You could purchase lead War And Peace Complete And Unabridged English Edi or get it as soon as feasible. You could quickly download this War And Peace Complete And Unabridged English Edi after getting deal. So, gone you require the ebook swiftly, you can straight acquire it. Its as a result very easy and in view of that fats, isnt it? You have to favor to in this melody

## **War on Peace** - Ronan Farrow 2018-04-24

A book for anyone interested to know more about how the world really works by Pulitzer Prize-winning journalist Ronan Farrow. 'This is one of the most important books of our time.' Walter Isaacson 'A masterpiece' Dan Simpson, Post-Gazette THE NEW YORK TIMES #3 BESTSELLER US foreign policy is undergoing a dire transformation, forever changing America's place in the world. Institutions of diplomacy and development are bleeding out after deep budget cuts; the diplomats who make America's deals and protect democratic interests around the world are walking out in droves. Offices across the State Department sit empty, while abroad the military-industrial complex has assumed the work once undertaken by peacemakers. Increasingly, America is a nation that shoots first and asks questions later. In an astonishing journey from the corridors of power in Washington, DC, to some of the most remote and dangerous places on earth - Afghanistan, Somalia, and North Korea among them acclaimed investigative journalist Ronan Farrow illuminates one of the most consequential and poorly understood changes in American history. His first-hand experience as a former State Department official affords a personal look at some of the last standard bearers of traditional statecraft, including Richard Holbrooke, who made peace in Bosnia and died while trying to do so in Afghanistan. Drawing on newly unearthed documents, and richly informed by rare interviews with warlords, whistle-blowers, and policymakers - including every living secretary of state from Henry Kissinger to Hillary Clinton to Rex Tillerson - War on Peace makes a powerful case for an endangered profession. Diplomacy, Farrow argues, has declined after decades of political cowardice, short-sightedness, and outright malice - but it may just offer a way out of a world at war.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

## *Churchill, Hitler, and "The Unnecessary War"* - Patrick J. Buchanan 2008-05-27

Were World Wars I and II inevitable? Were they necessary wars? Or were they products of calamitous failures of judgment? In this monumental and provocative history, Patrick Buchanan makes the case that, if not for the blunders of British statesmen- Winston Churchill first among them-the horrors of two world wars and the Holocaust might have been avoided and the British Empire might never have collapsed into ruins. Half a century of murderous oppression of scores of millions under the iron boot of Communist tyranny might never have happened, and Europe's central role in world affairs might have been sustained for many generations. Among the British and Churchillian errors were: • The secret decision of a tiny cabal in the inner Cabinet in 1906 to take Britain straight to war against Germany, should she invade France • The vengeful Treaty of Versailles that mutilated Germany, leaving her bitter, betrayed, and receptive to the appeal of Adolf Hitler • Britain's capitulation, at Churchill's urging, to American pressure to sever the Anglo-Japanese alliance, insulting and isolating Japan, pushing her onto the path of militarism and conquest • The greatest mistake in British history: the unsolicited war guarantee to Poland of March 1939, ensuring the Second World War Certain to create controversy and spirited argument, Churchill, Hitler, and "the Unnecessary War" is a grand and bold insight into the historic failures of judgment that ended centuries of European rule and guaranteed a future no one who lived in that vanished world could ever have envisioned.

## The War That Ended Peace - Margaret MacMillan 2013-10-29

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Economist • The Christian Science Monitor • Bloomberg Businessweek • The Globe and Mail From the bestselling and award-winning author of Paris 1919 comes a masterpiece of narrative nonfiction, a fascinating portrait of Europe from 1900 up to the outbreak of World War I. The century since the end of the Napoleonic wars had been the most peaceful era Europe had known since the fall of the Roman Empire. In the first years of the twentieth century, Europe believed it was marching to a golden, happy, and prosperous future. But instead, complex personalities and rivalries, colonialism and ethnic nationalisms, and shifting alliances helped to bring about the failure of the long peace and the outbreak of a war that transformed Europe and the world. The War That Ended Peace brings vividly to life the military leaders, politicians, diplomats, bankers, and the extended, interrelated family of crowned heads across Europe who failed to stop the descent into war: in Germany, the mercurial Kaiser Wilhelm II and the chief of the German general staff, Von Moltke the Younger; in Austria-Hungary, Emperor Franz Joseph, a man who tried, through sheer hard work, to stave off the coming chaos in his empire; in Russia, Tsar Nicholas II and his wife; in Britain, King Edward VII, Prime Minister Herbert Asquith, and British admiral Jacky Fisher, the fierce advocate of naval reform who entered into the arms race with Germany that pushed the continent toward confrontation on land and sea. There are the would-be peacemakers as well, among them prophets of the horrors of future wars whose warnings went unheeded: Alfred Nobel, who donated his fortune to the cause of international understanding, and Bertha von Suttner, a writer and activist who was the first woman awarded Nobel's new Peace Prize. Here too we meet the urbane and cosmopolitan Count Harry Kessler, who noticed many of the early signs that something was stirring in Europe; the young Winston Churchill, then First Lord of the Admiralty and a rising figure in British politics; Madame Caillaux, who shot a man who might have been a force for peace; and more. With indelible portraits, MacMillan shows how the fateful decisions of a few powerful people changed the course of history. Taut, suspenseful, and impossible to put down, The War That Ended Peace is also a wise cautionary reminder of how wars happen in spite of the near-universal desire to keep the peace. Destined to become a classic in the tradition of Barbara Tuchman's The Guns of August, The War That Ended Peace enriches our understanding of one of the defining periods and events of the twentieth century. Praise for The War That Ended Peace "Magnificent . . . The War That Ended Peace will certainly rank among the best books of the centennial crop."—The Economist "Superb."—The New York Times Book Review "Masterly . . . marvelous . . . Those looking to understand why World War I happened will have a hard time finding a better place to start."—The Christian Science Monitor "The debate over the war's origins has raged for years. Ms. MacMillan's explanation goes straight to the heart of political fallibility. . . . Elegantly written, with wonderful character sketches of the key players, this is a book to be treasured."—The Wall Street Journal "A magisterial 600-page panorama."—Christopher Clark, London Review of Books

## Mein Kampf - Adolf Hitler 2021-03-19

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when

Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

**The Art of War** - Sun Tzu 2021-03-18

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

**Beowulf** - 2012-03-01

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies. [The Way of All Flesh](#) - Samuel Butler 2019-12-11T22:48:45Z

The Way of All Flesh is often considered to be Samuel Butler's masterpiece, and is frequently included in many lists of best English-language novels of the 20th century. Despite this acclaim, Butler never published it in his lifetime—perhaps because the novel, a scathing, funny, and poignant satire of Victorian life, would have hit his contemporaries too close to home. The novel traces four generations of the Pontifex family, though the central character is Ernest Pontifex, the third-generation wayward son. The reader follows Ernest through the eyes of his watchful godfather, Mr. Overton, as he strikes out from home to find his way in life. His struggles along the way illustrate the complex relationships between a son and his family, and especially his father; all while satirizing Victorian ideas about family, church, marriage, and schooling. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

*War and Peace* - Leo Tolstoy 2019-01-16

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

**War and Peace** - Leo Tolstoy 2018-06-18

Rare edition with unique illustrations and elegant classic cream paper. Epic historical novel by Leo Tolstoy, originally published as *Voyna i mir* in 1865-69. This panoramic study of early 19th-century Russian society, noted for its mastery of realistic detail and variety of psychological analysis, is generally regarded as one of the world's greatest novels. War and Peace is primarily concerned with the histories of five aristocratic families—particularly the Bezukhovs, the Bolkonskys, and the Rostovs—the members of which are portrayed

against a vivid background of Russian social life during the war against Napoleon (1805-14). The theme of the war, however, is subordinate to the story of family existence, which involves Tolstoy's optimistic belief in the life-asserting pattern of human existence. The novel also sets forth a theory of history, concluding that there is a minimum of free choice; all is ruled by an inexorable historical determinism. Includes unique illustrations.

**Heart of Darkness** -

*A Memory of Light* - Robert Jordan 2013-01-08

In the conclusion to the "Wheel of Time" series, all of humanity is in peril as Rand al'Thor moves forward to break the seals on the Dark One's prison and the Last Battle will determine the fate of the world.

*Anna Karenina Annotated* - Leo Tolstoy 2020-09-23

Anna Karenina is a novel by the Russian author Leo Tolstoy, first published in book form in 1878. Many writers consider Anna Karenina the greatest work of literature ever and Tolstoy himself called it his first true novel. It was initially released in serial installments from 1873 to 1877 in the periodical The Russian Messenger. A complex novel in eight parts, with more than a dozen major characters, it is spread over more than 800 pages (depending on the translation and publisher), typically contained in two volumes. It deals with themes of betrayal, faith, family, marriage, Imperial Russian society, desire, and rural vs. city life.

*The Great Mental Models: General Thinking Concepts* - Farnam Street 2019-12-16

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

*Nineteen Eighty-Four* - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the

fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

**The Internationalists** - Oona A. Hathaway 2017-09-12

"An original book...about individuals who used ideas to change the world" (The New Yorker)—the fascinating exploration into the creation and history of the Paris Peace Pact, an often overlooked but transformative treaty that laid the foundation for the international system we live under today. In 1928, the leaders of the world assembled in Paris to outlaw war. Within the year, the treaty signed that day, known as the Peace Pact, had been ratified by nearly every state in the world. War, for the first time in history, had become illegal. But within a decade of its signing, each state that had gathered in Paris to renounce war was at war. And in the century that followed, the Peace Pact was dismissed as an act of folly and an unmistakable failure. This book argues that the Peace Pact ushered in a sustained march toward peace that lasts to this day. A "thought-provoking and comprehensively researched book" (The Wall Street Journal), *The Internationalists* tells the story of the Peace Pact through a fascinating and diverse array of lawyers, politicians, and intellectuals. It reveals the centuries-long struggle of ideas over the role of war in a just world order. It details the brutal world of conflict the Peace Pact helped extinguish, and the subsequent era where tariffs and sanctions take the place of tanks and gunships. *The Internationalists* is "indispensable" (The Washington Post). Accessible and gripping, this book will change the way we view the history of the twentieth century—and how we must work together to protect the global order the internationalists fought to make possible. "A fascinating and challenging book, which raises gravely important issues for the present...Given the state of the world, *The Internationalists* has come along at the right moment" (The Financial Times).

*And Quiet Flows the Don* - Михаил Александрович Шолохов 1999

*The Man in the High Castle* - Philip K. Dick 2011

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

**War and Peace** - Leo Tolstoy 2011-10-05

Nominated as one of America's best-loved novels by PBS's *The Great American Read* Often called the greatest novel ever written, *War and Peace* is at once an epic of the Napoleonic Wars, a philosophical study, and a celebration of the Russian spirit. Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle—all of them fully realized and equally memorable. Out of this complex narrative emerges a profound examination of the individual's place in the historical process, one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed *War and Peace* in the same category as the *Iliad*: "To read him . . . is to find one's way home . . . to everything within us that is fundamental and sane."

*Sex, Drugs and Jerk Chicken* - Marcus Bird 2013-06-20

Three completely different young men find themselves in the sex-fueled, emotionally vacant backdrop of nighttime Washington D.C, as they search for meaning in a series of events that force them to deal with loss, love and question it all. Welcome to the social underbelly of Washington D.C, where we see shady parties in dark row houses with illicit sex happening in tiny rooms, statuesque model types snorting lines on marble side tables in million-dollar Georgetown condos and the occasional hookup in a grimy bathroom in one of many seedy bars on the Adams Morgan strip. Three young men--all coincidentally from Jamaica--find themselves together again in DC under different circumstances. Tony Edwards is dashing handsome night owl who finds that his ability to attract women--and the subsequent circumstances that follow in a place like DC--expose him to more than just naked bodies and the occasional threesome. Winston is a hopeless romantic who finds his life spinning out of control after the re-emergence of an old girlfriend on the social scene. Bishop, an artist, tries to rationalize the death of someone close to him through a smattering of opiates, girls and his art. *Sex, Drugs and Jerk Chicken* takes us headfirst into a view of a version of American culture we don't always see but have probably heard about; sex with strangers, heiresses who

like boy toys, insecurity eclipsed by alcohol, all through the lens of life in a big city.

**A Savage War of Peace** - Alistair Horne 2006-10-10

The Algerian War lasted from 1954 to 1962. It brought down six French governments, led to the collapse of the Fourth Republic, returned de Gaulle to power, and came close to provoking a civil war on French soil. More than a million Muslim Algerians died in the conflict and as many European settlers were driven into exile. Above all, the war was marked by an unholy marriage of revolutionary terror and repressive torture. Nearly a half century has passed since this savagely fought war ended in Algeria's independence, and yet—as Alistair Horne argues in his new preface to his now-classic work of history—its repercussions continue to be felt not only in Algeria and France, but throughout the world. Indeed from today's vantage point the Algerian War looks like a full-dress rehearsal for the sort of amorphous struggle that convulsed the Balkans in the 1990s and that now ravages the Middle East, from Beirut to Baghdad—struggles in which questions of religion, nationalism, imperialism, and terrorism take on a new and increasingly lethal intensity. *A Savage War of Peace* is the definitive history of the Algerian War, a book that brings that terrible and complicated struggle to life with intelligence, assurance, and unflagging momentum. It is essential reading for our own violent times as well as a lasting monument to the historian's art.

**The Count of Monte Cristo** - Alexander Dumas 2019-06-27

*The Count of Monte Cristo* is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

*War and Peace* - Leo Tolstoy 2018-08-07

*War and Peace*, The Complete Novel By Leo Tolstoy

*War and Peace and IT* - Mark Schwartz 2019-05-14

The Business-IT Wall Must Come Down. With A Seat at the Table, thought leader Mark Schwartz pulled out a chair for CIOs at the C-suite table. Now Mark brings his unique perspective and experience to business leaders looking to lead their company into the digital age by harnessing the expertise and innovation that is already under their roof: IT. In the war for business supremacy, Schwartz shows we must throw out the old management models and stereotypes that pit suits against nerds. Instead, business leaders of today can foster a space of collaboration and shared mission, a space that puts technologists and business people on the same team. For business leaders looking to unlock their enterprise's digital transformation, *War and Peace and IT* provides clear context and strategies. Schwartz demystifies the role IT plays in the modern enterprise, allowing business leaders to create new strategies for the new digital battleground. It is time to change not only the enterprise's relationship with technology, but its relationship with technologists. To accelerate, enterprises must bring technology to the heart of their work, for just as technology is causing this disruption, it is technology that provides the solution. Unlike Napoleon, it is time for business leaders to come down from the hill atop the Battle of Borodino and enter the fray with the technologists, for that is where the war will be won or lost.

**War and Peace** - Count Leo Tolstoy 2015-11-20

Epic historical novel by Leo Tolstoy, originally published as *Voyna i mir* in 1865-69. This panoramic study of early 19th-century Russian society, noted for its mastery of realistic detail and variety of psychological analysis, is generally regarded as one of the world's greatest novels. *War and Peace* is primarily concerned

with the histories of five aristocratic families--particularly the Bezukhovs, the Bolkonskys, and the Rostovs--the members of which are portrayed against a vivid background of Russian social life during the war against Napoleon (1805-14). The theme of war, however, is subordinate to the story of family existence, which involves Tolstoy's optimistic belief in the life-asserting pattern of human existence. The novel also sets forth a theory of history, concluding that there is a minimum of free choice; all is ruled by an inexorable historical determinism. Includes unique illustrations.

**War and Peace** - Joelle Herr 2014-09-30

Undeniably epic in scale, Tolstoy's masterpiece has intimidated readers since it was published in 1869—until now. This deluxe mini edition makes this massive yet masterful work accessible to readers, who can get to know the greatest novel ever written in just one sitting. It includes comprehensive summaries of each book of War and Peace along with descriptive character profiles, an introduction, and biography of Leo Tolstoy, complemented with two-color illustrations throughout.

Give War and Peace a Chance - Andrew D. Kaufman 2014-05-20

“This lively appreciation of one of the most intimidating and massive novels ever written should persuade many hesitant readers to try scaling the heights of War and Peace sooner rather than later” (Publishers Weekly). Considered by many critics the greatest novel ever written, War and Peace is also one of the most feared. And at 1,500 pages, it's no wonder why. Still, in July 2009 Newsweek put War and Peace at the top of its list of 100 great novels and a 2007 edition of the AARP Bulletin included the novel in their list of the top four books everybody should read by the age of fifty. A New York Times survey from 2009 identified War and Peace as the world classic you're most likely to find people reading on their subway commute to work. What might all those Newsweek devotees, senior citizens, and harried commuters see in a book about the Napoleonic Wars in the early 1800s? War and Peace is many things. It is a love story, a family saga, a war novel. But at its core it's a novel about human beings attempting to create a meaningful life for themselves in a country torn apart by war, social change, political intrigue, and spiritual confusion. It is a mirror of our times. Give War and Peace a Chance takes readers on a journey through War and Peace that reframes their very understanding of what it means to live through troubled times and survive them. Touching on a broad range of topics, from courage to romance, parenting to death, Kaufman demonstrates how Tolstoy's wisdom can help us live fuller, more meaningful lives. The ideal companion to War and Peace, this book “makes Tolstoy's characters lively and palpable...and may well persuade readers to finally dive into one of the world's most acclaimed—and daunting—novels” (Kirkus Reviews).

**War and Peace - The Unabridged Maude Translation** - Leo Tolstoy 2012-12-13

This carefully crafted ebook: "War and Peace - The Unabridged Maude Translation" is formatted for your eReader with a functional and detailed table of contents. War and Peace is a novel by the Russian author Leo Tolstoy, first published in 1869. The work is epic in scale and is regarded as one of the most important works of world literature. It is considered Tolstoy's finest literary achievement, along with his other major prose work Anna Karenina. This complete english version translated by Louise and Aylmer Maude was originally published in 1922. It includes all 15 books + the first and second epilogue. The Maudes are classical translators of Leo Tolstoy who worked directly with the author and gained his personal endorsement.

**The Originals: War and Peace** - Leo Tolstoy 2018-07-05

War and Peace by Leo Tolstoy chronicles the French invasion of Russia and its impact on Tsarist Russia, through the stories of five families—the Bezukhovs, the Bolkonskys, the Rostovs, the Kuragins, and the Drubetskoyes. The Russian Messenger published portions of the manuscript, titled The Year 1805, as a serial from 1865 to 1867. Dissatisfied with the published version, Tolstoy extensively rewrote the novel between 1866 and 1869. After his wife, Sophia Tolstaya, copied as many as seven 'separate' manuscripts, the author considered it for publication, again. Tolstoy finally changed the name to War and Peace; it is believed that he borrowed the title from Pierre-Joseph Proudhon's 1861 book, La Guerre et la Paix. War and Peace has been translated into several languages and is regarded as Tolstoy's finest literary achievement.

**War and Peace** - Leo Tolstoy 2014-04-08

War and Peace is considered one of the world's greatest works of fiction. It is regarded, along with Anna Karenina, as Tolstoy's finest literary achievement. Epic in scale, War and Peace delineates in graphic detail events leading up to Napoleon's invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families.

**Fahrenheit 451** - Ray Bradbury 1968

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.
