**Heinrich Himmler** - Peter Longerich  
2011-10-27

As head of the SS, chief of police,  
'Reichskommissar for the Consolidation of  
Germanness', and Reich Interior Minister,  
Heinrich Himmler enjoyed a position of almost  
unparalleled power and responsibility in Nazi  
Germany. Perhaps more than any other single  
Nazi leader aside from Hitler, his name has  
become a byword for the terror, persecution,  
and destruction that characterized the Third  
Reich. His wide-ranging powers meant that he  
bore equal responsibility for the repression of  
the German people on the home front and the  
atrocities perpetrated by the SS in the East. Yet,  
in spite of his central role in the crimes of the  
Nazi regime, until now Himmler has remained a  
colourless and elusive figure in the history of the  
period. In this, the first-ever comprehensive  
biography of the SS-Reichsführer, leading

German historian Peter Longerich puts every  
aspect of Himmler's life under the microscope.  
Masterfully interweaving the story of Himmler's  
personal life and political career with the wider  
history of the Nazi dictatorship, Longerich  
shows how skilfully he exploited and  
manipulated his disparate roles in the pursuit of  
his far-reaching and grandiose objectives. In the  
process, he illuminates the extraordinary degree  
to which Himmler's own personal prejudices,  
idiosyncrasies, and predilections made their  
mark on the organizations for which he was  
responsible - especially the SS, which in so many  
ways bore the characteristic hallmarks of its  
leader, and whose history remains both  
incomplete and incomprehensible without a  
detailed and intimate knowledge of its deeply  
sinister commander-in-chief.

**Application** - Raghav Govindarajan 2020-02-04

This unique, socially conscience reference provides valuable guidance to international medical graduates (IMG's) looking to complete a residency in the United States. The medical residency application process in the United States is competitive and complex. Additionally, many IMG's go through training programs that sharply differ from the medical school training and the sociocultural elements of United States medicine and residency are unlike any other country. Organized into three parts, this book meets the need for a pragmatic, evidence based guide that answers important questions, and imparts indispensable advice to IMGs. Part I directly tackles the concerns IMG's have regarding specific elements of residency applications, including the importance of a master's degree and how to get a strong letter of recommendation. Part II then addresses how to prepare for interviews, preliminary programs and travel. Finally, the book answers the common "what ifs" and "what's next" questions many IMG's ponder. International Medical Graduate and the United States Medical Residency Application: A Guide to Achieving Success is a first-of-its-kind resource that presents a holistic view of residency application peppered with real life examples, easy to grasp tables and flow charts and key do's and don'ts to drive home the complex process involved in residency application.

Confessions of a Bangkok PI - Warren Olson 2006-07-28

Two-timing bargirls, suspicious spouses and lesbian lovers - it was all in a day's work for Bangkok Private Eye Warren Olson. For more

than a decade, Olson walked the mean streets of the Big Mango. Fluent in Thai and Khmer, he was able to go where other private eyes feared to tread. His clients included Westerners who had lost their hearts and life savings to moneyhungry bargirls. But he had more than his fair share of Thai clients, too, including a sweet old lady who was ripped off by a Christian conman and a Thai girl blackmailed by a former lover. The stories are based on Olson's case files, disguised to protect the innocent and the guilty by bestselling author Stephen Leather. Olson has now relocated to his native New Zealand with his Thai wife and daughter, but the agency that he founded is still open for business at [www.thaiprivateeye.com](http://www.thaiprivateeye.com).
