It Ends with Us - Colleen Hoover 2020-07-28

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

[Priest](#) - Sierra Simone 2015-06-29

There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

The Wallflower's Revenge - SWEETBLUNCH 2015-08-03

"I will come back for my revenge." That was Tatiana Rostova's promise to herself as she fought for her life one cold night out at sea, after the two people she loved the most betrayed her and watched as the ruthless ocean tried to swallow her whole. The Hoodie Girl - Yuen Wright 2021-08-10

My hoodie is freakishly oversized. It covers my body in a way that makes me feel comfortable. Safe. Invisible. Wren Martin isn't what you would call a popular girl. She is remarkably average, gets good grades, and aspires to get a scholarship to her dream college and leave her hometown, as it's filled with impossible memories. Asher Reed—star athlete and heartthrob of Eastview High—is everything wrong with

high school in one frustratingly good-looking body. But when an on-field accident leaves him sidelined for the season, he takes an interest in Wren. With an undeniable connection, Wren and Asher form a friendship

that quickly turns into something more. Yuen Wright's heartwarming debut is a reminder that when someone really sees you, the last thing you want is to be invisible.
