Sewing Machine Basics - Jane Bolsover 2010-10-14

In the climate of "make do and mend," sales of sewing machines have soared, but many are only accompanied by a difficult-to-understand technical manual. Here, Jane Bolsover provides a comprehensive guide for beginners. Starting with an essential overview of the sewing machine, learn how to thread it and wind bobbins, why tension is important, and which needles to choose. There's information on the basic sewing kit you will need, plus advice on which fabrics to choose and how to cut out. The chapters then build into a complete sewing course, and at the end of each chapter is a simple project to consolidate the skills you have just mastered. The projects include items for the home, including a cushion cover and a lampshade, stylish accessories, such as bags and scarves, plus great clothing basics, such as an A-line skirt and a simple shift dress. Also included at the back of the book are two full-size pull-out paper pattern sections.

Do They Hear You When You Cry - Fauziya Kassindja 1999-01-12

For Fauziya Kassindja, an idyllic childhood in Togo, West Africa, sheltered from the tribal practices of polygamy and genital mutilation, ended with her beloved father's sudden death. Forced into an arranged marriage at age seventeen, Fauziya was told to prepare for kakia, the ritual also known as female genital mutilation. It is a ritual no woman can refuse. But Fauziya dared to try. This is her story--told in her own words--of fleeing Africa just hours before the ritual kakia was to take place, of seeking asylum in America only to be locked up in U.S. prisons, and of meeting Layli Miller Bashir, a law student who became Fauziya's friend and advocate during her horrifying sixteen months behind bars. Layli enlisted help from Karen Musalo, an expert in refugee law and acting director of the American University International Human Rights Clinic. In addition to devoting her own considerable efforts to the case, Musalo assembled a team to fight with her on Fauziya's behalf. Ultimately, in a landmark decision in immigration history, Fauziya Kassindja was granted asylum on June 13, 1996. Do They Hear You When You Cry is her unforgettable chronicle of triumph.

The Red Pony - John Steinbeck 1994-10-01

A Penguin Classic Written at a time of profound anxiety caused by the illness of his mother, Nobel Prize winner John Steinbeck draws on his memories of childhood in these stories about a boy who embodies both the rebellious spirit and the contradictory desire for acceptance of early adolescence. Unlike most coming-of-age stories, the cycle does not end with a hero "matured" by circumstances. As John Seelye writes in his introduction, reversing common interpretations, The Red Pony is imbued with a sense of loss. Jody's encounters with birth and death express a common theme in Steinbeck's fiction: They are parts of the ongoing process of life, "resolving" nothing. The Red Pony was central not only to Steinbeck's emergence as a major American novelist but to the shaping of a distinctly mid twentieth-century genre, opening up a new range of possibilities about the fictional presence of a child's world. This edition contains an introduction by John Seelye. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Shamed - Sarbjit Kaur Athwal 2013-06-20

In 1998, Sarbjit Athwal was called by her husband to attend a family meeting. It looked like just another family gathering. An attractive house in west London, a large dining room, two brothers, their mother, one wife. But the subject they were discussing was anything but ordinary. At the head of the group sat the elderly mother. She stared proudly around, smiling at her children, then raised her hand for silence. 'It's decided then,' the old lady announced. 'We have to get rid of her.' 'Her' was Surjit Athwal, Sarbjit's sister-in-law. Within three weeks of that meeting, Surjit was dead: lured from London to India, drugged, strangled, and her body dumped in the Ravi River, never to be seen again. After the killing, risking her own life, Sarbjit fought secretly for justice for nine long, scared years. Eventually, with immense bravery, she became the first person within a murderer's family ever to go into open court in an honour killing trial as the Prosecution's key witness, and the first to waive her anonymity in such a trial. As a result of her testimony, the trial led to the first successful prosecution of an honour killing without the body ever being found. But her story doesn't end there. Since the trial, her life has been threatened; her own husband arrested after an allegation of intimidation. Shamed is a story of fear and of horror - but also of immense courage, and a woman who risked everything to see that justice was done.
