Colorwork for Adventurous Knitters - Lori Ihnen 2012-08-01

This step-by-step technique reference introduces and thoroughly explores several styles of knitting that involve color/yarn changes to create intricate patterns and designs. With *Colorwork for Adventurous Knitters*, you'll delve into exciting methods including striping, slipstitch, mosaic, stranded, and intarsia knitting and duplicate stitch and embroidery embellishment. While colorwork is commonly found in knitting projects, each colorwork knitting method requires skills that are difficult for someone to simply grasp on their own without careful guidance, which is just what this volume provides. Each section includes easy-to-follow, illustrated instructions, teaching all that is necessary to master the required knitting

skills. Charts, diagrams, and graphs are also provided, and swatch exercises in each section give the reader a chance to try the skills. Sections end with three to five small projects. This volume is an inspiring addition to any knitter's library.

The Grove Encyclopedia of Medieval Art and Architecture - Colum Hourihane 2012

The Grove Encyclopedia of Medieval Art and Architecture offers unparalleled coverage of all aspects of art and architecture from Medieval Western Europe, from the 6th century to the early 16th century. Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries on topics not previously covered, as well as fully updated and expanded entries and bibliographies, The Grove Encyclopedia of Medieval Art and Architecture offers students, researchers, and the general public a reliable, up-to-date, and convenient resource covering this field of major importance in the development of Western history and international art and architecture. The Encyclopedia offers scholarly material on Medieval art in intelligent, well-written, and informative articles, each of which is followed by a bibliography to support further research. These include a mixture of shorter, more factual articles and larger, multi-section articles tracing the development of the arts in major regions. There are articles on all subject areas in Medieval art including biographies of major artists, architects and patrons; countries, cities, and sites; cultures and styles (Anglo-Saxon art, Carolingian art, Coptic art, Early Christian art, Romanesque, Gothic, Insular art, Lombard art, Merovingian art, Ottonian art, and Viking art); ivories, books and illuminated manuscripts, metalwork, architecture, painting, tapestries, sculpture, mosaics, reliquaries, and more. Part of the acclaimed Grove Art family of print encyclopedias, The Grove Encyclopedia of Medieval Art and Architecture is lavishly illustrated with more than 460 halftones and 170 color plates. The 6 volumes are organized into a cohesive A-Z format, with a comprehensive index.

Public Art in Vancouver - John Steil 2009
Featuring more than 500 public art installations, this is the first comprehensive guidebook to explore Vancouver's urban treasures. The character of a city is revealed by the public art that neighborhoods and residents collectively place on streets and walls and in their public spaces. As a city known internationally for its breathtaking cityscapes and mountain backdrop,

Vancouver has much to offer visually including the diverse and thriving public art in the city's neighborhoods. Engaging color photos and detailed descriptions that focus on the historical and cultural context of each art piece, its place in modern art and the artist who created it allow for a greater understanding of these urban treasures. Easy-to follow maps take readers to communities and destinations such as False Creek, Chinatown, the West End, Downtown, East Vancouver, VanDusen Garden, Stanley Park and the University of British Columbia. Tour the better known and the unknown art installations that are made from every possible media and include monuments, paintings, murals, tapestries, figures, First Nations art, relics, busts, fountains, gateways, mosaics, sculptures and reliefs.

More Philadelphia Murals and the Stories They Tell - Jane Golden 2006

More Philadelphia Murals and the Stories They Tell, a sequel to Philadelphia Murals and the Stories They Tell, shares with the earlier work its color photography, along with profiles of the artists. Featured here is the remarkable story of an unlikely artistic collaboration - between boys who live in a residential facility, a community in the Kensington section of Philadelphia, and men who are incarcerated in a maximum-security state correctional facility. Spanning an eighth of a mile, the mural they created, about balanced and restorative justice, was intended to help the young men give something back to a community they had harmed and to help the community wrestle with issues of crime and violence. The process of creating that mural became a life-changing experience for all involved.

Mixed-Media Mosaics - Laurie Mika 2007-05-24
