[The Heavenly Life](#) - James Allen 2019-03-27

As always, his advice is both spiritual and practical. His words are as valuable today as when they were first written, and provide a welcome balm to uneasy souls in an uncertain world. The secret of life, of abundant life, with its strength, its felicity, and its unbroken peace is to find the Divine Centre within oneself, and to live in and from that, instead of in that outer

circumference of disturbances—the clamours, cravings, and argumentation which make up the animal and intellectual man. These selfish elements constitute the mere husks of life, and must be thrown away by him who would penetrate to the Central Heart of things—to Life itself.

faith is not for a chosen few, but for every believer who dares to call Jesus Christ Lord.

**Heavenly Man** - Paul Hattaway 2006

The Heavenly Man has been a publishing phenomenon. At least 350,000 have been sold in the Monarch edition alone. We are still printing in three locations worldwide to keep up with demand. At least 200,000 in Korean. 30 other languages to date. The book has provoked furious debate. To reach a different audience we have commissioned a graphic version from the same studio as produced "The Lion Graphic Bible". Artwork is being drawn and inked by Chinese illustrators to keep the idiom authentic. The book will be published in black and white as this was felt to be more in keeping with subject and likely market. We have opted for the same

format as "The Lion Graphic Bible".

*The Heavenly Man* - Paul Hattaway 2015-06-01

This intensely dramatic autobiography bears witness to the account of how God took a young half-starved boy and enabled him to stand strong for Jesus, braving horrific opposition and impossible odds. For more than thirty years, Liu Zhenying, also known as Brother Yun, has been committed to bringing the gospel of Christ to all of China. Hunted, imprisoned, beaten, tortured, and separated from his wife and children, Brother Yun shares his story of incredible pain and suffering--and of powerful miracles and great joy. Featuring eyewitness accounts of prison escapes and healings, his words focus on the character and beauty of Jesus and challenge any reports that religious persecution is not still a daily reality for millions. Includes photos and reflections from his wife, Deling. A life-changing true story of faith on the frontlines!

**The Foundations of New Testament Christology** - R. H. Fuller 2022-07-28

One of the key tasks of New Testament study is to construct a correct doctrine of the person of Jesus Christ, which is central to the Christian faith. In *The Foundations of New Testament*

*Christology*, R.H. Fuller fulfils this task through a close examination of the first-century texts in both their Palestinian and Hellenistic contexts. An exponent of the neo-orthodox position that dominated post-war scholarship in the field, central to Fuller's argument is the 'tradition-historical' approach to New Testament criticism. As Fuller sees it, 'the Church's Christology was a response to its total encounter with Jesus, not only in his earthly history but also in the Church's continuing life'. By emphasising the continuity between the historical Jesus and the witness and message of the early post-resurrection church, he offers a comprehensive and thorough survey of this most important facet of exegesis.

**Tree of Souls** - Howard Schwartz 2004-11-01  
The first anthology of Jewish mythology in English, Tree of Souls reveals a mythical tradition as rich and as fascinating as any in the world. Drawing from the Bible, the Pseudepigrapha, the Talmud and Midrash, the

kabbalistic literature, medieval folklore, Hasidic texts, and oral lore collected in the modern era, Schwartz has gathered together nearly 700 of the key Jewish myths. The myths themselves are marvelous. We read of Adams diamond and the Land of Eretz (where it is always dark), the fall of Lucifer and the quarrel of the sun and the moon, the Treasury of Souls and the Divine Chariot. We discover new tales about the great figures of the Hebrew Bible, from Adam to Moses; stories about God's Bride, the Shekhinah, and the evil temptress, Lilith; plus many tales about angels and demons, spirits and vampires, giant beasts and the Golem. Equally important, Schwartz provides a wealth of additional information. For each myth, he includes extensive commentary, revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature (for instance, comparing Eves release of evil into the world with Pandoras). For ease of use, Schwartz divides the volume into ten books, Myths of God,

Myths of Creation, Myths of Heaven, Myths of Hell, Myths of the Holy Word, Myths of the Holy Time, Myths of the Holy People, Myths of the Holy Land, Myths of Exile, and Myths of the Messiah.

**One Man One Woman** - Craig Stellpflug

2017-06-20

One Man One Woman takes an in-depth look at the marriage relationship of one man and one woman and how it reflects the beauty of Christ's relationship with his church. One Man One Woman is a book about what was in God's mind as he made the first man and the first woman and subsequently, how we can discover the closest relationship possible with both God and spouse. In this book, we explore how pornography, adultery, homosexuality, and judging one another breaks the oneness relationship and distracts us from focusing on what we should be focusing on—that is, spreading the Gospel and calling others to repentance and a turning away from sin. One Man One Woman

is also about learning how to handle some of the many relationship challenges we face as imperfect beings living in an ever-corrupting world. While Christianity seemingly slumbers on, sexual identity is becoming a matter of subjective preference and choice rather than birthright and blessing. Traditional marriage is ever weakening under fire and conventional sex is taking a back seat to alternative sexual exploration. Consequently, divorce rates are accelerating, and Christian marriage values are succumbing into a minority view. But God had a plan in the beginning, and marriage was and still is an integral part of that plan. In the Gospel of John, Jesus uses an Eastern wedding custom when announcing he was leaving to prepare a place for you, thus signaling the beginning of the end, the impending wedding ceremony, and the imminent start of eternity with him. People, get ready! Jesus is returning soon!

## **Judaism and the Early Christian Mind -**

Robert L. Wilken 2004-09-30

Unlike most studies of the thought of the early Church, which have concentrated on the Christian encounter with Hellenism, this investigation of the writings of Cyril of Alexandria reveals the crucial influence of the polemical conflicts with Judaism voiced by the early fathers. After tracing the relationships between Christians and Jews during the first four centuries A.D., Mr. Wilken demonstrates how Cyril's exegetical writings - two-thirds of the extant corpus - grew directly out of his polemical positions. He then discusses the influence of such thinking on Cyril's christology and on his controversy with Nestorius, the bishop of Constantinople during the early fifth century. His concluding analysis of the larger problem of Christian attitudes toward the Jews concentrates on the difficulties raised by the Christians' inability to understand Judaism as anything other than an inferior foreshadowing of

Christianity.

*Heavenly Man* - Bruder Yun 2012-06-22

Von der Polizei nach Namen und Wohnort gefragt, will er beides nicht preisgeben, um die Christen in seiner Hauskirche und in seinem Heimatland China nicht zu gefährden. Er antwortet: "Ich bin ein Mann des Himmels. Ich wohne im Evangeliumsdorf." So kommt Bruder Yun zu seinem Spitznamen "Heavenly Man". Ein Leben wie im Abenteuerroman. Oder besser: wie eine neue Version der Apostelgeschichte. Mit 16 zum Glauben gekommen. Erhält von Gott Aufträge, auch in Träumen und Visionen. Mehrfach verhaftet, aber auf wundersame Weise entkommen. Schließlich doch Gefängnis und schwerste Folterungen. Durch Gottes Gnade standhaft geblieben. Er bleibt ein Zeuge Gottes. Durch ihn und zahllose andere Christen breitet sich das Evangelium in China wie in riesigen Wellen aus. Mit seinem Buch will er Gottes Taten bezeugen und die Christen im Westen aufrütteln. Damit in ihnen die Liebe zu Gott und

den Menschen wieder stark wird.

Detectives Bryce and Bruno would attempt to chase down the man they suspected in the disappearances of nine elderly people across seven states and five decades. Who was the phantom, the ghost, or the devil that they were chasing? Only death would answer their question.

**Bootlegger's Son** - E. G. "Leo" Koury  
2016-05-15

Leo Koury was at the proverbial crossroads of life. He was in his early 50's and realized that everything he had worked for, including a burgeoning law practice, influence in regional and national politics, and a strong reputation as a man who could get things done, no longer held the same significance it once did. Everything changed when he was compelled to attend the 1994 Billy Graham Crusade in Cleveland. With salvation came clarity, and Koury's life suddenly had perspective. He embarked on a new journey from success to significance and realized the root of his dissatisfaction traced back to the relationship with his father, Fred Koury. In *Bootlegger's Son: One Man's Journey from His Earthly Father to His Heavenly Father*, Koury shares stories about his amazing journey. He chronicles the often-tenuous relationship with his father, his tumultuous youth, the challenges overcome in building a successful law practice,

and his roller-coaster ride in politics that culminated with delivering Lorain County, Ohio, for Jimmy Carter's presidency. More importantly, Koury pulls back the curtain and explores his personal struggles with coming to Christianity and accepting salvation. He talks about humility and the decades he spent fighting against the pull of his old, survival-of-the-fittest ways that were a result of his domineering father, a one-time bootlegger and tavern owner. Although Koury's story is one man's personal testimonial, it is a tale that others can relate to, as his life lessons provide enlightenment to how one's relationship with the Heavenly Father can help create a greater appreciation and understanding of his or her earthly father.

**Mysterion Seeking Understanding** - Ian S. Markham 2022-10-21

The common misconception is that first came the church and then came the sacraments. The reality is that first came God's grace and then came the church and then the church found visible ways to see the invisible grace God bestows. The resulting perspective shift puts Christ where Paul would have us put him, as the head of the church and author of our salvation.

This book invites us to see and write about the sacraments not as mere band aids to the problems we face but as lenses for examining our church. Some of the authors delve deep into intellectual conceptions while others make plain what has always seemed so extravagant. The thread they all hold onto however is the desire to help the reader see sacramentality as something wonderful rather than archaic; and to find deep value for sacramentality and the visible signs of God's invisible grace.

- R. G. Hamerton-Kelly 2005-01-27

**Christian Martyrdom** - Edward L. Smither  
2020-02-27

Twenty-first-century Christians in the West crave comfort, affluence, freedom from pain, and even power. However, the story of global Christianity--from Christ, the early church, right

up to the present day--has been shaped by suffering and even martyrdom. In this short book Edward Smither explores martyrdom both biblically and historically. He defends three claims: in martyrdom we verbally bear witness to Christ, we raise a prophetic voice, and we worship. Christians today, argues Smither, especially those in the West, should welcome suffering and martyrdom as a normal part of the Christian life.

Celestial Bodies - Jokha Alharthi 2019-10-08

This winner of the 2019 Man Booker International Prize and national bestseller is "an innovative reimagining of the family saga . . . Celestial Bodies is itself a treasure house: an intricately calibrated chaos of familial orbits and

conjunctions, of the gravitational pull of secrets" (The New York Times Book Review). In the village of al-Awafi in Oman, we encounter three sisters: Mayya, who marries after a heartbreak; Asma, who marries from a sense of duty; and Khawla, who chooses to refuse all offers and await a reunion with the man she loves, who has emigrated to Canada. These three women and their families, their losses and loves, unspool beautifully against a backdrop of a rapidly changing Oman, a country evolving from a traditional, slave-owning society into its complex present. Through the sisters, we glimpse a society in all its degrees, from the very poorest of the local slave families to those making money through the advent of new wealth. The first novel originally written in Arabic to ever win the Man Booker International Prize, and the first book by a female Omani author to be translated into English, *Celestial Bodies* marks the arrival in the United States of a major international writer.
