**How to Paint Skies** - Geoff Kersey 2017-02-01  
Skies are an important part of landscape paintings, setting the tone of the scene as a whole and often representing the dominant

feature of the composition. In this revised and updated edition of *Painting Skies* which includes material from Geoff's *Top Tops for Watercolour Artists*, Geoff Kersey imparts his knowledge and expertise to artists of all abilities, demonstrating how to paint skies that give a sense of cohesion, place and atmosphere to your landscape paintings. Painting skies is also the best way to learn how watercolour behaves, and there is a large section at the start of the book that explains the techniques you need to produce a broad range of effects. Including a stormy sky, a summer sky, an evening glow, a sunset and low cloud. This comprehensive guide also includes information on the materials you need, drawing and sketching, using photographs, composition, colour and perspective, and throughout the book are examples of Geoff's finished artworks to provide inspiration and ideas for compositions of your own. The book finishes with six glorious, step-by-step projects to put into practice all you have learnt and give you the confidence to

incorporate stunning skies into your own watercolour landscape paintings.

Figure Drawing Methods for Artists - Peter Boerboom 2017-07

Simple methods teach how to draw figures. When we try to draw a person, we are quickly confronted with various challenges. The proportions need to be correct, the attitude must be clear and vivid, the face should show resemblance and also be expressive. Such a task takes courage. Yet a little practice and training quickly lead to the ability to draw figures in a wide variety of styles. A figure in a particular posture can be assembled with a few key characteristic strokes. At the center of this collection is not the perfect figure, but the joy of drawing, and how, with simple methods,

drawing people is possible: by reducing and reducing to a few lines, using clear contours and simple surfaces, the human figure emerges, constructed and elaborated.

**Ten-Step Drawing: Animals** - Heather Kilgour  
2018-06-12

Featuring illustrated tutorials for drawing 75 different animals, Ten-Step Drawing: Animals breaks down each subject into 10 simple steps. All you need to get started is a pen or pencil and a piece of paper! With Ten-Step Drawing: Animals, you will learn to create an awe-inspiring array of different animals. Step by step, you will create creatures both wild (bald eagle, armadillo, meerkat, dung beetle) and domesticated (donkey, camel, duck, goat). The animals include those from the sea (whale, sea turtle, jellyfish, walrus) and the woodland (snail, fox, raccoon, river otter). Even learn to draw your favorite pets (cat, dog, rabbit, guinea pig). Handy prompts encourage artistic individuality, and include helpful tips for drawing other

subjects not featured in the book. Ten-Step Drawing: Animals is sure to encourage even the most reluctant amateur artist to draw their heart out.

**Bhupen Khakhar** - Chris Dercon 2016-05-01  
Bhupen Khakhar (1934–2003) was active in India from the late 1960s. A gentle radical, his luminous paintings addressed issues of class, gender and sexuality with sensitive, often tragicomic nuance. This publication presents a fresh take on his artistic, social and spiritual interests. Significant essays on Khakhar's artistic influences are accompanied by focused responses to key works by leading writers, curators and artists. Khakhar's unique voice is revealed in excerpts from the last interview before his death in 2003, and in a facsimile reproduction of the artist's book *Truth is Beauty and Beauty is God*, out of print since 1972. With

personal and touching contributions by those who knew him, this richly illustrated publication is an essential reference to one of the most compelling and unique voices in twentieth-century art, as well as a significant contribution to the field of international modernism.
