**Emergent Evolution** - C. Lloyd Morgan  
2013-04-18

A fascinating series of lectures given at the university of St. Andrews in 1922. The lectures cover the topics of mental and no-mental emergence, relatedness, reference, memory, images, towards, reality and causation and causality. Many of the earliest books, particularly those dating back to the 1900s and

before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**What Became of the White Savage** - François Garde 2015-05-05

Some time in the 1840s, Narcisse, a young French sailor is abandoned on the coast of Australia and given up for dead by his shipmates. Seventeen years later he is found living among aboriginal peoples, having apparently forgotten everything of his original identity, including his native French language. Octave de Vallombrun, a well-meaning geographer, takes him under his wing and sets out to bring Narcisse, now known as the "white savage" back to civilisation and to find out what happened during those seventeen years. Observing Narcisse's struggle to adjust to the ways of the white man, Octave too begins to question his assumptions about what it means to

be civilised, and to see in a new light the man known as the "white savage".

*Maigret and the Madwoman* - Georges Simenon 1979

"Simenon created one of the great moral detectives . . . a master of the slow unfolding of the criminal mind."-JOHN MORTIMER  
Someone is moving a kind old woman's furniture while she is away, but by the time Maigret investigates, she is dead. A kind, elderly lady-meticulously groomed and showing no signs of derangement-appeals to Inspector Maigret, frightened because someone has been moving furniture in her apartment. Nothing, however, has been stolen, and Maigret's subordinates at Police Headquarters shrug her off as "Maigret's madwoman." Touched by the imploring look in her eyes, Maigret promises to investigate-but someone gets there ahead of him. "Simenon is . . . in a class by himself."-T H E N E W Y O R K E R  
Georges Simenon (1903-1989) was born in Liege, Belgium. He published his first novel at

seventeen and went on to write more than two hundred novels, becoming one of the world's most prolific and bestselling authors. His books have sold more than 500 million copies and have been translated into fifty languages. Maigret is a registered trademark of the Estate of Georges Simenon

The Rejection of Consequentialism - Samuel Scheffler 1994-08-11

In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded

as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

**A Man's Head** - Georges Simenon 2006  
Inspector Maigret makes his way from Paris's

luxury hotels through the seedy and squalid streets and alleys of Paris as he tracks a killer on the run. Reprint. 25,000 first printing.

The Banquet Years - Roger Shattuck 1968-06-12  
The definitive chronicle of the origins of French avant-garde literature and art, Roger Shattuck's classic portrays the cultural bohemia of turn-of-the-century Paris who carried the arts into a period of renewal and accomplishment and laid the groundwork for Dadaism and Surrealism. Shattuck focuses on the careers of Alfred Jarry, Henri Rousseau, Erik Satie, and Guillaume Apollinaire, using the quartet as window into the era as he exploring a culture whose influence is at the very foundation of modern art.

**The Devil's Beauty** - Airicka Phoenix

2016-09-03

Dimitri Tasarov has never had a choice in what he was. From infancy, he had been raised with the knowledge that he was a monster, an unlovable creature without a soul, until a single act of kindness threw his entire world into a tailspin. Ava Emerson had always led a reluctantly sheltered existence. Friendship was a luxury that came with questions she couldn't afford to answer. They were an unlikely pair. He lived behind his mask and his roses, and she lived behind her secrets, yet they shared a bond that could get them killed if anyone ever found out. Times were changing. The city was in turmoil. The weak were unprotected and someone needed to make a stand. But Dimitri

wasn't the only one with eyes on the north, or Ava, and they will stop at nothing to claim them both. Can Dimitri keep Ava safe, or will the devil fall?

Missing Judy - Anne Cassidy 2006

Kim Hockney has a secret. It's to do with the terrible thing that happened eight years ago - the day when her five year old sister Judy went missing. Her parents have always been careful not to blame her but she knows they look at her and wonder what her little sister would have been like, if Kim hadn't let her run off that dark afternoon. Then one day some new evidence turns up...

**Ringolevio** - Emmett Grogan 2008-10-14

Ringolevio is a classic American story of self-invention by one of the more mysterious and alluring figures to emerge in the 1960s. Emmett Grogan grew up on New York City's mean streets, getting hooked on heroin before he was in his teens, kicking the habit and winning a scholarship to a swanky Manhattan private school, pursuing a highly profitable sideline as a Park Avenue burglar, then skipping town to enjoy the dolce vita in Italy. It's a hard-boiled, sometimes hard-to-believe, wildly entertaining tale that takes a totally unexpected turn when Grogan washes up in sixties San Francisco and becomes a leader of the anarchist group known as the Diggers. The Diggers, devoted to street theater, direct action, and distributing free food, were in the thick of the legendary Summer of Love, and soon Grogan is struggling with the naive narcissism of the hippies, the marketing of revolution as a brand, dogmatic radicals, and false prophets like tripster Timothy Leary. Above all, however, he struggles with himself.

Ringolevio is an enigmatic portrait of a man and his times to set beside Hunter S. Thompson's stories of fear and loathing, Norman Mailer's *The Armies of the Night*, or the recent *Chronicles of Bob Dylan*, who dedicated his 1978 album *Street Legal* to the memory of Emmett Grogan.

**God Shock** - Stefan Rochfort 2001-08-08

"Wake up man, you just slept through Armageddon," she said, roughly shaking the

deadweight Saladin by the shoulders. He came awake with the bleary eyed reluctance of a teenage boy being torn from a wet dream into a hangover. --- The coroner surveyed the charred collection of bones and pronounced it, with astounding professional accuracy, dead. What the coroner failed to ascertain with accuracy was the true cause of death. On the file it all looked very convincing "Death by incineration", but in fact the onus for Rutherford's death lay with a man whose cranium he had recently sawn into. --- Athena is an info-merc. She gets paid to sift. Intelligent software crafted in her fibre-optic nest, her sift engines and AI spiders have gained her a healthy profit. A client has just made the mistake of paying her too well for a score. Curiosity overtakes caution and drops her hard into an adventure that stretches from the madness within, to the drug-induced climax of the human species. A fast epic, God Shock follows Athena inside an institute where reality is detuned; through a hidden city where pleasure

has been tweaked into a weapon against the frightening assault of boredom; to the beautiful and twisted landscape of a diseased intranet; all the way to the threshold of her sanity. Luckily her sense of humor is well intact. --- 'From thought-provoking to cynical to downright funny... all-in-all God Shock is a good mind-bending trip.' - Locus Magazine

**Printemps funeste à Brest** - Martine Le Pensec 2018-01-05

Mystérieusement abandonnée par son premier fiancé, Avril s'apprête-t-elle à revivre le même enfer ? Avril porte un prénom de printemps, empreint de gaieté et de soleil, pourtant sa vie est marquée par une épreuve peu commune : elle a été abandonnée, des années plus tôt, à quelques jours de son mariage. Cette déléguée médicale de Brest après ce choc, a cependant réussi à se reconstruire et le bonheur lui a à nouveau souri. Mais se pouvait-il que la vie lui impose deux fois le même calvaire ? De mystérieuses roses de Jéricho sont déposées sur son passage tandis qu'elle souffre de la disparition inexplicable de son fiancé. Qui donc la suit sans relâche et tente

de lui faire passer un message ? Ce qui est mort est vivant et ce qui est vivant est mort. Est-ce le sens du message de cette plante hautement symbolique ? Que vient faire cette étrangère dans le quotidien bouleversé d'Avril qui doit, de plus, soutenir sa sœur Violette dont le couple périclité ? Alors que disparition passée et présente semblent étroitement imbriquées, saura-t-elle se garder des dangers qui jalonnent les chemins du bois de Kéroual ? Un roman policier riche en suspense dans lequel l'auteur distille adroitement énigmes et indices. EXTRAIT Le fauteuil à bascule produisait un léger bruit en se balançant. Tassée dans un rocking-chair usagé, la femme aux yeux morts fixait le même point. Ses cheveux gris pendaient sur ses épaules décharnées et ses mains déformées, aux ongles longs, semblables à des serres d'oiseau, donnaient une note pathétique à l'ensemble. Le mouvement sans fin, identique au balancement psychotique des aliénés, la berçait et calmait ses angoisses. Ses yeux semblaient suivre le trajet

13e Lune à Concarneau - Martine Le Pensec 2017-07-26

La lune frappera treize fois à Concarneau... Nina veut croire en la vie malgré un récent accident qui l'a plongée dans la cécité et a fragilisé sa mémoire. Confrontée à ce changement de situation brutal, la jeune parfumeuse se retrouve de plus, malgré elle, au cœur d'une galaxie mortelle où la lune se taillera la part belle. Cette année de treize lunes va, en effet, semer la mort sur Concarneau et Cap-Coz. Disparitions et morts se succèdent ; tous ces événements semblent être liés. Victoire Leroy, détective brestoise, aidée de son associé, Samuel Guern, aura fort à faire pour découvrir qui se cache derrière des nombres symboliques et des citations bibliques qui annoncent une lune sanglante... La vie de Nina est donc en jeu et le temps compté... entre deux lunes. La détective remportera-t-elle la victoire sur la lune ?

Réponse dans ce polar haletant ! EXTRAIT Le soleil déclinait et leur cri aigre, ajouté à la fraîcheur qui tombait, fit frissonner la jeune femme. Elle jeta un dernier regard à l'anse de Penfoulc qui constituait, grâce à sa vasière, le domaine privilégié de nombreux oiseaux. Le soleil oblique jetait ses derniers feux. Un éclat lumineux attira son regard. Quelque chose brillait à quelques mètres du bord et renvoyait l'éclat du soleil. Vic s'arrêta et mit ses mains en visière pour distinguer quelque chose parmi les carcasses délabrées des bateaux au rebut. Cimetière marin. Quelques vénérables coques pourrissaient lentement dans l'eau saumâtre de la vasière. Le soleil baissa un peu plus et l'éclat brilla de mille feux, intriguant Victoire. Il n'y avait là aucune partie métallique suffisamment brillante pour renvoyer la lumière. Ses yeux, habitués à scruter, distinguèrent soudain une forme incongrue. *The Yellow Dog* - Georges Simenon 2014-03-06

The fifth book in the new Penguin Maigret series: Georges Simenon's gripping tale of small town suspicion and revenge, in Linda Asher's timeless translation. There was an exaggerated humility about her. Her cowed eyes, her way of gliding noiselessly about without bumping into things, of quivering nervously at the slightest word, were the very image of a scullery maid accustomed to hardship. And yet he sensed, beneath that image, glints of pride held firmly in check. She was anaemic. Her flat chest was not

formed to rouse desire. Nevertheless, she was strangely appealing, perhaps because she seemed troubled, despondent, sickly. In the windswept seaside town of Concarneau, a local wine merchant is shot. In fact, someone is out to kill all the influential men and the entire town is soon sent into a state of panic. For Maigret, the answers lie with the pale, downtrodden waitress Emma, and a strange yellow dog lurking in the shadows... Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in a previous translation as *A Face for a Clue*. 'Compelling, remorseless, brilliant' John Gray 'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories' Guardian 'A supreme writer . . . unforgettable vividness' Independent
