Sideways Stories From Wayside School -

Louis Sachar 2021-08-05

There has been a terrible mistake. Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening - especially in Mrs Jewls's classroom on the very

top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of Holes.

Eat Pray Love - Elizabeth Gilbert 2010-06-29
Traces the author's decision to quit her job and travel the world for a year after suffering a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. 2013-12-10

It's a night like any other on board the Icarus. Then, catastrophe strikes: the massive luxury spaceliner is yanked out of hyperspace and plummets into the nearest planet. Lilac LaRoux and Tarver Merendsen survive. And they seem to be alone. Lilac is the daughter of the richest man in the universe. Tarver comes from nothing, a young war hero who learned long ago that girls like Lilac are more trouble than they're worth. But with only each other to rely on, Lilac and Tarver must work together, making a tortuous journey across the eerie, deserted terrain to seek help. Then, against all odds, Lilac and Tarver find a strange blessing in the tragedy that has thrown them into each other's arms. Without the hope of a future together in their own world, they begin to wonder???: would they be better off staying here forever? Everything changes when they uncover the truth behind the chilling whispers that haunt their every step. Lilac and Tarver may find a way off this planet. But they won't be the same people who landed

on it. The first in a sweeping science fiction trilogy, *These Broken Stars* is a timeless love story about hope and survival in the face of unthinkable odds.

In a world where two nations rule all, Rob must find a way to live among them both in this futuristic story from the author of the Tripods series. In the future, the world has been divided into two societies. One is the Conurb—a sprawling, modern city where technology rules and people live with only the bare minimum they need to survive. The other is the County—a land of green fields and beautiful mansions, where the people have turned back the clock to a pristine past. Rob has always lived in the

Conurb, but after he is sent to a terrible boarding school, he decides his only option is to take a chance and cross the Barrier into the unknown world of the County. There he meets another boy who introduces Rob to the very different society, and all the wondrous things that come with it. But even though Rob wants to believe that the County is a utopia, he begins to learn about the darkness that lurks beneath the smiles of his new family and friends. And when sinister secrets are revealed, Rob is forced to make a choice: stay in the County, where everything is a perfect lie, or return to the Conurb, where life is hard, horrible, and real.

Every year the seniors at Lincoln High play Assassin. People are placed on hush-hush teams with secret lists of targets. School is a safe zone—and you can only be eliminated if you're alone. Lia's been planning her stakeout strategy for months—whether she needs a mega drench-tank backpack or a squirt gun, she's ready. And not only does Lia finally get to play, she's paired with her longtime crush, Devon Diaz. But this year, someone is picking people off in alphabetical order, one by one. First it was Abby Ascher. Then it was Ben Barnard, then Cassidy Clarke. Now all are dead, and the school is in a state of panic. Someone Lia knows—someone they all know—is a killer. Underlined is a line of

totally addictive romance, thriller, and horror titles coming to you fast and furious each month. Enjoy everything you want to read the way you want to read it.

Oculum - Philippa Dowding 2018-04-22

"I'm Mann, just Mann." The world is slowly recovering after environmental collapse, and the children of the automated, domed city of Oculum have begun to awaken. Miranda, William and the 998 other children wake to tend the fruit trees and gardens behind the thick, opaque walls of their world. Some speak quietly of Outside, which is forbidden. Until William finds a door ... The children outside the dome of Oculum — Mann, Cranker and others raised by Grannie — live amongst the rubble of the old destroyed city. They live with hunger, hard work, and stories about a time before the fall, of buggies without horses, light without fire ... and magical fruit called "peaches." But it must be lies, until one day Mann and Cranker get close enough to the ancient dome to find ... a door....

The Isis Trilogy - Monica Hughes 2017-10-31
This newly designed paperback edition brings together the stories of an acclaimed trilogy, first published between 1980 and 1982, by an internationally renowned author of fantasy and science fiction. The Keeper of the Isis Light is the first book in Monica Hughes' acclaimed trilogy, and it is the story of Olwen Pendennis, the Keeper of the Isis Light. She and her companion, Guardian, have lived alone on the remote planet Isis since the death of her parents. Now, colonists from an overcrowded and polluted Earth have landed and are settling in the valleys. Olwen fears these new inhabitants may ruin her world forever, and it seems she may be right. Years later, in Hughes' sequel, *The Guardian of Isis*, the planet remains pristine and remote, even after the arrival of settlers from Earth. Over time, the settlers have abandoned the technological knowledge of their ancestors and replaced it with myth. But one young man seeks the truth, and he soon gets the chance to

find it. The final chapter in the Trilogy, The Isis Pedlar, brings the devious Michael Joseph Flynn and his daughter, Moira, to Isis. Michael's magic firestone, his strangely delicious ambrosia and his mysterious Forever Machine are beguiling to the humble members of the Isis community. Only Moira can expose this smooth-talking pedlar for the charlatan that he is. But will she be able to do it in time to save the simple agricultural

community? This trilogy is a testament to Hughes' enormous talent for writing thought-provoking speculative fiction.
