The Astrology of Transformation a Multilevel Approach - Dane Rudhyar
2010-01-01

This book is not a text book with rules to memorise. It is an attempt to open up a new dimension in the practice of Astrology: to assist individuals to transcend the type of ego-responses and culture-bound responses which define ordinary astrology and psychology.

The Brahmāṇḍa Purāṇa - 1983

The Presence of Siva - S. Kramrisch 2021-02-09
One of the three great gods of Hinduism, Siva is a living god. The most sacred and most ancient book of India, The Rg Veda, evokes his presence in its hymns; Vedic myths, rituals, and even astronomy testify to his existence from the dawn of time. In a lively meditation on Siva--based on original Sanskrit texts, many translated here for the first time--Stella Kramrisch ponders the metaphysics, ontology, and myths of Siva from the Vedas and the Puranas. Who is Siva? Who is this god whose being comprises and transcends everything? From the dawn of creation, the Wild God, the Great Yogi, the sum of all opposites, has been guardian of the absolute. By retelling and interweaving the many myths that keep Siva alive in India today, Kramrisch reveals the paradoxes in Siva's nature and thus in the nature of consciousness itself.

The Ramayana - Vālmīki 1891

Stavāvalī - HH Bhanu Swami
Stavāvalī

Brhat Nakṣatra - Sanjay Rath 2008
Starts with the nakshatra systems under the first

part.

Gaṇeśapurāṇa - Greg Bailey 2008

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

People Trees - David L. Haberman 2013-04-25

This is a book about religious conceptions of trees within the cultural world of tree worship at the tree shrines of northern India. Sacred trees have been worshipped for millennia in India and today tree worship continues there among all segments of society. In the past, tree worship was regarded by many Western anthropologists and scholars of religion as a prime example of childish animism or decadent "popular religion." More recently this aspect of world religious cultures is almost completely ignored in the theoretical concerns of the day. David Haberman hopes to demonstrate that by seriously

investigating the world of Indian tree worship, we can learn much about not only this prominent feature of the landscape of South Asian religion, but also something about the cultural construction of nature as well as religion overall. The title *People Trees* relates to the content of this book in at least six ways. First, although other sacred trees are examined, the pipal—arguably the most sacred tree in India—receives the greatest attention in this study. The Hindi word "pipal" is pronounced similarly to the English word "people." Second, the "personhood" of trees is a commonly accepted notion in India. Haberman was often told: "This tree is a person just like you and me." Third, this is not a study of isolated trees in some remote wilderness area, but rather a study of trees in densely populated urban environments. This is a study of trees who live with people and people who live with trees. Fourth, the trees examined in this book have been planted and nurtured by people for many centuries. They seem to have benefited from human cultivation and flourished in environments managed by humans. Fifth, the book involves an examination of the human experience of trees, of the relationship between people and trees. Haberman is interested in people's sense of trees. And finally, the trees located in the neighborhood tree shrines of northern India are not controlled by a professional or elite class of priests. Common people have direct access to them and are free to worship them in their own way. They are part of the people's religion. Haberman hopes that this book will help readers expand their sense of the possible relationships that exist between humans and trees. By broadening our understanding of this relationship, he says, we may begin to think differently of the value of trees and the impact of deforestation and other human threats to trees.

The Greatness of Saturn - Robert E. Svoboda
1997-04-01

The telling of mythic stories has always been a powerful form of therapy, bringing healing to people facing adversity. The greatness of Saturn is such a therapeutic myth, told and retold through many centuries. Taken from the East Indian Vedic tradition, it honors the planet Saturn, who personifies time, limitations, loss, and all forms of adversity.

The Relaxation Response - Herbert Benson,
M.D. 2009-09-22

In this time of quarantine and global uncertainty, it can be difficult to deal with the increased stress and anxiety. Using ancient self-care techniques rediscovered by Herbert Benson, M.D., a pioneer in mind/body medicine for health and wellness, you can relieve your stress, anxiety, and depression at home with just ten minutes a day. Herbert Benson, M.D., first wrote about a simple, effective mind/body approach to lowering blood pressure in *The Relaxation Response*. When Dr. Benson introduced this approach to relieving stress over forty years ago, his book became an instant national bestseller, which has sold over six million copies. Since that time, millions of people have learned the secret—without high-priced lectures or prescription medicines. *The Relaxation Response* has become the classic reference recommended by most health care professionals and authorities to treat the harmful effects of stress, anxiety, depression, and high blood pressure. Rediscovered by Dr. Benson and his colleagues in the laboratories of Harvard Medical School and its teaching hospitals, this revitalizing, therapeutic tack is now routinely recommended to treat patients suffering from stress and anxiety, including heart conditions, high blood pressure, chronic pain, insomnia, and many other physical and psychological ailments. It requires only minutes to learn, and just ten minutes of practice a day.

Hinduism - Roshen Dalal 2014-04-18

An invaluable encyclopedia of Hinduism
Hinduism is one of the world's oldest religions; an amalgam of diverse beliefs and schools, it originates in the Vedas and is rooted in Indian culture. *Hinduism: An Alphabetical Guide* illuminates complex philosophical concepts through lucid definitions, a historical perspective and incisive analyses. It examines various aspects of Hinduism, covering festivals and rituals, gods and goddesses, philosophers, memorials, aesthetics, and sacred plants and animals. The author also explores pivotal ideas, including moksha, karma, dharma and samsara, and details the diverse commentaries on the *Bhagavad Gita* and other important texts. Citing extensively from the regional languages, the book describes Hinduism's innumerable myths

and legends, and looks at the many versions of texts including the Ramayana and Mahabharata, placing each entry in its historical context and tracing its evolution to the present. • Outlines all eighteen major Puranas, the 108 Upanishads, and a selection of Vaishnava, Sahiva and Tantric texts • Provides quotations from rare original texts • A product of years of research, with a wide range of entries

Shri Sai Satcharita - Govind Raghunath Dabholkar 1999

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In its veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

Saundaryalahari - Śaṅkarācārya 2005
Hymn to Tripurasundarī (Hindu deity).

The Brahma-vaivarta Purana - 1920

Borges, Swedenborg and Mysticism - William Rowlandson 2013

Jorge Luis Borges was profoundly interested in the ill-defined and shape-shifting traditions of mysticism. However, previous studies of Borges have not focused on the writer's close interest in mysticism and mystical texts, especially in the Swedish mystic Emanuel Swedenborg (1688-1772). This book examines the relationship between Borges' own recorded mystical experiences and his appraisal of Swedenborg and other mystics. It asks the essential question of whether Borges was a mystic by analysing his writings, including short stories, essays, poems and interviews, alongside scholarly writings on mysticism by figures such as William James. The book locates Borges within the scholarship of mysticism by evaluating his many assertions and suggestions

as to what is or is not a mystic and, in so doing, analyses the influence of James and Ralph Waldo Emerson on Borges' reading of Swedenborg and mysticism. The author argues further that Swedenborg constitutes a far richer presence in Borges' work than scholarship has hitherto acknowledged, and assesses the presence of Swedenborg in Borges' aesthetics, ethics and poetics.

Saturn - T. P. Trivedi 2017-01-01

New Age Purohit Darpan: Upanayana - Kanai Mukherjee

This book is compiled with the goal of explaining the hidden history, significance, and meaning of the mantras used in common Hindu puja rituals performed by the Bengalis to the Bengali immigrants.

Civilization and Transcendence - His Divine Grace A. C. Bhaktivedanta Swami Prabhupada 1990-01-01

In June 1976, Bhavan's Journal, a Bombay cultural and religious magazine, sent various religious and spiritual leaders a questionnaire looking for enlightened answers to some of the perplexing questions of the day, such as the place of religion in modern society. One recipient of their questionnaire was Srila Prabhupada, who took the opportunity to make a thorough presentation of the ideal Vedic civilization, show the faults of modern society from the viewpoint of transcendence, and offer practical solutions based on Krishna conscious teachings. His answers to the questionnaire were later compiled and published in this compact and lively book.
