co. - Medill Higgins Harvey 2021-07-06

Edward C. Moore (1827–1891) was the creative leader who brought Tiffany & Co. to unparalleled originality and success during the late nineteenth century. A silversmith, designer, and prodigious collector, Moore sought out exceptional objects from around the world, which he then used as inspiration for Tiffany's innovative silver designs. This informative, richly illustrated volume, the first study of Moore's life, collection, and influence, presents more than 170 examples from his vast collection, ranging from Greek and Roman glass to Spanish vases,

Islamic metalwork, and Japanese textiles. These are juxtaposed with sixty magnificent silver objects created by the designers and artisans at Tiffany who were inspired by Moore's acquisitions. Included among them are the world-famous Bryant Vase drawing upon Greek examples, a love cup featuring ornate "Saracenic" decoration, and a chocolate pot incorporating novel techniques influenced by Japanese ceramics and lacquerware. The illuminating texts have been enriched by groundbreaking research into contemporary sources such as newspapers and periodicals, the Tiffany & Co. Archives, and a newly identified technical manual and supervisor's diaries, all of which provide an intimate look at the firm's design processes and Moore's role in shaping them. A valuable contribution to the history of American decorative arts, *Collecting Inspiration* illuminates both the legendary Tiffany aesthetic and the legacy of a significant collector, designer, and entrepreneur of the Gilded Age.

Flayderman's Guide to Antique American Firearms and Their Values - Norm Flayderman 2001

Identifies and prices in two condition grades, more than 4,000 antique American firearms manufactured from the colonial era to 1900.

The third edition in Blue Book's ground breaking Italian Master Engravers Series features father and son master engravers Giancarlo & Stefano Pedretti. This 9x12 hardcover landscape format deluxe coffee table book features stunning color and B&W images of the Pedretti's finest works.

**A Legacy in Arms** - Richard C. Rattenbury 2014-10-22

The history of American firearms is inseparable from the history of the United States, for firearms have played crucial roles in the nation's founding, westward expansion, and industrial,

economic, and cultural development. This history unfolds in compelling words and images in *A Legacy in Arms*, a volume that draws upon the collections of the National Cowboy & Western Heritage Museum in Oklahoma City to trace the business and art of gun making from the early national period to the turn of the twentieth century. With more than 200 images—almost all in full color—*A Legacy in Arms* not only documents the inspiration and innovation of arms makers from individual artisans to mass producers, but also describes the development of decorative expression in the gun maker's art. In an account both entertaining and enlightening, Richard C. Rattenbury details the development of commercial arms making, from the genesis of the Kentucky rifle to the arms of such iconic manufacturers as Colt, Remington, Smith & Wesson, Sharps, Marlin, and Winchester. Into this narrative he weaves the particulars of design evolution and the impact of mass production via the "American

System." The accompanying photographs and illustrations stand as eloquent testimony to the range and richness of the gun maker's craft—and its rightful place in the story of American industry and culture.

*Steel Canvas* - R. L. Wilson 2008-05-15  
Engravers and embellishers of arms are the stars of this loving tribute to the artistry of firearms.

*The Peacemakers* - Robert L Wilson 2015-11-10  
Beginning with Native American primitive weaponry, *The Peacemakers* presents a comprehensive panorama from Lewis and Clark and their historic expedition, through subsequent trailblazing explorers, traders and mountain men, to the Army, the gold and silver miners, gunfighters, gamblers, outlaws, frontier madams and their soiled doves, to peace officers, cowboys and ranchers, as well as sodbusters, shopkeepers and the agents of Wells Fargo, hunters and gentlemen-sportsmen, Wild West showmen and women, to the Western stars

of stage, screen, radio, and television. A final chapter provides insights and revelations on collecting arms and related treasures of the frontier. Designed as a companion volume to the bestselling Winchester: An American Legend and Colt: An American Legend, The Peacemakers matches those award-winning books with a fresh and breathtaking look at the extraordinary variety of Western arms. In stark contrast to the primitive Native American weapons of the time, the mechanical marvels of the time changed the course of history. These weapons were created by Colt, Winchester, Smith & Wesson, Remington, Marlin, Sharps, Henry Deringer, Hawken, the U.S. armories and subcontractors, and small-shop private gunmakers. This book also includes other weapons of the era, like the ubiquitous Bowie knife, and more-many elegantly embellished knives including some by Tiffany & Co. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We

publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**Guns of the Civil War** - Dennis Adler

2011-03-28

Guns of the Civil War celebrates the 150th anniversary of the Civil War (1861-1865) with an elegant and richly detailed history of Colt, Henry, Manhattan, Remington, Sharps, Spencer, and S&W Firearms, and guns by many other rivals and contemporaries. This essential

overview of the legendary guns and armsmakers of the Civil War era includes exquisite photography of the handguns, rifles, and muskets, with numerous close-ups that capture the detail of each piece.

**Historical Painting Techniques, Materials, and Studio Practice** - Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and

conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Guns of the American West - Dennis Adler 2015-11-10

Dennis Adler, award-winning author and photographer, and contributing editor to *Guns of the Old West* magazine, has woven together enthralling tales of the guns and gunmen who

made the Wild West wild. Beginning with the early western expansion and the California Gold Rush, *Guns of the American West* takes you through the development of America's most legendary handguns, rifles, and shotguns and the roles they played in our nation's history. As the Civil War erupts, the author follows the politics of a country divided and how North and South chose to arm their soldiers. In the aftermath of this great conflagration, Adler takes you step-by-step through the evolution of loose powder cap-and-ball revolvers, rifles, and shotguns to the conversion to self-contained metallic cartridges and the sweeping changes that resulted in firearms design. With a nation intent on its belief in Manifest Destiny, the author follows legendary lawmen, soldiers, and outlaws as America moves west in the 1870s and 1880s. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting,

self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**A Western Legacy** - National Cowboy and Western Heritage Museum 2005

Celebrates the fiftieth anniversary of this premier museum in Oklahoma City, offering both an institutional history and a captivating collection of photographs representing its extensive holdings. Simultaneous.

*Arms and Armor* - Stuart W. Pyhrr 2002

A celebration of more than a decade of collecting by the Metropolitan Museum's Department of

Arms and Armour since the reinstallation of its permanent galleries in 1991. Fifty-eight of the most important recent acquisitions are featured in this volume.

**The World of Beretta** - Robert L Wilson

2015-11-10

Fabbrica d'Armi Pietro Beretta, S.p.A., the oldest industrial firm and the oldest gunmaker in the world, launches its 475th anniversary with the publication of this lavish history and celebration of a unique world of Beretta firearms. Beretta remains under the stewardship of its founding family and reigns as one of the few international brands symbolic of unsurpassed quality.

Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing

shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**The Bowie Knife** - Norm Flayderman 2004

From Norm Flayderman, perhaps the best-known name in arms collecting, comes this exciting new book on the Bowie Knife. All we can say is 'You will be astounded ... It's great.' The size and quality of this book make it a huge bargain. It is a deluxe edition, printed entirely in color, with hundreds of massive, professional photographs showing every detail of your favorite knives. As an added bonus, the photos also contain a countless selection of some of the best guns and swords that you will ever see - so while this is technically a knife book, it truly has something for everyone. For instance, there is a

large chapter on Dueling in America, and the Civil War chapters are a book in and of themselves. This is simply a 'must-buy' purchase for any collector of antique weaponry.-- Amazon.com.

**Official Price Guide to Collector Knives** - C. Houston Price 2008-04-08

Provides descriptions and prices for collectible knives, along with information about collecting the item, different types and brands, main components, and factors that can affect its value.

*Whitney Biennial 2022* - David Breslin  
2022-04-26

Presenting the latest iteration of this crucial exhibition, always a barometer of contemporary American art The 2022 Whitney Biennial is accompanied by this landmark volume. Each of the Biennial's participants is represented by a

selected exhibition history, a bibliography, and imagery complemented by a personal statement or interview that foregrounds the artist's own voice. Essays by the curators and other contributors elucidate themes of the exhibition and discuss the participants. The 2022 Biennial's two curators, David Breslin and Adrienne Edwards, are known for their close collaboration with living artists. Coming after several years of seismic upheaval in and beyond the cultural, social, and political landscapes, this catalogue will offer a new take on the storied institution of the Biennial while continuing to serve--as previous editions have--as an invaluable resource on present-day trends in contemporary art in the United States.
