Le parfum du bonheur est plus fort sous la pluie

- Virginie Grimaldi 2017-03-09

"Je ne t'aime plus". Il aura suffi de cinq mots pour que l'univers de Pauline bascule. Installée

avec son fils de quatre ans chez ses parents, elle laisse les jours s'écouler en attendant que la douleur s'estompe. Jusqu'au moment où elle décide de reprendre sa vie en main. Si les sentiments de Ben se sont évanouis, il suffit de les ranimer. Chaque jour, elle va donc lui écrire un souvenir de leur histoire. Mais cette plongée dans le passé peut faire resurgir les secrets les plus enfouis. Avec une extrême sensibilité et beaucoup d'humour, Virginie Grimaldi parvient à faire revivre des instantanés de vie et d'amour et nous fait passer du rire aux larmes. Une histoire universelle.

Tu comprendras quand tu seras plus grande -
Virginie Grimaldi 2016-05-04

Quand Julia débarque comme psychologue à la maison de retraite Les Tamaris, elle ne croit pas plus au bonheur qu'à la petite souris. Pire, une fois sur place, elle se souvient qu'elle ne déborde pas d'affection pour les personnes âgées. Et dire qu'elle a tout plaqué pour se sauver, dans tous les sens du terme. Au fil des jours, Julia

découvre que les pensionnaires ont bien des choses à lui apprendre. Difficile pourtant d'imaginer qu'on puisse reprendre goût à la vie entre des papys farceurs, des mamies fantaisistes et des collègues au cœur brisé... Et si elle n'avait pas atterri là par hasard ? Et si l'amour se cachait là où on ne l'attend pas ? C'est l'histoire de chemins qui se croisent. Les chemins de ceux qui ont une vie à raconter et de ceux qui ont une vie à construire. C'est une histoire d'amour(s), une histoire de résilience, une ode au bonheur. Un humour décapant, des personnages attachants et une profonde humanité. En le refermant, on n'a qu'une envie : celle de se délecter des petits bonheurs qu'offre la vie. Virginie Grimaldi passe son temps à écrire : de la liste des courses aux livres, en passant par son blog à succès. Auteur d'un best-seller irrésistible, *Le Premier Jour du reste de ma vie*, et lauréate du prix E-criture Aufeminin 2014, elle signe là un magnifique deuxième roman.

[The Red Collar](#) - Jean-Christophe Rufin

2015-07-09

In 1919, in a small town in the province of Berry, France, under the sweltering temperatures of summer heat wave, a war hero is being held prisoner in an abandoned barrack. In front of the door to his prison, a mangy dog barks night and day. Miles from where he is being held, in the French countryside, an intelligent young woman works the land, waiting and hoping. And a military investigating officer, whose principles have been sorely shaken by the war, must complete his last assignment before returning home. Three characters. In their midst, a dog holds the key both to their futures and to this intriguing plot. Full of poetry and life, *The Red Collar* is at once a pleasingly straightforward narrative about the human spirit and a profound work about loyalty and love.

Grimaldi 2018

Julia's not running away. Not exactly. She needs a break from Paris and Marc and all the sad stuff that's been going on lately. A little time to pull herself together. The job offer felt like a lifeline. But now that she's back in Biarritz, suitcase in hand, she hasn't the faintest idea what she was thinking. What Julia doesn't yet know is there's more the odds and ends of Ocean View than meet the eye. Behind the double doors lie broken hearts, lifelong secrets, a touch of romance and an unwavering passion for life. And sometimes it's the most unlikely of places and people who help you find your way.

THE INTERNATIONAL BESTSELLER AND WINNER OF THE PRIX GONCOURT FOR FICTION Paul Hansen is in prison. He's been in this prison on the outskirts of Montreal for a

couple of years now, sharing a cell with a murderous Hells Angel who often reminds Paul that he could kill him at any moment. What did Paul do to end up here? And why does he jeopardize his life and release by refusing to show remorse? Before prison, there were his parents. There were his friends at the Excelsior, the luxury apartment complex where Paul worked as caretaker as well as restorer of souls and comforter of the afflicted. And there was his partner, Winona, an intrepid seaplane pilot, and their beloved dog, Nouk. Many of those closest to him are gone now, but Paul still talks to them; they appear in his dreams and as ghosts in his cell. From France in the sixties to the asbestos mines of Québec, from the sand dunes of the peninsula where the Baltic connects to the North Sea to the wild lakes and mountains of Canada, Jean-Paul Dubois's extraordinary novel and winner of the Prix Goncourt *Not Everybody Lives the Same Way*, follows this man, Paul Hansen, as he reviews his life. A life of equilibrium, it has

given Paul both tragedy and gifts--that is, until the moment when fate presents him with someone capable of breaking his balance. *Not Everybody Lives the Same Way* is a powerfully original and unusual novel. Masterfully translated by David Homel and brilliantly animated by Jean-Paul Dubois's keen feeling for humanity and intense revolt against all forms of injustice, it asks the question: What does it take to live a dignified life?

When Sophica was abruptly separated from her father as a toddler, she found a haven in

Grandmother Gitté. But one sunny day in July, when she was six years old, gendarmes marching and shouting in the streets stopped her dreamy childhood and her hopes to go to school and to be a big girl like her sister. She was deported together with her mother and the whole of the Jewish community of Mihaileni, Romania. On foot, through icy fields, they arrived in eastern Ukraine, a strip of land called Transnistria. Death, illness, brutality, shame, became her daily scenes. Sophica suffered hunger and fear but kept her hopes and sanity, albeit losing her sister and her father and witnessing her mother being viciously attacked. She survived typhus and starvation by being strong and quiet. Herman was a jolly little boy who didn't care much needing to wear the yellow star and being forbidden from school. He continued playing outside with his friends while his father and brother were sent to a labor camp. At the age of 14, when the Second World War ended, he joined a Jewish youth movement

and embarked on a ship to the Promised Land. However, their journey was interrupted and they were taken to a British detention camp in Cyprus. Sophica and Herman were given new names, Shulamit and Tzvi. They met and made a home in Israel. Shulamit/Sophica never mentioned her sad childhood, but the essence of the past found its ways out. Sixty-five years after those events, her daughter comes across a family secret and starts asking questions, inducing Shulamit to break her silence and become again the frightened little Sophica. This book tells her moving childhood story.

From the French Marian Keyes comes an

uplifting novel of mothers and daughters, families and extraordinary friendships that will make you laugh and cry. For fans of Ruth Hogan, Veronica Henry and The Lido. 'The famous "Grimaldi touch" is a lightness of tone and style that takes your breath away' Elle France ***A delightful slice of uplifting escapism*** Culturefly Maybe if she hadn't lost her job, Anna would never have dreamed of being so impulsive. Or perhaps if Chloe wasn't always having her heart broken, or if Lily was happy at school. But when Anna realises that her family is falling apart, only a grand, spontaneous gesture will do. Which is how Anna, Chloe and Lily find themselves squashed together in a campervan, on a mother-daughter road trip across Europe to reach the Northern Lights. The girls are horrified, but Anna is determined. This journey might just be their way back to each other. Anna, 37 ans, croule sous le travail et les relances des huissiers. Ses filles, elle ne fait que les croiser au petit déjeuner. Sa vie défile, et elle l'observe depuis la bulle dans laquelle elle s'est enfermée. À 17 ans, Chloé a des rêves plein la tête mais a choisi d'y renoncer pour aider sa mère. Elle cherche de l'affection auprès des garçons, mais cela ne dure jamais. Comme le carrosse de Cendrillon, ils se transforment après l'amour. Lily, du haut de ses 12 ans, n'aime pas trop les gens. Elle préfère son rat, à qui elle a donné le nom de son père, parce qu'il a quitté le navire. Le jour où elle apprend que ses filles vont mal, Anna prend une décision folle : elle les

embarque pour un périple en camping-car, direction la Scandinavie. Si on ne peut revenir en arrière, on peut choisir un autre chemin. Anna, Chloé, Lily. Trois femmes, trois générations, trois voix qui se répondent. Une merveille d'humour, d'amour et d'humanité. Romancière à succès, Virginie Grimaldi est l'auteure de trois best-sellers, *Le Premier Jour du reste de ma vie*, *Tu comprendras quand tu seras plus grande* et *Le Parfum du bonheur* est plus fort sous la pluie.

Her biggest problem is that her mother won't stop nagging her to get married already. Emma and John feel

like the perfect couple, their future alive with possibilities. But out of the blue, a tragedy throws her life into disarray -- and Emma is suddenly, incomprehensibly, alone. As she emerges from grief, Emma has to find a whole new way of living, and her loyal friends rally round in an attempt to help. Clodagh, Emma's lifelong friend, with whom she's shared everything from mud pies to dating disasters. Anne and Richard, more-or-less happily married and debating a move to the country. Emma's brother Noel, the young Catholic priest, finding his own faith tested even as he tries to comfort Emma. Seán, the gorgeous bad boy of a thousand one-night stands, uncomfortably aware of his and Emma's growing connection. With an amazing insight into the power of friendship and a wry, irreverent humor that

considers no subject off-limits, talented new Irish writer Anna McPartlin tells a heartwarming story of the courage it takes to move past loss and learn to live.

Go to Paris 2. Have a

baby, maybe two 3. Fall in love Brett Bohlinger seems to have it all: a plum job, a spacious loft, an irresistibly handsome boyfriend. All in all, a charmed life. That is, until her beloved mother passes away, leaving behind a will with one big stipulation: In order to receive her inheritance, Brett must first complete the life list of goals she'd written when she was a naïve girl of fourteen. Grief-stricken, Brett can barely make sense of her mother's decision—her childhood dreams don't resemble her ambitions at age thirty-four in the slightest. Some seem impossible. How can she possibly have a relationship with a father who died seven years ago? Other goals (Be an awesome teacher!) would require her to reinvent her entire future. As Brett reluctantly embarks on a perplexing journey in search of her adolescent dreams, one thing becomes clear. Sometimes life's sweetest gifts can be found in the most unexpected places. Breaking Out of Bedlam - Leslie Larson
2010-01-12

Cora Sledge is horrified when her children, who doubt her ability to take care of herself, plot to remove her from her home. So what if her house is in shambles? Who cares when she last changed her clothes? If an eighty-two-year-old widow wants to live on junk food, pills, and cigarettes, hasn't she earned the right? When her kids force her into The Palisades, an assisted living facility, Cora takes to her bed, planning to

die as soon as possible. But life isn't finished with her yet, not by a long shot. Deciding that truth is the best revenge, Cora begins to write a tell-all journal that reveals once and for all the secret she has guarded since she was a young woman. In entries that are profane, profound, and gossipy, she chronicles her childhood in rural Missouri, her shotgun wedding, and the terrible event that changed the course of her life. Intermingled with her reminiscences is an account of the day-to-day dramas at The Palisades—her budding romance with a suave new resident, feuds with her tablemates, her rollicking camaraderie with the man who oversees her health care, and the sinister cloud of suspicion that descends as a series of petty crimes sets everyone on edge. The story builds to a powerful climax as Cora's revelations about her past mesh with the unraveling intrigue in the present. Cora is by turns outrageous, irreverent, and wickedly funny. Despite a life with more than its share of disappointment and struggle,

she refuses to go gently into her twilight years, remaining intensely curious, disinclined to play it safe, and willing to start over. *Breaking Out of Bedlam* captures the loneliness and secrets that lurk within families, the hardscrabble reality facing women with limited resources, and the resilience of a woman who survives, despite all the odds, through an unlikely combination of
