Even More Mock Tracers - 2012

Tracer methodology is the cornerstone of The Joint Commission on-site accreditation survey

process. So what's the best way for health care professionals to learn about tracers? Practice. Even More Mock Tracers will help health care organizations use mock (practice) tracers to identify unrecognized compliance and patient safety issues and implement changes as part of an ongoing improvement process--before a survey takes place. This easy-to-follow practical tool offers a wealth of sample tracers, called scenarios. These address issues in all domestic and international program settings: hospital and critical access hospital, ambulatory care and office-based surgery, behavioral health care, home care, and long term care, and laboratory. An additional section contains scenarios focusing on the environment of care. Not only will the workbook help familiarize staff with all aspects of tracers, it will also serve as a resource and training tool for conducting mock tracers in any health care organization. Special Features: A 10-step tutorial on how to conduct mock tracers Sample tracer questions keyed to the

tracer scenarios Worksheet template to help users develop their own mock tracers Examples of completed mock tracer worksheets
