Professional Skills for Driving Trucks - 2009

Calling all truck drivers, trainee truck drivers, future truck drivers and, actually, anyone who is fanatical about trucks. PROFESSIONAL SKILLS FOR DRIVING TRUCKS is a graphically illustrated, high quality 230 comprehensive guide to driving trucks on New Zealand roads. Full of no-nonsense information on all the skills and knowledge you need to safely and efficiently drive trucks. The book is essentially a truck driver's "bible" and will be an indispensable reference for those in the industry. It is targeted at the trainee or less experienced driver but would also prove highly useful for long-time drivers or anyone interested in trucks. The book includes all the most relevant information, tips and hints on heavy licence driving in New Zealand so all drivers, no matter how experienced, will

get something out of it. Ten chapters set out information relevant to at least 20 unit standards registered on the National Qualifications Framework. This means the book is an excellent companion guide for people working towards a truck driving national qualification or modern apprenticeship. Driving trucks is one of the most rewarding careers available. Other jobs can tie you to a desk but truck driving is all about freedom and experiences. This new book will help and inspire more people to become professional drivers; know the road rules, show courtesy on the road, drive efficiently and safely and understand truck components as the need for professional drivers continues to grow.

The Last Platonist: Essays in Honour of Roger James Sworder - Brian Coman 2017-08

Roger Sworder was a remarkable teacher, philosopher, poet and metaphysician who taught two generations of tertiary

students. This book is a tribute to him and his work. It contains essays by former students and teaching colleagues, along with a short biography and a series of previously unpublished autobiographical poems.

Anyone with an interest in the Western Tradition will find it an immensely rewarding read.

Technical and Vocational Teacher Education and Training in International and Development Co-Operation - Frank Bünning 2022

This book deals with teacher training for vocational education and training. In individual chapters next to the positions of relevant international organizations, donors and development banks, it also covers selected countries in their ways of shaping of Technical Vocational Education and Training and teacher training. The structure of the book aims at two objectives: To outline positions of important stakeholders of the international Technical Vocational Education and Training policies and international cooperation in TVET teacher training. To discuss the current status of Technical Vocational Education and Training and teacher training in selected countries, from developing countries, countries with emerging economies to industrialized countries. The book is meant to create a platform that supports a reference concept within international cooperation for the further development of Technical Vocational Education

and Training and teacher training up to a higher quality and performance.
