Sharing Poetic Expressions -
Anna-Teresa Tymieniecka
2011-05-03

A world ever more extensively interlinked is calling out for serving human interests broader and more compelling than those inspiring our technological welfare. The interface between cultures – at the moment especially between the Occident and Islam – presents challenges to mutual understandings and calls for restoring the resources of our human beings forgotten in the struggle of competition and rivalry at the vital spheres of existence. In the evolutionary progress of the living beings the strictly vital concerns, emotions, attributes become sublimed and elevated to the spiritual sphere at which human beings encounter each other and share. Studies presented here bring forth sublimity, generosity,

forgiveness, beauty, and are exalting the quest after ciphers and symbols which lead to our sharing the common deepest stream of fraternal reality.

L'Un et l'Autre - tome 2 -
Romain Rolland 2013-01-02
En 1914, Romain Rolland a déjà publié une oeuvre littéraire connue du monde entier. Alphonse de Châteaubriant ne s'est signalé que par la publication de quelques « salons » à la manière de Baudelaire et par son premier roman, Monsieur des Lourdines, prix Goncourt 1911. Quand éclate la guerre, il est envoyé au front tandis que l'auteur de Jean-Christophe s'installe en Suisse où, par des articles rassemblés dans *Au-dessus de la mêlée* et *Les Précurseurs*, il fait connaître aux belligérants son idéal de pacifiste militant. Durant la guerre, traversée par chacun dans des circonstances et des engagements si différents, l'échange épistolaire perd de

sa régularité, puis retrouve malgré tout sérénité, confiance et harmonie pendant la période qui suit. Pourtant, dix-huit mois plus tard, survient une discorde d'une violence inattendue. Plusieurs fois ensuite, les deux hommes cesseront de s'écrire et se perdront de vue, mais la rupture ne sera jamais définitive malgré des désaccords politiques fondamentaux. Aux pires moments de l'occupation allemande, ils ne manqueront de s'écrire et de se rencontrer, jusqu'à la mort de Rolland fin décembre 1944. Une fidélité rare, qui illustre au mieux le propos de Malraux selon lequel « l'amitié, ce n'est pas d'être avec ses amis quand ils ont raison, c'est d'être avec eux même quand ils ont tort ».

This book also explores Sophie Barat's spiritual journey, from her dark Jansenistic roots to her belief in a loving, warm and tender God, as expressed in devotion to the Sacred Heart."--BOOK JACKET.

The Growth of À la Recherche Du Temps Perdu: 1909-1911 - Anthony R. Pugh 2004-01-01

For forty years, scholars have had access to a vast array of documents that reveal the stages by which a few modest episodes grew into the vast and complex structure the world reveres as Marcel Proust's unique novel, *A la recherche du temps perdu*. Although many soundings have been made in this corpus, which comprises

manuscript pages, exercise books, typescripts, and publisher's proofs, Anthony Pugh's study is the first attempt to provide a comprehensive view of the story that the documents reveal, at least in the years before the outbreak of war in 1914. A crucial feature of the research is the rigorous establishment of the chronological sequence of the documents, a task complicated by Proust's habit of returning to sketches already written, amplifying them with extensive additions in the margins and on the facing pages, often reorganizing them, and finally reworking them in another form, sometimes physically intercalating pages of the first version into the new one. Anthony Pugh analyses with scrupulous care every document, facing all the multi-faceted problems they present, and showing why many solutions, some of them widely accepted by Proust scholars, have to be questioned. It emerges from this investigation that however unsystematic

Proust was in his method of composing, there is an inner logic in the way he oscillates between writing new incidents and editing texts already extant. Now, for the first time, the whole story of the way in which *A la recherche du temps perdu* grew during the first six years of its gestation is told in full, both in its general thrust and in its fine details.

Destiny, the Inward Quest, Temporality and Life - Anna-Teresa Tymieniecka

2011-04-20

“There is no greater gift to man than to understand nothing of his fate”, declares poet-philosopher Paul Valery. And yet the searching human being seeks ceaselessly to disentangle the networks of experiences, desires, inward promptings, personal ambitions, and elevated strivings which directed his/her

life-course within changing circumstances in order to discover his sense of life.

Literature seeks in numerous channels of insight the dominant threads of “the sense of life”, “the inward quest”, “the frames of experience” in reaching the inward sources of what we call ‘destiny’ inspired by experience and temporality which carry it on. This unusual collection reveals the deeper generative elements which form sense of life stretching between destiny and doom. They escape attention in their metamorphic transformations of the inexorable, irreversibility of time which undergoes different interpretations in the phases examining our life. Our key to life has to be ever discovered anew.

Correspondance 1800-1802 - Cecil P. Courtney 2017-09-25
This fourth volume of the Correspondance générale contains 368 letters written during the period of the Consulat when, as a member of the Tribunat until January 1802, Constant acquired a reputation as a brilliant orator

and outspoken opponent of Bonaparte. It was also a period when he produced a number of manuscripts on politics and religion on which he would base works published between 1814 and 1830. The correspondence also contains letters of compelling human interest to and from Julie Talma and an extraordinary epistolary exchange with Anna Lindsay, with whom Constant fell in love in 1800.
