Edna Cormick, forty-three, is incarcerated in a mental hospital for murdering her husband. For twenty years, Edna escaped the world by devoting herself to the health and welfare of her husband and home, so when she learns he's been having an affair, her sense of betrayal is devastating and literally maddening. And so she sits, silently filling notebooks, trying to find where and how her life went wrong. *Dancing in the Dark* is a tightly woven psychological novel, which explores the idea that madness is not necessarily self-destructive, and may lead to a kind of wisdom.

Dancing in the Dark - Caryl Phillips
2007-12-18

In this searing novel, Caryl Phillips reimagines the life of the first black entertainer in the U.S.

to reach the highest levels of fame and fortune. After years of struggling for success on the stage, Bert Williams (1874—1922), the child of recent immigrants from the Bahamas, made the radical decision to don blackface makeup and play the “coon.” Behind this mask he became a Broadway headliner—as influential a comedian as Chaplin, Laurel and Hardy, and W. C. Fields, who called him “the funniest man I ever saw, and the saddest man I ever knew.” It is this dichotomy at Williams’ core that Phillips explores in this richly nuanced, brilliantly written novel, unblinking in its attention to the sinister compromises that make up an identity. *Dancing in the Dark* - Peter Prendergast 2010
Things haven't been easy for Jessie since her brother James - sports star and popular kid - died. to him, or quarrel with him, more like! They always bickered when James was alive, so why change now? But James might turn out to be her unlikely saviour. Along with Alan, the dorky new boy, can he give Jessie the confidence to show the rest of the dance team what she's got ... and help her and her parents on the road towards healing? Funny, sharp and poignant, a story about living with a ghost, and the pain of letting go.

Dancing at the Edge of the World - Ursula K. Le
Guin 2017-07-18

But she has, and here is the record of that change in the decade since the publication of her last nonfiction collection, *The Language of the Night*. A Wish in the Dark - Christina Soontornvat
2020-03-24

A boy on the run. A girl determined to find him.
A compelling fantasy looks at issues of privilege,

protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk among them. But when Pong escapes from prison, he realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong’s prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden’s perfect daughter, is bent on tracking Pong down and restoring her family’s good name. But as Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat’s twist on Victor Hugo’s *Les Misérables* is a dazzling, fast-paced adventure that explores the difference

between law and justice — and asks whether one child can shine a light in the dark.

Dancing in the Flames - Marion Woodman

1997-08-01

As we speed towards the next millennium, many of us are taking stock of the presences and absences in our lives. In *Dancing in the Flames*, Marion Woodman, along with reputed therapist Elinor Dickson, points to the gaping hole in our spiritual fabric. Unlike other cultures and eras, modern Western society has repressed notions of the Divine Feminine, possibly to the detriment of our psyches, our bodies, and even our planet. This landmark book, which draws from art, fables, science and dreams, creates a vista from which to view our imbalances and provides hope for celebration as we turn to embrace a lost aspect of ourselves. From the Trade Paperback edition.

Singularities - Andre Lepecki 2016-06-17

How does the production of performance engage with the fundamental issues of our advanced neo-capitalist age? André Lepecki surveys a decade of experimental choreography to uncover the dual meaning of ‘performance’ in the twenty-first century: not just an aesthetic category, but a mode of political power. He demonstrates the enduring ability of performance to critique and subvert this power, examining this relationship through five ‘singularities’ in contemporary dance: thingness, animality, persistence, darkness, and solidity. Exploring the works of Mette Ingvartsen, Yvonne Rainer, Ralph Lemon, Jérôme Bel and others, Lepecki uses his concept of ‘singularity’—the resistance of categorization and aesthetic identification—to examine the function of dance and performance in political and artistic debate.

Dance With the Devil - Sherrilyn Kenyon

Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never

believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

The Time of Our Singing - Richard Powers

2004-01-01

From the Pulitzer Prize-winning author of *The Overstory* and the Oprah's Book Club selection *Bewilderment* comes Richard Powers's magnificent, multifaceted novel, *The Time of Our Singing*, about a supremely gifted—and divided—family, set against the backdrop of postwar America. On Easter day, 1939, at Marian Anderson's epochal concert on the Washington Mall, David Strom, a German Jewish émigré scientist, meets Delia Daley, a young Philadelphia Negro studying to be a singer. Their mutual love of music draws them together, and—against all odds and better judgment—they marry. They vow to raise their children beyond time, beyond identity, steeped in song. But their three children must survive America's brutal

here and now. Jonah, Joseph, and Ruth grow up during the Civil Rights era, come of age in the violent 1960s, and live out adulthood in the racially retrenched late century. Jonah, the eldest, "whose voice could make heads of state repent," follows a life in his parents' beloved classical music. Ruth, the youngest, chooses a militant activism and repudiates the white culture her brother represents. Joseph, the middle child and the narrator of this generational tale, struggles to remain connected to them both. *The Time of Our Singing* is a story of self-invention, allegiance, race, cultural ownership, the compromised power of music, and the tangled loops of time that rewrite all belonging.

A Dance in the Dark - Stacy Fulton 2012-05

So often we allow our worship to be dictated by our circumstances. The truth is, our worship should be dictated by who God is. Sometimes our lives take different turns than what we had planned. Our dreams get shattered, our plans get altered, and life looks nothing like what we had hoped it would. We find ourselves surrounded by the darkness of despair. It's in these moments where we learn how to worship. In, *A Dance In the Dark*, Stacy takes you on a journey to the heart of worship through her compelling story of her personal struggles with infertility. She learned that worship happened

when she chose to honor God in the midst of her pain. Hidden beneath these lowest places, these darkest valleys, are His treasures awaiting to be found. Hidden beneath the rubble and ashes in our lives we find the greatest treasure of all -- His heart. The question is, how do we uncover these treasures? How do we find Him in the midst of it all? How do we uncover His heart in the worst of times? We uncover them through our worship. We uncover them when we dance. Are YOU ready to dance?

In an effort to appease her traditional mother, aspiring university student Lily Nichols agrees to become a debutante and do the Season, a glittering and grueling string of countless balls and cocktail parties. In doing so, she befriends two very different women: the cool and aloof Leana Hartford whose apparent perfection hides a darker side and the ambitious Katherine Norman who dreams of a career once she helps her parents find their place among the elite. But the glorious effervescence of the Season evaporates once Lily learns a devastating secret that

threatens to destroy her entire family. Faced with a dark past, she's forced to ask herself what really matters: her family legacy or her own happiness.
