Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

Recuerdos de viaje - Rocío Plaza Orellana 2012

La historia de estos pequeños objetos arranca en la segunda mitad del siglo XVIII ligada a la progresiva

llegada de viajeros de diversos puntos de Europa que buscaban en Andalucía su particular Oriente y llega hasta la actualidad con los souvenirs convertidos en objetos producidos en serie en terceros países. La autora ofrece un recorrido por la evolución del souvenir y, sobre todo, de quiénes los compraban y los producían, al entender que cada uno de ellos es el resultado de una interesante encrucijada entre cultura, industria e identidad. El hilo conductor del libro es analizar cómo ha sido posible que la imagen de Andalucía inventada por los viajeros románticos - materializada en esos pequeños y evocadores recuerdos - haya permanecido nítida hasta hoy llegando incluso a forjar una parte nada desdeñable del imaginario colectivo e identitario común a todos los andaluces.

The Sheik (1919) by - Edith Maude Hull 2018-01-05

The Sheik is a 1919 novel by Edith Maude Hull, an English novelist of the early twentieth century. It was the first of a series of novels she wrote with desert settings that set off a major revival of the "desert romance" genre of romantic fiction. It was a huge best-seller and the most popular of her books, and it served as the basis for the film of the same name starring Rudolph Valentino in the title role. The novel opens in a hotel in the Algerian city of Biskra. A dance is being held, hosted by a young woman named Diana Mayo and her brother, Sir Aubrey Mayo. It transpires that Diana is planning to leave on a month-long trip into the desert, taking no one with her but an Arab guide. Nobody thinks this is a sensible idea, and Lady Conway--a real person who appears in the book as a minor character--disapprovingly attributes Diana's adventurous plan to her "scandalous" upbringing. Diana's mother had died giving birth to her and her father had killed himself from grief, with the result that Diana grew up tomboyish, with a freedom that at the time was normally only allowed to boys. Before Diana leaves on her journey, her independent character is further established when she refuses a proposal of marriage, explaining that she doesn't know what love is and doesn't want to know. Once she begins travelling in the desert, it is not long before she is kidnapped by the eponymous Sheik, Ahmed Ben Hassan. It turns out her guide had been bribed. Ahmed takes Diana to his tent and rapes her, an event that happens off stage, between the second and third chapters. Diana spends a few months as Ahmed's captive, being raped regularly and brooding on her hatred for him and her self-loathing. Eventually, she is allowed increasing liberty and starts going riding with Ahmed's valet, Gaston. One day, she manages to escape Gaston on one of these rides and gallops away. She is quickly recaptured by Ahmed, however, and as they are riding back to camp, she is overcome by the sudden realisation that she is in love with him. She knows she can say nothing of this, as Ahmed--who claims to find love dull--will send her away if he learns of her love.

In Cold Blood - Truman Capote 2013-02-19

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Lugubrious Nights - José Cadalso 2008

Lugubrious Nights follows the protagonist Tediato on his nightly visits to the temple where his beloved is interred. His ultimate intention is to disinter her body and kill himself in her presence. Tediato is a religious skeptic whose grief is cosmic, and he sees no reason not to join his beloved in death, torn as he is between the emptiness of his soul and the emptiness of the world. Hispanist Russell P. Sebold offers the first English translation of the eighteenth-century Spanish lyrical poem in prose by José de Cadalso (1741-1782).

Inspired by his grief over the death of the actress María Ignacia Ibáñez, Cadalso composed *Lugubrious Nights* in 1771. Sebold considers it to be the first fully Romantic work of continental European literature, written three years before the publication of Goethe's *Werther*.

In her first-person solo narration, Laura rattles on and on about her disbelief and horror at the evils all around her—but who's that in the mirror? Laura Rivera can't believe what has happened. Her best friend has been killed in cold blood in the living room of her home, in front of her two young daughters! Nobody knows who pulled the trigger, but Laura will not rest easy until she finds out. Her dizzying, delirious, hilarious, and blood-curdling one-sided dialogue carries the reader on a rough and tumble ride through the social, political, economic, and sexual chaos of post-civil war San Salvador. A detective story of pulse-quickening suspense, *The She-Devil in the Mirror* is also a sober reminder that justice and truth are more often than not illusive. Castellanos Moya's relentless, obsessive narrator—female, rich, paranoid, wonderfully perceptive, and, in the end, fabulously unreliable—paints with frivolous profundity a society in a state of collapse. Castellanos Moya's *Senselessness* was acclaimed "an innovative and invigoratingly twisted piece of art" (*Village Voice*) and "a brilliantly crafted moral fable, as if Kafka had gone to Latin America for his source materials" (Russell Banks).
