Our digital library saves in combination countries, allowing you to get the most less latency epoch to download any of our books with this one. Merely said, the How To Be A Friend An Ancient Guide To True Friend is universally compatible taking into consideration any devices to read.

Imperium - Robert Harris
2006-09-19
From the bestselling author of *Fatherland* and *Pompeii*, comes the first novel of a trilogy about the struggle for power in ancient Rome. In his "most accomplished work to date" (Los Angeles Times), master of historical fiction Robert Harris

lures readers back in time to the compelling life of Roman Senator Marcus Cicero. The re-creation of a vanished biography written by his household slave and righthand man, Tiro, *Imperium* follows Cicero's extraordinary struggle to attain supreme power in Rome. On a cold November

morning, Tiro opens the door to find a terrified, bedraggled stranger begging for help. Once a Sicilian aristocrat, the man was robbed by the corrupt Roman governor, Verres, who is now trying to convict him under false pretenses and sentence him to a violent death. The man claims that only the great senator Marcus Cicero, one of Rome's most ambitious lawyers and spellbinding orators, can bring him justice in a crooked society manipulated by the villainous governor. But for Cicero, it is a chance to prove himself worthy of absolute power. What follows is one of the most gripping courtroom dramas in history, and the beginning of a quest for political glory by a man who fought his way to the top using only his voice—defeating the most daunting figures in Roman history.

House of Earth and Blood - Sarah J. Maas 2020-03-03
A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of

Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life—working hard all day and partying all night—until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose—to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens

everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

On Friendship - Alexander Nehamas 2016-05-03

An eminent philosopher reflects on the nature of friendship, past and present. Friends are a constant feature of our lives, yet friendship itself is difficult to define. Even Michel de Montaigne, author of the seminal essay "Of Friendship," found it nearly impossible to account for the great friendship of his life. Why is something so commonplace and universal so hard to grasp? What is it about the nature of friendship that proves so elusive? In *On Friendship*, the acclaimed philosopher Alexander Nehamas launches

an original and far-ranging investigation of friendship. Exploring the long history of philosophical thinking on the subject, from Aristotle to Emerson and beyond, and drawing on examples from literature, art, drama, and his own life, Nehamas shows that for centuries, friendship was as much a public relationship as it was a private one-inseparable from politics and commerce, favors and perks. Now that it is more firmly in the private realm, Nehamas holds, close friendship is central to the good life. Profound and affecting, *On Friendship* sheds light on why we love our friends-and how they determine who we are, and who we might become.

What is Ancient Philosophy?

- Pierre Hadot 2002

Hadot shows how the schools, trends, and ideas of ancient Greek and Roman philosophy strove to transform the individual's mode of perceiving and being in the world. For the ancients, philosophical theory and the philosophical way of life were inseparably linked.

Hadot asks us to consider whether and how this connection might be reestablished today.

Letters to Atticus - Marcus Tullius Cicero 1912

How to Grow Old - Marcus Tullius Cicero 2016-03-29

Timeless wisdom on growing old gracefully from one of ancient Rome's greatest philosophers Worried that old age will inevitably mean losing your libido, your health, and possibly your marbles too? Well, Cicero has some good news for you. In *How to Grow Old*, the great Roman orator and statesman eloquently describes how you can make the second half of life the best part of all—and why you might discover that reading and gardening are actually far more pleasurable than sex ever was. Filled with timeless wisdom and practical guidance, Cicero's brief, charming classic—written in 44 BC and originally titled *On Old Age*—has delighted and inspired readers, from Saint Augustine to Thomas Jefferson,

for more than two thousand years. Presented here in a lively new translation with an informative new introduction and the original Latin on facing pages, the book directly addresses the greatest fears of growing older and persuasively argues why these worries are greatly exaggerated—or altogether mistaken.

Montaigne said Cicero's book "gives one an appetite for growing old." The American founding father John Adams read it repeatedly in his later years. And today its lessons are more relevant than ever in a world obsessed with the futile pursuit of youth.

In a Dark, Dark Wood - Ruth Ware 2015-08-04

*AUTHOR OF THE WOMAN IN CABIN 10 and THE LYING GAME *INSTANT NEW YORK TIMES, USA TODAY, AND LOS ANGELES TIMES BESTSELLER *SOON TO BE A MAJOR MOTION PICTURE An NPR Best Book of the Year * An Entertainment Weekly Summer Books Pick * A BuzzFeed "31 Books to Get Excited About this Summer" Pick * A Publishers

Weekly "Top Ten Mysteries and Thrillers" Pick * A Shelf Awareness Best Book of the Year * A BookReporter Summer Reading Pick * A New York Post "Best Novels to Read this Summer" Pick * A Shelf Awareness "Book Expo America 2015 Buzz Book" Pick

What should be a cozy and fun-filled weekend deep in the English countryside takes a sinister turn in Ruth Ware's suspenseful, compulsive, and darkly twisted psychological thriller. Sometimes the only thing to fear...is yourself. When reclusive writer Leonora is invited to the English countryside for a weekend away, she reluctantly agrees to make the trip. But as the first night falls, revelations unfold among friends old and new, an unnerving memory shatters Leonora's reserve, and a haunting realization creeps in: the party is not alone in the woods.

How to Die - Seneca

2018-02-27

Timeless wisdom on death and dying from the celebrated Stoic philosopher Seneca "It takes an

entire lifetime to learn how to die," wrote the Roman Stoic philosopher Seneca (c. 4 BC-65 AD). He counseled readers to "study death always," and took his own advice, returning to the subject again and again in all his writings, yet he never treated it in a complete work. How to Die gathers in one volume, for the first time, Seneca's remarkable meditations on death and dying. Edited and translated by James S. Romm, How to Die reveals a provocative thinker and dazzling writer who speaks with a startling frankness about the need to accept death or even, under certain conditions, to seek it out. Seneca believed that life is only a journey toward death and that one must rehearse for death throughout life. Here, he tells us how to practice for death, how to die well, and how to understand the role of a good death in a good life. He stresses the universality of death, its importance as life's final rite of passage, and its ability to liberate us from pain, slavery, or political oppression.

Featuring beautifully rendered new translations, *How to Die* also includes an enlightening introduction, notes, the original Latin texts, and an epilogue presenting Tacitus's description of Seneca's grim suicide.

De ira - Lucius Annaeus

Seneca 2019-02-19

Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca. In his essay "On Anger" (*De Ira*), the Roman Stoic thinker Seneca (c. 4 BC–65 AD) argues that anger is the most destructive passion: "No plague has cost the human race more dear." This was proved by his own life, which he barely preserved under one wrathful emperor, Caligula, and lost under a second, Nero. This splendid new translation of essential selections from "On Anger," presented with an enlightening introduction and the original Latin on facing pages, offers readers a timeless guide to avoiding and managing anger. It vividly illustrates why the emotion is

so dangerous and why controlling it would bring vast benefits to individuals and society. Drawing on his great arsenal of rhetoric, including historical examples (especially from Caligula's horrific reign), anecdotes, quips, and soaring flights of eloquence, Seneca builds his case against anger with mounting intensity. Like a fire-and-brimstone preacher, he paints a grim picture of the moral perils to which anger exposes us, tracing nearly all the world's evils to this one toxic source. But he then uplifts us with a beatific vision of the alternate path, a path of forgiveness and compassion that resonates with Christian and Buddhist ethics. Seneca's thoughts on anger have never been more relevant than today, when uncivil discourse has increasingly infected public debate. Whether seeking personal growth or political renewal, readers will find, in Seneca's wisdom, a valuable antidote to the ills of an angry age.

This Old Man - Roger Angell
2016-10-18

Roger Angell, the acclaimed New Yorker writer and editor, steps up with a selection of writings that celebrate a view from the tenth decade of an engaged, vibrant life. Whether it's a Fourth of July in rural Maine, the opening game of the 2015 World Series, editorial exchanges with John Updike, a letter to a son, or his award-winning essay on aging, "This Old Man," what links the pieces is Angell's unique perceptions and humor, his utter absence of self-pity, and his appreciation of friends and colleagues encountered over a fruitful career unlike any other. *Amber and Clay* - Laura Amy Schlitz 2021-03-09

The Newbery Medal-winning author of *Good Masters! Sweet Ladies!* gives readers a virtuoso performance in verse in this profoundly original epic pitched just right for fans of poetry, history, mythology, and fantasy. Welcome to ancient Greece as only genius storyteller Laura Amy Schlitz can conjure it. In a warlike land of wind and sunlight, "ringed by a restless sea," live Rhaskos

and Melisto, spiritual twins with little in common beyond the violent and mysterious forces that dictate their lives. A Thracian slave in a Greek household, Rhaskos is as common as clay, a stable boy worth less than a donkey, much less a horse. Wrenched from his mother at a tender age, he nurtures in secret, aided by Socrates, his passions for art and philosophy. Melisto is a spoiled aristocrat, a girl as precious as amber but willful and wild. She'll marry and be tamed—the curse of all highborn girls—but risk her life for a season first to serve Artemis, goddess of the hunt. Bound by destiny, Melisto and Rhaskos—Amber and Clay—never meet in the flesh. By the time they do, one of them is a ghost. But the thin line between life and death is just one boundary their unlikely friendship crosses. It takes an army of snarky gods and fearsome goddesses, slaves and masters, mothers and philosophers to help shape their story into a gorgeously distilled, symphonic tour de

force. Blending verse, prose, and illustrated archeological “artifacts,” this is a tale that vividly transcends time, an indelible reminder of the power of language to illuminate the over- and underworlds of human history.

A Man Called Ove - Fredrik Backman 2015-05-05

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

Beautiful World, Where Are You - Sally Rooney 2021-09-07
AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching

up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Snow Crash - Neal Stephenson 2003-08-26

The “brilliantly realized” (The New York Times Book Review) breakthrough novel from visionary author Neal Stephenson, a modern classic that predicted the metaverse and inspired generations of Silicon Valley innovators Hiro lives in a Los Angeles where franchises line the freeway as far as the eye can see. The only relief from the sea of logos is within the autonomous city-states, where law-abiding citizens don't dare leave their mansions. Hiro delivers pizza to the mansions for a living, defending his pies from marauders when necessary with a matched set of samurai

swords. His home is a shared 20 X 30 U-Stor-It. He spends most of his time goggled in to the Metaverse, where his avatar is legendary. But in the club known as The Black Sun, his fellow hackers are being felled by a weird new drug called Snow Crash that reduces them to nothing more than a jittering cloud of bad digital karma (and IRL, a vegetative state). Investigating the Infocalypse leads Hiro all the way back to the beginning of language itself, with roots in an ancient Sumerian priesthood. He'll be joined by Y.T., a fearless teenaged skateboard courier. Together, they must race to stop a shadowy virtual villain hell-bent on world domination.

How to Be a Friend - Marcus Tullius Cicero 2018-10-09

A splendid new translation of one of the greatest books on friendship ever written In a world where social media, online relationships, and relentless self-absorption threaten the very idea of deep and lasting friendships, the search for true friends is more

important than ever. In this short book, which is one of the greatest ever written on the subject, the famous Roman politician and philosopher Cicero offers a compelling guide to finding, keeping, and appreciating friends. With wit and wisdom, Cicero shows us not only how to build friendships but also why they must be a key part of our lives. For, as Cicero says, life without friends is not worth living. Filled with timeless advice and insights, Cicero's heartfelt and moving classic—written in 44 BC and originally titled *De Amicitia*—has inspired readers for more than two thousand years, from St. Augustine and Dante to Thomas Jefferson and John Adams. Presented here in a lively new translation with the original Latin on facing pages and an inviting introduction, *How to Be a Friend* explores how to choose the right friends, how to avoid the pitfalls of friendship, and how to live with friends in good times and bad. Cicero also praises what he sees as the deepest kind of friendship—one

in which two people find in each other “another self” or a kindred soul. An honest and eloquent guide to finding and treasuring true friends, *How to Be a Friend* speaks as powerfully today as when it was first written.

Platonic - Marisa G. Franco,
PhD 2022-09-06

Instant New York Times bestseller *Is understanding the science of attachment the key to building lasting friendships and finding “your people” in an ever-more-fragmented world? How do we make and keep friends in an era of distraction, burnout, and chaos, especially in a society that often prizes romantic love at the expense of other relationships? In *Platonic*, Dr. Marisa G. Franco unpacks the latest, often counterintuitive findings about the bonds between us—for example, why your friends aren’t texting you back (it’s not because they hate you!), and the myth of “friendships happening organically” (making friends, like cultivating any relationship, requires effort!). As Dr. Franco*

explains, to make and keep friends you must understand your attachment style—secure, anxious, or avoidant: it is the key to unlocking what’s working (and what’s failing) in your friendships. Making new friends, and deepening longstanding relationships, is possible at any age—in fact, it’s essential. The good news: there are specific, research-based ways to improve the number and quality of your connections using the insights of attachment theory and the latest scientific research on friendship. *Platonic* provides a clear and actionable blueprint for forging strong, lasting connections with others—and for becoming our happiest, most fulfilled selves in the process.

How to Be Content - Horace
2020-10-20

What the Roman poet Horace can teach us about how to live a life of contentment What are the secrets to a contented life? One of Rome’s greatest and most influential poets, Horace (65-8 BCE) has been cherished by readers for more than two

thousand years not only for his wit, style, and reflections on Roman society, but also for his wisdom about how to live a good life—above all else, a life of contentment in a world of materialistic excess and personal pressures. In *How to Be Content*, Stephen Harrison, a leading authority on the poet, provides fresh, contemporary translations of poems from across Horace's works that continue to offer important lessons about the good life, friendship, love, and death. Living during the reign of Rome's first emperor, Horace drew on Greek and Roman philosophy, especially Stoicism and Epicureanism, to write poems that reflect on how to live a thoughtful and moderate life amid mindless overconsumption, how to achieve and maintain true love and friendship, and how to face disaster and death with patience and courage. From memorable counsel on the pointlessness of worrying about the future to valuable advice about living in the moment, these poems, by the

man who famously advised us to *carpe diem*, or "harvest the day," continue to provide brilliant meditations on perennial human problems. Featuring translations of, and commentary on, complete poems from Horace's *Odes*, *Satires*, *Epistles*, and *Epodes*, accompanied by the original Latin, *How to Be Content* is both an ideal introduction to Horace and a compelling book of timeless wisdom.

The Magnificent Book of Treasures: Ancient Egypt - Philip Steele 2021-10-26

"This stunning book will lead you on a thrilling journey back in time to the land of the ancient Egyptians. Meet mighty pharaohs and powerful queens. Awaken mythical gods and magical goddesses. Watch everyday life along the River Nile. Every spread reveals a fabulous treasure and its unique story. Unwrap a pharaoh's mummy, decipher hieroglyphics, discover why an amulet is lucky, and what gruesomeness hides inside a canopic jar"--

How To Be Free - Epictetus

2018-10-30

"Born a slave, the Roman Stoic philosopher Epictetus (c. 55-135 AD) taught that mental freedom is supreme, since it can liberate one anywhere, even in a prison ... Freedom, for Epictetus, is not a human right or a political prerogative but a psychological and ethical achievement, a gift that we alone can bestow on ourselves ... How to Be Free features splendid new translations and the original Greek on facing pages, a compelling introduction that sets Epictetus in context and describes the importance of Stoic freedom today, and an invaluable glossary of key words and concepts. The result is an unmatched introduction to this powerful method of managing emotions and handling life's situations, from the most ordinary to the most demanding."--Provided by the publisher.

Anam Cara [Twenty-fifth Anniversary Edition] - John O'Donohue 2022-11-29
"In this twenty-fifth anniversary edition, you will

find John a "soul friend" on your own journey through life, offering support and solace, clarity, and consciousness—expanding narratives that invite you to experience relationships with people, nature, and even your inner world in new ways that nurture well-being and resilience in these challenging times." —Daniel J. Siegel, MD, Neuropsychiatrist and New York Times Bestselling Author
A special twenty-fifth anniversary edition of the classic work of Celtic spirituality and mysticism by beloved poet and philosopher, John O'Donohue, with a new introduction by the President of Ireland, Michael D. Higgins, an afterword by the late author's brother, Pat O'Donohue, and insightful material from O'Donohue's circle of close friends. In this revered classic, John O'Donohue excavates themes of friendship, belonging, solitude, creativity and the imagination, among many others. Widely recognized for bringing Celtic spirituality into

modern dialogue, his unique insights from the ancient world speak with urgency for our need to rediscover the thresholds of the soul. With lyrical wisdom and fluency, O'Donohue encourages pathways of discovery to come home to the natural rhythm in ourselves in sacred connection with one another and the landscapes we inhabit. This timeless collection nourishes the heart and elevates the spirit. It is "a book to read and reread forever." (Irish Times)

How to Win Friends and Influence People in the Digital Age - Dale Carnegie

2011-10-04

An adaptation of Dale Carnegie's timeless prescriptions for the digital age. Dale Carnegie's time-tested advice has carried millions upon millions of readers for more than seventy-five years up the ladder of success in their business and personal lives. Now the first and best book of its kind has been rebooted to tame the complexities of modern times and will teach you how to

communicate with diplomacy and tact, capitalize on a solid network, make people like you, project your message widely and clearly, be a more effective leader, increase your ability to get things done, and optimize the power of digital tools. Dale Carnegie's commonsense approach to communicating has endured for a century, touching millions and millions of readers. The only diploma that hangs in Warren Buffett's office is his certificate from Dale Carnegie Training. Lee Iacocca credits Carnegie for giving him the courage to speak in public. Dilbert creator Scott Adams called Carnegie's teachings "life-changing." To demonstrate the lasting relevancy of his tools, Dale Carnegie & Associates, Inc., has reimagined his prescriptions and his advice for our difficult digital age. We may communicate today with different tools and with greater speed, but Carnegie's advice on how to communicate, lead, and work efficiently remains priceless across the ages.

The Elephant's Friend and

Other Tales from Ancient India - Marcia Williams 2012

Draws eight stories from well-known collections of Indian folktales--Hitopadesha tales, Jataka tales, and Panchantra tales--and presents them with cartoon-like illustrations.

How to Run a Country - Marcus Tullius Cicero
2013-01-22

Collects the Roman statesman's thoughts on leadership, the balance of power, and other topical political issues that maintain relevance today, in a work featuring new translations and organized by subject.

Ancient Post-Flood History - Ken Johnson 2010-01-01

This book is a Christian timeline of ancient post-Flood history based on Bible chronology, the early church fathers, and ancient Jewish and secular history. This can be used as a companion guide in the study of Creation science. This revised edition adds the background history of nine new countries. Learn the true origins of the countries and people of France, Germany,

Denmark, Sweden, Ireland, Scotland, Greece, Italy, Russia, Egypt, Israel, Iraq, Iran, China, the Arabs, the Kurds, and more. Some questions answered: Who were the Pharaohs in the times of Joseph and Moses? When did the famine of Joseph occur? What Egyptian documents mention these? When did the Exodus take place? When did the kings of Egypt start being called "Pharaoh" and why? Who was the first king of a united Italy? Who was Zeus and where was he buried? Where did Shem and Ham rule and where were they buried? How large was Nimrod's invasion force that set up the Babylonian Empire, and when did this invasion occur? What is Nimrod's name in Persian documents? How can we use this information to witness to unbelievers? Brought to you by Biblefacts Ministries, Biblefacts.org

The Greatest Invention - Silvia Ferrara 2022-03-01

In this exhilarating celebration of human ingenuity and perseverance—published all around the world—a

trailblazing Italian scholar sifts through our cultural and social behavior in search of the origins of our greatest invention: writing. The L where a tabletop meets the legs, the T between double doors, the D of an armchair's oval backrest—all around us is an alphabet in things. But how did these shapes make it onto the page, never mind form complex structures such as this sentence? In *The Greatest Invention*, Silvia Ferrara takes a profound look at how—and how many times—human beings have managed to produce the miracle of written language, traveling back and forth in time and all across the globe to Mesopotamia, Crete, China, Egypt, Central America, Easter Island, and beyond. With Ferrara as our guide, we examine the enigmas of undeciphered scripts, including famous cases like the Phaistos Disk and the Voynich Manuscript; we touch the knotted, colored strings of the Inca quipu; we study the turtle shells and ox scapulae that bear the earliest Chinese

inscriptions; we watch in awe as Sequoyah single-handedly invents a script for the Cherokee language; and we venture to the cutting edge of decipherment, in which high-powered laser scanners bring tears to an engineer's eye. A code-cracking tour around the globe, *The Greatest Invention* chronicles a previously uncharted journey, one filled with past flashes of brilliance, present-day scientific research, and a faint, fleeting glimpse of writing's future.

Tartine - Elisabeth Prueitt
2013-10-29

Every once in a while, a cookbook comes along that instantly says "classic." This is one of them. Acclaimed pastry chef Elisabeth Prueitt and master baker Chad Robertson share not only their fabulous recipes, but also the secrets and expertise that transform a delicious homemade treat into a great one. It's no wonder there are lines out the door of Elisabeth and Chad's acclaimed Tartine Bakery. It's been written up in every magazine worth its sugar and spice. Here

their bakers' art is transformed into easy-to-follow recipes for the home kitchen. The only thing hard about this cookbook is deciding which recipe to try first: moist Brioche Bread Pudding; luscious Banana Cream Pie; the sweet-tart perfection of Apple Crisp. And the cakes! Billowing chiffon cakes. Creamy Bavarians bursting with seasonal fruits. A luxe Devil's Food Cake. Lemon Pound Cake, Pumpkin Tea Cake. Along with the sweets, cakes, and confections come savory treats, such as terrifically simple Wild Mushroom Tart and Cheddar Cheese Crackers. There's a little something here for breakfast, lunch, tea, supper, hors d'oeuvres—and, of course, a whole lot for dessert! Practical advice comes in the form of handy Kitchen Notes. These "hows" and "whys" convey the authors' know-how, whether it's the key to the creamiest quiche (you'll be surprised), the most efficient way to core an apple, or tips for ensuring a flaky crust. Top it off with gorgeous

photographs throughout and you have an utterly fresh, inspiring, and invaluable cookbook.

The Dishonest Friend - Your Story Wizard 2017

This is a story of two friends; one honest and hardworking and the other sly and dishonest. The dishonest man tries to cheat his friend out of his rightful share. Will he succeed? Join us in this read along adventure! Children will enjoy the colorful characters and the wonderful narration in this interactive tale.

Conceptualizing Friendship in Time and Place - Carla Risseuw 2017-07-31

The volume "Conceptualizing Friendship in Time and Place" brings together reflections on the meaning and practice of friendship in a variety of social and cultural settings in history and in the present time, focusing on Asia and the Western world.

Ancient Ruins - Benjamin Medrano 2017-03-26

Sistina awakened after millennia of dormancy, her memories in tatters and born

anew. Residing in the ruins of an ancient city, she finds herself drawn into a war between two elven nations and the slaver kingdom of Kelvanis when she rescues a princess from slavery. With her domain containing hints of forgotten knowledge, Sistina becomes a dungeon, stronghold, and source of hope all at once. And perhaps, just perhaps, she could finally find love in her new life. This is a dark fantasy lesbian romance, with a focus on the dark fantasy.

The Rule of Four - Ian Caldwell
2012-08-21

“One part *The Da Vinci Code*, one part *The Name of the Rose* and one part *A Separate Peace* . . . a smart, swift, multitextured tale that both entertains and informs.”—San Francisco Chronicle
NEW YORK TIMES BESTSELLER
Princeton. Good Friday, 1999. On the eve of graduation, two friends are a hairsbreadth from solving the mysteries of the *Hypnerotomachia Poliphili*, a Renaissance text that has baffled scholars for centuries. Famous for its hypnotic power

over those who study it, the five-hundred-year-old *Hypnerotomachia* may finally reveal its secrets—to Tom Sullivan, whose father was obsessed with the book, and Paul Harris, whose future depends on it. As the deadline looms, research has stalled—until a vital clue is unearthed: a long-lost diary that may prove to be the key to deciphering the ancient text. But when a longtime student of the book is murdered just hours later, a chilling cycle of deaths and revelations begins—one that will force Tom and Paul into a fiery drama, spun from a book whose power and meaning have long been misunderstood. “Profoundly erudite . . . the ultimate puzzle-book.”—The New York Times Book Review

The Roman Republic of Letters
- Katharina Volk 2021-11-09
An intellectual history of the late Roman Republic—and the senators who fought both scholarly debates and a civil war In *The Roman Republic of Letters*, Katharina Volk explores a fascinating chapter

of intellectual history, focusing on the literary senators of the mid-first century BCE who came to blows over the future of Rome even as they debated philosophy, history, political theory, linguistics, science, and religion. It was a period of intense cultural flourishing and extreme political unrest—and the agents of each were very often the same people. Members of the senatorial class, including Cicero, Caesar, Brutus, Cassius, Cato, Varro, and Nigidius Figulus, contributed greatly to the development of Roman scholarship and engaged in a lively and often polemical exchange with one another. These men were also crucially involved in the tumultuous events that brought about the collapse of the Republic, and they ended up on opposite sides in the civil war between Caesar and Pompey in the early 40s. Volk treats the intellectual and political activities of these “senator scholars” as two sides of the same coin, exploring how scholarship and statesmanship mutually

informed one another—and how the acquisition, organization, and diffusion of knowledge was bound up with the question of what it meant to be a Roman in a time of crisis. By revealing how first-century Rome’s remarkable “republic of letters” was connected to the fight over the actual *res publica*, Volk’s riveting account captures the complexity of this pivotal period.

Snow Flower and the Secret Fan - Lisa See 2011-10-17

Lily is the daughter of a humble farmer, and to her family she is just another expensive mouth to feed. Then the local matchmaker delivers startling news: if Lily's feet are bound properly, they will be flawless. In nineteenth-century China, where a woman's eligibility is judged by the shape and size of her feet, this is extraordinary good luck. Lily now has the power to make a good marriage and change the fortunes of her family. To prepare for her new life, she must undergo the agonies of footbinding, learn *nu shu*, the

famed secret women's writing, and make a very special friend, Snow Flower. But a bitter reversal of fortune is about to change everything.

How to Give - Seneca

2020-10-20

Timeless wisdom on generosity and gratitude from the great Stoic philosopher Seneca To give and receive well may be the most human thing you can do—but it is also the closest you can come to divinity. So argues the great Roman Stoic thinker Seneca (c. 4 BCE–65 CE) in his longest and most searching moral treatise, “On Benefits” (De Beneficiis). James Romm’s splendid new translation of essential selections from this work conveys the heart of Seneca’s argument that generosity and gratitude are among the most important of all virtues. For Seneca, the impulse to give to others lies at the very foundation of society; without it, we are helpless creatures, worse than wild beasts. But generosity did not arise randomly or by chance. Seneca sees it as part of our desire to

emulate the gods, whose creation of the earth and heavens stands as the greatest gift of all. Seneca’s soaring prose captures his wonder at that gift, and expresses a profound sense of gratitude that will inspire today’s readers. Complete with an enlightening introduction and the original Latin on facing pages, *How to Give* is a timeless guide to the profound significance of true generosity.

Transient Desires - Donna Leon 2021-03-09

In the landmark thirtieth installment of the bestselling series the *New Yorker* has called “an unusually potent cocktail of atmosphere and event,” Guido Brunetti is forced to confront an unimaginable crime In his many years as a commissario, Guido Brunetti has seen all manner of crime and known intuitively how to navigate the various pathways in his native city, Venice, to discover the person responsible. Now, in *Transient Desires*, the thirtieth novel in Donna Leon’s masterful series, he faces a

heinous crime committed outside his jurisdiction. He is drawn in innocently enough: two young American women have been badly injured in a boating accident, joy riding in the Laguna with two young Italians. However, Brunetti's curiosity is aroused by the behavior of the young men, who abandoned the victims after taking them to the hospital. If the injuries were the result of an accident, why did they want to avoid association with it? As Brunetti and his colleague, Claudia Griffoni, investigate the incident, they discover that one of the young men works for a man rumored to be involved in more sinister nighttime activities in the Laguna. To get to the bottom of what proves to be a gut-wrenching case, Brunetti needs to enlist the help of both the Carabinieri and the Guardia di Costiera. Determining how much trust he and Griffoni can put in these unfamiliar colleagues adds to the difficulty of solving a peculiarly horrible crime whose perpetrators are

technologically brilliant and ruthlessly organized. Donna Leon's *Transient Desires* is as powerful as any novel she has written, testing Brunetti to his limits and forcing him to listen very carefully for the truth. [Walking the Bowl](#) - Chris Lockhart 2022-02-15 For readers of *Behind the Beautiful Forevers* and *Nothing to Envy*, this is a breathtaking real-life story of four street children in contemporary Zambia whose lives are drawn together and forever altered by the mysterious murder of a fellow street child. Based on years of investigative reporting and unprecedented fieldwork, *Walking the Bowl* immerses readers in the daily lives of four unforgettable characters: Lusabilo, a determined waste picker; Kapula, a burned-out brothel worker; Moonga, a former rock crusher turned beggar; and Timo, an ambitious gang leader. These children navigate the violent and poverty-stricken underworld of Lusaka, one of Africa's fastest growing cities. When the dead body of a ten-year-old boy is

discovered under a heap of garbage in Lusaka's largest landfill, a murder investigation quickly heats up due to the influence of the victim's mother and her far-reaching political connections. The children's lives become more closely intertwined as each child engages in a desperate bid for survival against forces they could never have imagined. Gripping and fast-paced, the book exposes the perilous aspects of street life through the eyes of the children who survive, endure and dream there, and what emerges is an ultimately hopeful story about human kindness and how one small good deed, passed on to others, can make a difference in the face of seemingly insurmountable odds.

[Friends Hold All Things in Common](#) - Kathy Eden
2008-10-01

Erasmus' Adages—a vast collection of the proverbial wisdom of Greek and Roman antiquity—was published in 1508 and became one of the most influential works of the Renaissance. It also marked a

turning point in the history of Western thinking about literary property. At once a singularly successful commercial product of the new printing industry and a repository of intellectual wealth, the Adages looks ahead to the development of copyright and back to an ancient philosophical tradition that ideas should be universally shared in the spirit of friendship. In this elegant and tightly argued book, Kathy Eden focuses on both the commitment to friendship and common property that Erasmus shares with his favorite philosophers—Pythagoras, Plato, and Christ—and the early history of private property that gradually transforms European attitudes concerning the right to copy. In the process she accounts for the peculiar shape of Erasmus' collection of more than 3,000 proverbs and provides insightful readings of such ancient philosophical and religious thinkers as Pythagoras, Plato, Aristotle, Cicero, Iamblichus, Tertullian, Basil, Jerome, and Augustine.

How to Win an Argument -

Marcus Tullius Cicero

2017-10-31

Timeless techniques of effective public speaking from ancient Rome's greatest orator. All of us are faced countless times with the challenge of persuading others, whether we're trying to win a trivial argument with a friend or convince our coworkers about an important decision. Instead of relying on untrained instinct—and often floundering or failing as a result—we'd win more arguments if we learned the timeless art of verbal persuasion, rhetoric. *How to Win an Argument* gathers the rhetorical wisdom of Cicero, ancient Rome's greatest orator, from across his works and combines it with passages from his legal and political speeches to show his powerful techniques in action. The result is an enlightening and entertaining practical introduction to the secrets of persuasive speaking and writing—including strategies that are just as effective in today's offices, schools, courts,

and political debates as they were in the Roman forum. *How to Win an Argument* addresses proof based on rational argumentation, character, and emotion; the parts of a speech; the plain, middle, and grand styles; how to persuade no matter what audience or circumstances you face; and more. Cicero's words are presented in lively translations, with illuminating introductions; the book also features a brief biography of Cicero, a glossary, suggestions for further reading, and an appendix of the original Latin texts. Astonishingly relevant, this unique anthology of Cicero's rhetorical and oratorical wisdom will be enjoyed by anyone who ever needs to win arguments and influence people—in other words, all of us.

My Old Friend, Then -

Katherine Davis-Gibbon

When You Reach Me - Rebecca

Stead 2009-07-14

"Like A Wrinkle in Time

(Miranda's favorite book),

When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book

Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review [Women on Waves](#) - Jim Kempton 2021-07-06 A captivating look at two centuries of surfing—"the Sport of Queens"—from Native Hawaiian royalty to the breakout style and jaw-dropping feats on the waves today. Few subjects in the world of sports and or the outdoors is more timely or compelling than women's surfing. From smart, strong, fearless women shattering records on 80-foot waves to

professional athletes fighting for equal pay and a more fair and just playing field, these amazing, wave-riding warriors provide an inspirational and aspirational cast of powerful role models for women (and men) across all backgrounds and generations. Over the past two-hundred years, and especially the past five decades, the surfing lifestyle have become the envy of people around the world. The perception of sun, sand, surf, strong young women and their inimitable style, has created a booming lifestyle and sports industry—and the sport that is set to make it's Olympic exhibition debut in Tokyo 2021. A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture. What is it about the surfing

that intrigues people of all ages, from all corners of the world? The beaches and idyllic locations? The unique style and mystique that surfers project? These women, on the beach and riding giant waves, or in the media, have made their mark on not just their sport, but our wider culture. Women on Waves is filled with phenomenal athletic performance, breakthrough female achievements, and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more! Spanning a millennia, From Hawaii to Malibu, New York to Australia, South Africa to the South Pacific and beyond, Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors.
