The World Crisis, 1911-1918 - Winston Churchill 2007

Winston Churchill's superlative account of the prelude to and events of the First World War is a defining work of twentieth-century history. With personal insights, this book serves as a testament to the author's role in the Great War's conduct and outcome and demonstrates his brilliance as a historian.

The River War - Winston Churchill 2013-01-24

Retelling in military detail of the operations directed by Lord Kitchener of Khartoum on the

Upper Nile from April 1896 to November 1899.

The Wicked Wit of Winston Churchill - Dominique Enright 2011-06-09

Sir Winston Churchill remains a British hero, lauded for his oratorical skill. He wrote histories, biographies, memoirs, and even a novel, while his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure, however, was a man of vast

humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman. Also available in the series are collections from Shakespeare, *To Be or Not To Be*, and Oscar Wilde, *I Can Resist Everything Except Temptation*.

*Winston Churchill* - Matt Clarke 2021-07-02

WINSTON CHURCHILL Sir Winston Leonard Spencer Churchill was born on November 30, 1874 and passed away on January 24, 1965. He lived a variegated and full life and is remembered as one of the most remarkable men in history. From his invaluable leadership during World War II, to his many contributions to British law, his accomplishments are many. A successful writer, war veteran, and multiple time leader of

Great Britain, the impact of Winston Churchill is still felt strongly today. This book aims to serve as a biography of this incredible man, detailing the most important moments in his childhood, military career, family life, political career, retirement, and more.

**Winston Churchill** - John Keegan 2007-10-30

One of the greatest historians writing today gives us a defining portrait of the incomparable Winston Churchill In his landmark biography of Winston Churchill, acclaimed historian John Keegan offers a very human portrait of one of the twentieth century's enduring symbols of heroic defiance. From Churchill's youth as a poor student to his leadership during World War II, Keegan reveals a man whose own idea of an English past—eloquently embodied in his speeches—allowed him to exhort a nation to unprecedented levels of sacrifice. The result is a uniquely discerning look at one of the most fascinating

personalities in history. "The best military historian of our generation." -Tom Clancy  
*Marlborough* - Winston S. Churchill 2002-11

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesman in the history of England. His descendant, Sir Winston Churchill wrote this work as both an act of homage, and as an historical insight into the man behind the statesman.

*Winston Churchill - The Photobiography* - Michael Patterson 2006-04

A stunning collection of more than two hundred rare and previously unpublished photographs of Winston Churchill reveals the many aspects of his life as a military leader, author, politician, and artist, documenting the intimate, private, and public moments in the life of one of the most important figures of the twentieth century.

**The Irrepressible Churchill** - Winston Churchill 1985

**Never Give In!** - Winston

Churchill 2013-12-12

A great statesman, a masterful historian whose writings won him the Nobel Prize for a literature and a war-time leader with few peers, Sir Winston Churchill is

remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. Never Give In!

celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career.

Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume *Never Give In!* provides a powerful testimony to one of the great public figures of the Twentieth Century.

**My Early Life** - Winston

Churchill 1996-06-06

Here, in his own words, are the fascinating first thirty years in the life of one of the most provocative and compelling leaders of the twentieth century: Winston Churchill. As a visionary, statesman, and historian, and the most eloquent spokesman against Nazi Germany, Winston Churchill was one of the greatest figures of the twentieth century. In this autobiography, Churchill recalls his childhood, his schooling, his years as a war correspondent in South Africa during the Boer War, and his first forays into politics as a member of Parliament. My Early Life not only gives readers insights into the shaping of a great leader but, as Churchill himself wrote, "a picture of a vanished age." To fully understand Winston Churchill and his times, My Early Life is essential reading.

**Winston Churchill** - Richard Toye 2017-01-12

Winston Churchill is a renowned historical figure, whose remarkable political and

military career continues to enthrall. This book consists of short, highly readable chapters on key aspects of Churchill's career. Written by leading experts, the chapters draw on documents from Churchill's extensive personal papers as well as cutting-edge scholarship. Ranging from Churchill's youthful statesmanship to the period of the Cold War, the volume considers his military strategy during both World Wars as well as dealing with the social, political and economic issues that helped define the Churchillian era. Suitable for those coming to Churchill for the first time, as well as providing new insights for those already familiar with his life, this is a sparkling collection of essays that provides an enlightening history of Churchill and his era.

**Winston Churchill** - Stuart Ball 2003

Winston Churchill's key role in the outcome of the Second World War brought him international renown and made him the most significant figure

in twentieth-century British politics. Against this background, the author, a leading historian of modern British politics, discusses the ups and downs of Churchill's career.

**While England Slept by Winston Churchill** - Winston S. Churchill 2016-12-08

In June 1938, Winston Churchill published this book under the title "Arms and the Covenant." It was then published in the US in September 1938 as *While England Slept; a Survey of World Affairs, 1932-1938*. It highlighted the United Kingdom's lack of military preparation to face the threat of Nazi Germany's expansion.

**Churchill Style** - Barry Singer 2012-05-01

A look at the towering twentieth-century leader and his lifestyle that goes beyond the political and into the personal. Countless books have examined the public accomplishments of the man who led Britain in a desperate fight against the Nazis with a ferocity and focus that earned

him the nickname "the British Bulldog." *Churchill Style* takes a different kind of look at this historic icon—delving into the way he lived and the things he loved, from books to automobiles, as well as how he dressed, dined, and drank in his daily life. With numerous photographs, this unique volume explores Churchill's interests, hobbies, and vices—from his maddening oversight of the renovation of his country house, Chartwell, and the unusual styles of clothing he preferred, to the seemingly endless flow of cognac and champagne he demanded and his ability to enjoy any cigar, from the cheapest stogies to the most pristine Cubans. Churchill always knew how to live well, truly combining substance with style, and now you can get to know the man behind the legend—from the top of his Homburg hat to the bottom of his velvet slippers. "All readers will appreciate Singer's highly intelligent observations about how Churchill's style contributed to, and was

ultimately an integral part of his brilliant career.”

—Gentleman’s Gazette

Winston Churchill - Henry Pelling 1974

In this biography of Churchill from birth to death the author considers the soldier and foreign correspondent in India, the Sudan and South Africa, the brilliant young politician of the pre-1914 era who acted as a daring initiator of the Gallipoli and Antwerp campaigns at the start of World War I, his chequered career in the 1920s and his wilderness years in the 1930s and his years as Prime Minister. His subsequent career, in opposition and as Prime Minister for the second time, is surveyed. The author examines the private man, the journalist, historian, painter and family man. The author has written many books including "The Origins of the Labour Party", "The Challenge of Socialism", "Labour and Politics", "Modern Britain", "Britain and the Second World War" and "The Labour Governments".  
The Wicked Wit of Winston

Churchill - Winston Churchill 2001-08-31

This enchanting collection brings together hundreds of Winston Churchill's wittiest remarks, as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman.

Churchill by Himself - Winston Churchill 2008

Churchill (1874-1965) was one of the 20th century's most charismatic and controversial figures. He escaped from capture as a prisoner of war in the Boer War, was a Nobel Prize-winning author and twice prime minister. He is best remembered as the astute and powerful orator who inspired a battered Britain to victory and led the post-war, shattered nation to recovery. Richard Langworth, co-chairman and editor of The Churchill Centre, has spent over 20 years researching Churchill's written and spoken words. In Churchill by Himself, which is fully authorised by the Churchill Estate, Langworth has edited and annotated this library to make the definitive collection

of Churchill's words, thematically arranged. He also highlights the myriad quotations commonly mis-attributed to Churchill. From his meetings with world leaders such as Roosevelt, de Gaulle and Stalin, his verbal engagements with Hitler and the Third Reich, to his wit and oratory on the floor of the Commons, every facet of Churchill's life and times is explored with his own pragmatic intelligence, sharp humour and legendary wisdom.

Winston Churchill - Hourly History 2017-05-03

Winston Churchill The man that the world knows as Winston Churchill looms large on the stage of world history. Like some sort of colossus from antiquity, Churchill strides between two major epochs in the world, one foot planted in the glory days of the British Empire when the sun never set on history's largest known conglomeration of imperial holdings and the other planted firmly in the aftermath of World War Two, and a post-war order that saw that empire

collapse, with Britain barely hanging on to its own sovereignty in the wake. Inside you will read about... □ Love and War □ Courting the Americans □ The Allies Show their Teeth □ Preparing for the Post-war World □ Wrestling the Reins of Power □ Churchill's Hiatus □ The End of an Empire And much more!With the Iron Curtain descending over Europe, Churchill was the first to raise the alarm bell that signaled the start of the Cold War. Churchill was a master at the helm, navigating his country and to a much larger extent the world through some of its darkest hours, even while he battled some of his own personal demons of depression and doubt. Follow along as Churchill guides us through uncharted and uncertain waters through the sheer power of his own pugnacious pizzazz.

Winston Churchill Reporting - Simon Read 2015-10-13

Combat, cigars, and whiskeyÑfrom the jungles of Cuba and the mountains of the Northwest Frontier, to the

banks of the Nile and the plains of South Africa, comes this action-packed tale of Winston Churchill's adventures as a war correspondent in the Age of Empire.

Never Give In! - Winston S. Churchill 2003-10-29

Winston Churchill was the most eloquent and expressive statesman of his time. It was as an orator that Churchill became most completely alive, and it was through his oratory that his words made their greatest and most enduring impact. While the definitive collection of Churchill's speeches fills eight volumes, here for the first time, his grandson, Winston S. Churchill, has put together a personal selection of his favorite speeches in a single, indispensable volume. He has chosen from his grandfather's entire output and thoughtfully introduces each selection. The book covers the whole of Churchill's life, from the very first speech he made to those of his last days. It includes some of Churchill's best-known speeches as well as some that

have never before been published in popular form. Today, Sir Winston Churchill is revered as an indomitable figure and his wisdom is called upon again and again. Reading these speeches, from the perspective of a new century, we can once again see Sir Winston Churchill's genius and be moved and inspired by his words.

*The Quotable Winston Churchill* - Running Press  
2013-03-26

This tiny tome featuring a faux leather binding with embossed type and illustration is filled with Winston Churchill's biography, his most inspirational quotes, and excerpts from some of his most famous speeches.

*The Private Lives of Winston Churchill* - John Pearson  
2011-12-01

From the author of *All the Money in the World*, now a major motion picture directed by Ridley Scott, comes an extraordinary biography of Winston Churchill, a lion of a man who helped shape the course of this century with his

relentless ambition and fierce political instincts. Few have matched Winston Churchill's cunning or force of will. Few have seen the equal of his audacity on the battlefield or the determination with which he strove toward his own ideal of greatness. At the height of his power, he seemed to embody the ideals of the empire he helped sustain: valor, pride, and above all, tradition. His sense of personal destiny was rooted deeply in the legacy of his birth-right, the heritage of his family, and the awesome responsibility of being born Churchill. In *The Private Lives of Winston Churchill*, first published in 1991, John Pearson takes us behind the myth of Churchill and deep into the psychology of a dynasty that some have called the most complicated Anglo-American family of this century. In doing so, he reveals, in rich portraits, some of the family's greatest, most charismatic, and most deeply troubled members and shows us the real, private Winston Churchill.

### Speaking for Themselves - Winston Churchill 1998

This a collection of the correspondence between Sir Winston and Lady Clementine Churchill from their courtship in 1908 to Winston Churchill's death in 1965. The letters serve both as a chronicle of their personal achievements and tragedies over the years and as a political and social history.

### Winston Churchill - History Episode 2021-11-28

Winston Churchill - A Fascinating Biography of a British Prime Minister That Led Britain Through World War II Winston Churchill was a man who held a powerful, consistent display of influence in the written word, artistry and important orations in his time. His world-renowned status was a result of his various public roles, military know-how and political prowess. All of it created a lengthy term of service to the British Crown and a role as an unwavering strategist and leader against the Nazis during World War II. The biographical account you

are about to read will not only provide a reminder of what he did in his short life, but will underscore the power of the pen, an independent voice, a strategic mind, a creative rebellious nature, and personal ingenuity...before his world-wide impact took full root. Winston Leonard Spencer-Churchill was born on November 30, 1874. The aristocratic life he was born into had him displaying the characteristics of his father, Lord Randolph Churchill, a statesman of Britain, and of his mother, Jeannie Jerome, a New York born cosmopolitan. Churchill grew up in Dublin, Ireland while his father was employed at the time by his grandfather, John Spencer-Churchill, the 7th Duke of Marlborough. During the late 1800's, televisions, radios, computers or electronics did not exist. Hardly enjoying any contact with his own father, Winston grew up with various toys and creative "play" to keep busy. Upon being more active his mother hired in... To be continued... Here is a

*Memoirs of the Second World War* - Winston Churchill 1990  
Surveys the war and its politics  
*Young Titan* - Michael Shelden 2014-03-25

An account of the World War II Prime Minister's early career includes coverage of his contributions to building a modern navy, his experimentations with radical social reforms and his lesser-known romantic pursuits. By the author of the Pulitzer Prize finalist, Orwell.

*Winston Churchill* - John Keegan 2007-10-30

One of the greatest historians writing today gives us a defining portrait of the incomparable Winston Churchill In his landmark biography of Winston Churchill, acclaimed historian John Keegan offers a very human portrait of one of the twentieth century's enduring symbols of heroic defiance.

From Churchill's youth as a poor student to his leadership during World War II, Keegan reveals a man whose own idea of an English past—eloquently embodied in his speeches—allowed him to exhort a nation to unprecedented levels of sacrifice. The result is a uniquely discerning look at one of the most fascinating personalities in history. “The best military historian of our generation.” -Tom Clancy *Who Was Winston Churchill?* - Ellen Labrecque 2015-04-21 Born into aristocracy, Churchill cut his teeth as a young army officer in British India, the Sudan, and the Second Boer War. He rose in the ranks to First Lord of the Admiralty and was a staunch opponent of the encroaching German Nazis. Churchill served as Prime Minister of the United Kingdom from 1940 to 1945 and again from 1951 to 1955. Widely regarded as one of the greatest wartime leaders of the 20th century, Churchill was also a historian, a writer, and an artist. He is the only British

Prime Minister to have won the Nobel Prize in Literature, and was the first person to be made an honorary citizen of the United States.

*The Definitive Wit of Winston Churchill* - Tim Wendel  
2010-10

Charismatic, erudite, and often controversial, Winston Churchill was one of the most inspiring leaders of the twentieth century, and one of its greatest wits. His much-celebrated sense of fun and mischief has led to many of his jokes and ripostes becoming almost as well known as his famous wartime speeches. Gloriously comprehensive, *The Definitive Wit of Winston Churchill* includes all Churchill's most famous quips and witticisms, and even an appendix of quotes falsely attributed to Churchill. The only book of its kind to be sanctioned by the Churchill estate and to track down each quotation to its source, it captures the great statesman at his most eloquent, witty, and engaging and makes a great gift for the holidays and special

occasions year-round.

Clementine - Sonia Purnell

2016-10-25

"Engrossing...the first formal biography of a woman who has heretofore been relegated to the sidelines."-The New York Times From the author of the New York Times bestseller *A Woman of No Importance*, a long overdue tribute to the extraordinary woman who was Winston Churchill's closest confidante, fiercest critic and shrewdest advisor that captures the intimate dynamic of one of history's most fateful marriages. Late in life, Winston Churchill claimed that victory in the Second World War would have been "impossible" without the woman who stood by his side for fifty-seven turbulent years. Why, then, do we know so little about her? In this landmark biography, a finalist for the Plutarch prize, Sonia Purnell finally gives *Clementine Churchill* her due. Born into impecunious aristocracy, the young Clementine Hozier was the target of cruel snobbery. Many wondered why Winston

married her, when the prime minister's daughter was desperate for his attention. Yet their marriage proved to be an exceptional partnership. "You know," Winston confided to FDR, "I tell Clemmie everything." Through the ups and downs of his tumultuous career, in the tense days when he stood against Chamberlain and the many months when he helped inspire his fellow countrymen and women to keep strong and carry on, *Clementine* made her husband's career her mission, at the expense of her family, her health and, fatefully, of her children. Any real consideration of Winston Churchill is incomplete without an understanding of their relationship. *Clementine* is both the first real biography of this remarkable woman and a fascinating look inside their private world. "Sonia Purnell has at long last given *Clementine Churchill* the biography she deserves. Sensitive yet clear-eyed, *Clementine* tells the fascinating story of a complex woman

struggling to maintain her own identity while serving as the conscience and principal adviser to one of the most important figures in history. I was enthralled all the way through." -Lynne Olson, bestselling author of *Citizens of London*

**Winston Churchill** - B.J.C. McKercher 2019-01-24

Although remembered and even lauded in the public mind as the British prime minister during the Second World War who played a major role in Allied victory over the Axis Powers and Japan, Winston Churchill had a life and political career before 1939 conditioned by fighting other wars and, in peacetime, thinking about war. While historians debate his achievements and failures between 1939 and 1945, a less explored dimension is Churchill's earlier connexion with war and warfare. This book explores Churchill's earlier experience in fighting wars as a soldier and politician. *Winston Churchill* - Zofia Stone 2016-10-03

As prime minister, Sir Winston Churchill rallied the British people during WWII, and led his country from the brink of defeat to victory. This book gives a brief account of his life and his political career.

*Churchill's Shadow: The Life and Afterlife of Winston Churchill* - Geoffrey Wheatcroft 2021-10-26

A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now perhaps even more beloved in America than in England. And yet Churchill was also very often in the wrong: he

brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in 1908, a perceptive journalist called him “the most interesting problem of personal speculation in English politics.” More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his

legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill’s career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes, dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill’s reputation through to the present day, Churchill’s Shadow colorfully renders the nuance and complexity of this giant of modern politics.

### **Churchill in His Own Words**

- Winston Churchill 2012

Churchill (1874-1965) was one of the 20th century's most charismatic and controversial characters. He escaped from capture as a prisoner of war in the Boer War, was a Nobel Prize-winning author and was twice prime minister. He is best remembered as the astute and powerful orator who inspired a battered Britain to victory against Nazi Germany during World War 2 and led the

post-war, shattered nation to recovery. Richard Langworth, co-chairman and editor of The Churchill Centre, has spent over 20 years researching Churchill's written and spoken words. In *Churchill in His Own Words*, which is fully authorised by the Churchill Estate, Langworth has edited and annotated this library to make the definitive collection of Churchill's words, thematically arranged. He also highlights the myriad quotations commonly mis-attributed to Churchill. From his meetings with world leaders such as Roosevelt, de Gaulle and Stalin, his verbal engagements with Hitler and the Third Reich, to his wit and oratory on the floor of the Commons, every facet of Churchill's life and times is explored with his own pragmatic intelligence, sharp humour and legendary wisdom. Previously published in hardback as *Churchill in His Own Words*. This edition fully revised and updated.

[Churchill's Trial](#) - Dr. Larry Arnn 2015-10-13

No statesman shaped the twentieth century more than Winston Churchill. To know the full Churchill is to understand the combination of boldness and caution, of assertiveness and humility, that defines statesmanship at its best. With fresh perspective and insights based on decades of studying and teaching Churchill, Larry P. Arnn explores the greatest challenges faced by Churchill over the course of his extraordinary career, both in war and peace—and always in the context of Churchill's abiding dedication to constitutionalism. Churchill's *Trial* is organized around the three great challenges to liberty that Churchill faced: Nazism, Soviet communism, and his own nation's slide toward socialism. Churchill knew that stable free government, long enduring, is rare, and hangs upon the balance of many factors ever at risk. Combining meticulous scholarship with an engrossing narrative arc, this book holds timely lessons for today. Arnn says, "Churchill's trial is also

our trial. We have a better chance to meet it because we had in him a true statesman.” In a scholarly, timely, and highly erudite way, Larry Arnn puts the case for Winston Churchill continuing to be seen as statesman from whom the modern world can learn important lessons. In an age when social and political morality seems all too often to be in a state of flux, Churchill’s Trial reminds us of the enduring power of the concepts of courage, duty, and honor. -- Andrew Roberts, New York Times bestselling author of Napoleon: A Life and The Storm of War Larry Arnn has spent a lifetime studying the life and accomplishments of Winston Churchill. In his lively Churchill’s Trial, Arnn artfully reminds us that Churchill was not just the greatest statesman and war leader of the twentieth century, but also a pragmatic and circumspect thinker whose wisdom resonates on every issue of our times. --Victor Davis Hanson, senior fellow, The Hoover Institution, Stanford University In

absorbing, gracefully written historical and biographical narration, Larry Arnn shows that Churchill, often perceived as inconsistent and opportunistic, was in fact philosophically rigorous and consistent at levels of organization higher and deeper than his detractors are capable of imagining. In Churchill’s Trial Arnn has rendered great service not only to an incomparable statesman but to us, for the magnificent currents that carried Churchill through his trials are as admirable, useful, and powerful in our times as they were in his. -- Mark Helprin, New York Times bestselling author of Winter’s Tale and In Sunlight and in Shadow Churchill’s Trial, a masterpiece of political philosophy and practical statesmanship, is the one book on Winston Churchill that every undergraduate, every graduate student, every professional historian, and every member of the literate general public should read on this greatest statesman of the twentieth century. The book is

beautifully written, divided into three parts-war, empire, peace-and thus covers the extraordinary life of Winston Churchill and the topics which define the era of his statesmanship. --Lewis E.

Lehrman, cofounder of the Lincoln and Soldiers Institute at Gettysburg College and distinguished director of the Abraham Lincoln Association

**Never Give in** - Stephen Mansfield 1996

What made Winston Churchill one of the most extraordinary leaders of the twentieth century? What enabled him to inspire nations while those around him were losing hope? This volume in the Leaders in Action series is a remarkable study of Churchill's leadership and character.

*A Daughter's Tale* - Mary Soames 2011

Winston Churchill's youngest daughter explains how her life drastically changed after Great Britain's entry into World War II. 20,000 first printing.

**Forty Ways to Look at Winston Churchill** - Gretchen Rubin 2004-05-11

A WALL STREET JOURNAL  
SUMMER PICK A  
WASHINGTON POST  
BESTSELLER Warrior and writer, genius and crank, rider in the British cavalry's last great charge and inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous

for any novelist to construct, too complex for even the longest narrative to describe, and too significant ever to be forgotten.

The Second World War: The grand alliance - Winston Churchill 2005

Winston Churchill's six-volume history of the cataclysm that swept the world remains the definitive history of the Second World War. Lucid, dramatic, remarkable both for its breadth and sweep and for its sense of personal involvement, it is universally acknowledged as a

magnificent reconstruction and is an enduring, compelling work that led to his being awarded the Nobel Prize for literature. The Grand Alliance recounts the momentous events of 1941 surrounding America's entry into the War and Hitler's march on Russia the continuing onslaught on British civilians during the Blitz, Japan's attack on Pearl Harbor and the alliance between Britain and America that shaped the outcome of the War.

*Winston Churchill* - Jacques Legrand 2013
