Staring at the Sun - Irvin D. Yalom 2010-06-10

Written in Irv Yalom's inimitable story-telling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an "awakening experience"—a dream, or loss (the death of a loved one, divorce, loss of a job or home), illness, trauma, or aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.

Vittorio De Sica - Stephen Snyder 2000-01-01

Recognized as a master of Italian cinema, Vittorio De Sica is perhaps best known and most respected for his critically acclaimed neorealist films of the period 1946-55. As this anthology reveals, however, his production was remarkably multifaceted. The essays included here - some newly commissioned, some reprinted, and others in translation - look at De Sica's varied career from many perspectives. Structured chronologically, the volume begins by introducing readers to De Sica's early popularity as an actor and singer during the years of Italian Fascism, and to his initial directorial efforts before the end of World War II. It was not until the postwar era, however, that De Sica made his mark in film history. Special attention is given to this critical phase of his career, which encompasses the neorealist films that made him famous: "Shoeshine", "Bicycle Thieves", "Miracle in Milan", and "Umberto D." When the neorealist movement waned after 1955, De Sica returned to his roots in Neapolitan comedy for a series of commercially successful films starring Sophia Loren and Marcello Mastroianni. Memorable works from this period include "Two Women" and "Marriage Italian Style" as well as "Yesterday, Today, and Tomorrow", which won De Sica an Academy Award in 1965. In one of his final films, "The Garden of the Finzi Continis", he returned to the subject of World War II and to the human tragedy characteristic of his best neorealist productions. This fine anthology offers a comprehensive critical survey that covers the entire scope of De Sica's career, and is an excellent resource for students, critics and film enthusiasts.

Entre 1926 i la guerra civil, Maria Teresa Vernet, Carme Montoriol, Rosa Maria Arquimbau, Anna Murià, Elvira Augusta Lewi i Aurora Bertrana van ser autors valorades i reconegudes. L'objectiu de *Les novel·listes dels anys trenta*: obra narrativa i recepció crítica és donar-les a conèixer i explicar-ne la significació en el seu context.

Noir - Robert Coover 2010-03-04

Here Coover is at the top of his form; and *Noir* is a true page-turner-wry, absurd, and desolate. You are Philip M. Noir, Private Investigator. A mysterious young widow hires you to find her husband's killer-if he was killed. Then your client is killed and her body disappears-if she was your client. Your search for clues takes you through all levels of the city, from classy lounges to lowlife dives, from jazz bars to a rich sex kitten's bedroom, from yachts to the morgue. "The Case of the Vanishing Black Widow" unfolds over five days aboveground and three or four in smugglers' tunnels, though flashback and anecdote, and expands time into something much larger. You don't always get the joke, though most people think what's happening is pretty funny.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

History of Concepts - Iain Hampsher-Monk 1998

Hoewel enorm invloedrijk in Duitstalig Europa, heeft de conceptuele geschiedschrijving (Begriffsgeschichte) tot nu toe weinig aandacht in het Engels gekregen. Dit genre van intellectuele geschiedschrijving verschilt van zowel de Franse geschiedschrijving van mentalités als de Engelstalige geschiedschrijving van verhandelingen door het concept. Aan de hand van praktische voorbeelden in de geschiedschrijving wordt deze vorm toegelicht door Bram Kempers, Eddy de Jongh en Rolf Reichardt.

In Defense of Looting - Vicky Osterweil 2020-08-25

A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy. Looting--a crowd of people publicly, openly, and directly seizing goods--is one of the more extreme actions that can take place in the midst of social unrest. Even self-identified radicals distance themselves from looters, fearing that violent tactics reflect badly on the broader movement. But Vicky Osterweil argues that stealing goods and destroying property are direct, pragmatic strategies

of wealth redistribution and improving life for the working class--not to mention the brazen messages these methods send to the police and the state. All our beliefs about the innate righteousness of property and ownership, Osterweil explains, are built on the history of anti-Black, anti-Indigenous oppression. From slave revolts to labor strikes to the modern-day movements for climate change, Black lives, and police abolition, Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized. *In Defense of Looting* is a history of violent protest sparking social change, a compelling reframing of revolutionary activism, and a practical vision for a dramatically restructured society.

A Lover's Discourse - Roland Barthes 1978
"Barthes's most popular and unusual performance as a writer is "A Lover's Discourse," a writing out of the discourse of love. This language primarily the complaints and reflections of the lover when alone, not exchanges of a lover with his or her partner is unfashionable. Thought it is spoken by millions of people, diffused in our popular romances and television programs as well as in serious literature, there is no institution that explores, maintains, modifies, judges, repeats, and otherwise assumes responsibility for this discourse . . . Writing out the figures of a neglected discourse, Barthes surprises us in "A Lover's Discourse" by making love, in its most absurd and sentimental forms, an object of interest." Jonathan Culler

Deleuze and Guattari's Anti-Oedipus - Eugene W. Holland 2002-01-04
Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

Orientalism - Edward W. Said 2014-10-01
More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, *Orientalism* remains one of the most important books written about our divided world.

That Summer in Sicily - Marlena de Blasi 2008-08-05
NEW YORK TIMES BESTSELLER "At villa Donnafugata, long ago is never very far away," writes bestselling author Marlena de Blasi of the magnificent if somewhat ruined castle in the mountains of Sicily that she finds, accidentally, one summer while traveling with her husband, Fernando. There de Blasi is befriended by Tosca, the patroness of the villa, an elegant and beautiful woman-of-a-certain-age who recounts her lifelong love story with the last prince of Sicily descended from the French nobles of Anjou. Sicily is a land of contrasts: grandeur and poverty, beauty and sufferance, illusion and candor. In a luminous and tantalizing voice, *That Summer in Sicily* re-creates Tosca's life, from her impoverished childhood to her fairy-tale adoption and initiation into the glittering life of the prince's palace, to the dawning and recognition of mutual love. But when Prince Leo attempts to better the lives of his peasants, his defiance of the local Mafia's grim will to maintain the historical imbalance between the haves and the have-nots costs him dearly. The present-day narrative finds Tosca sharing her considerable inherited wealth with a harmonious society composed of many of the women-now widowed-who once worked the prince's land alongside their husbands. How the Sicilian widows go about their tasks, care for one another, and celebrate the rituals of a humble, well-lived life is the heart

of this book. Showcasing the same writerly gifts that made bestsellers of *A Thousand Days in Venice* and *A Thousand Days in Tuscany*, *That Summer in Sicily*, and de Blasi's marvelous storytelling, remind us that in order to live a rich life, one must embrace both life's sorrow and its beauty. Here is an epic drama that takes readers from Sicily's remote mountains to chaotic post-war Palermo, from the intricacies of forbidden love to the havoc wreaked by Sicily's eternally bewildering culture.
The French Melting Pot - Gérard Noiriel 1996

The Infamous Rosalie - Évelyne Trouillot 2020-03-09
Lisette, a Saint-Domingue-born Creole slave and daughter of an African-born bossale, has inherited not only the condition of slavery but the traumatic memory of the Middle Passage as well. The stories told to her by her grandmother and godmother, including the horrific voyage aboard the infamous slave ship *Rosalie*, have become part of her own story, the one she tells in this haunting novel by the acclaimed Haitian writer Évelyne Trouillot. Inspired by the colonial tale of an African midwife who kept a cord of some seventy knots, each one marking a child she had killed at birth, the novel transports us back to Saint-Domingue, before it became Haiti. The year is 1750, and a rash of poisonings is sowing fear among the plantation masters, already unsettled by the unrest caused by Makandal, the legendary Maroon leader. Through this tumultuous time, Lisette struggles to maintain her dignity and to imagine a future for her unborn child. In telling Lisette's story, Trouillot gives the revolution that will soon rock the island a human face and at long last sheds light on the invisible women and men of Haitian history. The original French edition of *Rosalie l'infâme* received the Prix Soroptimist de la romancière francophone, honoring a novel written by a woman from a French-speaking country which showcases the cultural and literary diversity of the French-speaking world.

Dante's Lyric Redemption - Tristan Kay 2016-01-28
Dante's Lyric Redemption offers a re-examination of two strongly interrelated aspects of the poet's work: the role and value he ascribes to earthly love and his relationship to the Romance lyric tradition of his time. It argues that an account of Dante's poetic journey that posits a stark division between earthly and divine love, and between the secular lyric poet and the Christian auctor, does little justice to his highly distinctive and often polemical handling of these categories. The book firstly contextualizes, traces, and accounts for Dante's intriguing commitment to love poetry, from the 'minor works' to the *Commedia*. It highlights his attempts, especially in his masterpiece, to overcome normative oppositions in formulating a uniquely redemptive vernacular poetics, one oriented towards the eternal while rooted in his affective, and indeed erotic, past. It then examines how this matter is at stake in Dante's treatment of three important lyric predecessors: Guittone d'Arezzo, Arnaut Daniel, and Folco of Marseilles. Through a detailed reading of Dante's engagement with these poets, the book illuminates his careful departure from a dualistic model of love and conversion and shows his erotic commitment to be at the heart of his claims to pre-eminence as a vernacular author.

The Production of Space - Henri Lefebvre 1992-04-08
Henri Lefebvre has considerable claims to be the greatest living philosopher. His work spans some sixty years and includes original work on a diverse range of subjects, from dialectical materialism to architecture, urbanism and the experience of everyday life. *The Production of Space* is his major philosophical work and its translation has been long awaited by scholars in many different fields. The book is a search for a reconciliation between mental space (the space of the philosophers) and real space (the physical and social spheres in which we all live). In the course of his exploration, Henri Lefebvre moves from metaphysical and ideological considerations of the meaning of space to its experience in the everyday life of home and city. He seeks, in other words, to bridge the gap between the realms of theory and practice, between the mental and the social, and between philosophy and reality. In doing so, he ranges through art, literature, architecture and economics, and further provides a powerful antidote to the sterile and obfuscatory methods and theories characteristic of much recent continental philosophy. This is a work of great vision and incisiveness. It is also characterized by its author's wit and by anecdote, as well as by a deftness of style which Donald Nicholson-Smith's sensitive translation precisely captures.

Address in Portuguese and Spanish - Martin Hummel 2020-07-20

The volume provides the first systematic comparative approach to the history of forms of address in Portuguese and Spanish, in their European and American varieties. Both languages share a common history—e.g., the personal union of Philipp II of Spain and Philipp I of Portugal; the parallel colonization of the Americas by Portugal and Spain; the long-term transformation from a feudal to a democratic system—in which crucial moments in the diachrony of address took place. To give one example, empirical data show that the puzzling late spread of Sp. usted 'you (formal, polite)' and Pt. você 'you' across America can be explained for both languages by the role of the political and military colonial administration. To explore these new insights, the volume relies on an innovative methodology, as it links traditional downstream diachrony with upstream diachronic reconstruction based on synchronic variation. Including theoretical reflections as well as fine-grained empirical studies, it brings together the most relevant authors in the field.

The Troubadours - Simon Gaunt 1999-06-28

The dazzling culture of the troubadours - the virtuosity of their songs, the subtlety of their exploration of love, and the glamorous international careers some troubadours enjoyed - fascinated contemporaries and had a lasting influence on European life and literature. Apart from the refined love songs for which the troubadours are renowned, the tradition includes political and satirical poetry, devotional lyrics and bawdy or zany poems. It is also in the troubadour song-books that the only substantial collection of medieval lyrics by women is preserved. This book offers a general introduction to the troubadours. Its sixteen newly-commissioned essays, written by leading scholars from Britain, the US, France, Italy and Spain, trace the historical development and setting of troubadour song, engage with the main trends in troubadour criticism, and examine the reception of troubadour poetry. Appendices offer an invaluable guide to the troubadours, to technical vocabulary, to research tools and to surviving manuscripts.

The Diviners - Rick Moody 2007-09-03

During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted

to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. *The Diviners* is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

The Syntax of Old Romanian - Gabriela Pană Dindelegan 2016-03-03

This book provides the first comprehensive overview of the syntax of old Romanian written in English and targeted at a non-Romanian readership. It draws on an extensive new corpus analysis of the period between the beginning of the sixteenth century, the date of the earliest attested Romanian texts, and the end of the eighteenth century, generally considered to mark the start of the modernization of Romanian. Gabriela Pană Dindelegan and her co-authors adopt both a synchronic and diachronic approach by providing a detailed corpus analysis in a given period, while also comparing old and modern Romanian. They examine the evolution of a variety of syntactic phenomena, including the elimination or diminishing of certain facts or generalization of others, the total or partial grammaticalization of phenomena, competition between structures, and cases of syntactic variation. The book takes a typological and comparative perspective, focusing on those phenomena that are considered specific to Romanian (either on the Romance or in the Balkan area), and adopts a modern framework while still remaining accessible to readers from any background.

Ocean of Sound - David Toop 2017-09-22

Sun Ra, Brian Eno, Lee Perry, Kate Bush, Kraftwerk, Aphex Twin, Ryuichi Sakamoto and Brian Wilson are interviewed in this extraordinary work of sonic history. It travels from the rainforests of Amazonas to virtual Las Vegas; from David Lynch's dream house high in the Hollywood Hills to the megalopolis of Tokyo. *Ocean of Sound* begins in 1889 at the Paris exposition when Debussy first heard Javanese music performed. An ethereal culture developed in response to the intangibility of 20th century communications. Author of *Rap Attack 3* and *Exotica*, David Toop has in *Ocean of Sound* written an exhilarating, path-breaking account of ambient sound.
