The Corpse Flower - Anne Mette Hancock 2021-10-12
The Girl With the Dragon Tattoo meets Sharp Objects in this internationally bestselling psychological thriller, for fans of Jo Nesbø and Henning Mankell, now for the first time in English. Danish journalist Heloise Kaldan is in the middle of a nightmare. One of her sources has been caught lying, and she could lose her job over it. Then she receives the first in a series of cryptic and unsettling letters from a woman named Anna Kiel. Wanted in connection with the

fatal stabbing of a young lawyer three years earlier, Anna hasn't been seen by anyone since she left the crime scene covered in blood. The police think she's fled the country until homicide detective Erik Schäfer comes up with a lead after the reporter who originally wrote about the case is found murdered in his apartment. Has Anna Kiel struck again, or is there more than one killer at large? And why does every clue point directly to Heloise Kaldan? Meanwhile, the letters keep coming, and they hint at a

connection between Anna and Heloise. As Heloise starts digging deeper, she realizes that to tell Anna's story she will have to revisit the darkest parts of her own past-- confronting someone she swore she'd never see again. The Corpse Flower is the first in the #1 bestselling Danish crime series, the Kaldan and Schäfer mysteries.

The Ancient Secret of the Flower of Life, Volume 1 -
Drunvalo Melchizedek
2012-04-28

Once, all life in the universe knew the Flower of Life as the creation pattern - the geometrical design leading us into and out of physical existence. Then from a very high state of consciousness we fell in darkness and forgot who we were. For thousands of years the secret was held in ancient artifacts and carvings around the world, and encoded in the cells of all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to

be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the

University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation.

Mistletoe Murder - Leslie Meier 2012-07-11

Introducing a sleuth that "mothers everywhere will identify with"—first in the long-running series from the New York Times bestselling author (Publishers Weekly). As if baking holiday cookies, knitting a sweater for her husband's gift, and making her daughter's angel costume for

the church pageant weren't enough things for Lucy Stone's busy Christmas schedule, she's also working nights at the famous mail-order company Country Cousins. But when she discovers Sam Miller, its very wealthy founder, dead in his car from an apparent suicide, the sleuth in her knows something just doesn't smell right. Taking time out from her hectic holiday life to find out what really happened, Lucy's investigation leads to a backlog of secrets as long as Santa's Christmas Eve route. She is convinced that someone murdered Sam Miller. But who and why? With each harrowing twist she uncovers in this bizarre case, another shocking revelation is exposed. Now, as Christmas draws near and Lucy gets dangerously closer to the truth, she's about to receive a present from Santa she didn't ask for—a killer who won't be satisfied until everyone on his shopping list is dead, including Lucy herself . . . Praise for the Lucy Stone Mystery series "A solid mystery."—San Francisco Chronicle "A surprising and

intelligently constructed plot.”—Cape Cod Times “Lucy Stone is an endearing sleuth.”—Dorothy Cannell “Leslie Meier has created a town I’d like to live in and a sleuth I’d love to meet.”—Jill Churchill

Beyond the Flower of Life -

Maureen J. St. Germain

2021-04-16

- Includes tools and techniques to permanently elevate and program your MerKaBa field, including how to create surrogate MerKaBAs for specific purposes
- Explains how to accurately connect with your Higher Self to live fearlessly and confidently and shares toning, chanting, and heart-opening practices to acquire unconditional love energy and heal emotional wounds
- Looks at paranormal experiences resulting from an activated MerKaBa, the power of Mother Earth ley lines, and the Christ Consciousness Grid

Through teaching MerKaBa and Advanced Flower of Life workshops to thousands of

students around the world since 1995, Maureen J. St. Germain has developed and channeled specific methods to enhance your meditation practice. In this step-by-step guide, she shares tools, techniques, and knowledge to strengthen your heart connection, develop a relationship with your Higher Self, and elevate and program your MerKaBa field to manifest success, health, happiness, and higher consciousness. She begins by explaining what the MerKaBa is: a fifth-dimensional Light Body activated from the geometric energy field that exists around the body. She shows how activating it daily produces its permanent existence. Sharing toning, chanting, and heart-opening practices, Maureen explains a precise protocol for fully and reliably connecting with your Higher Self, which will allow you to go through life fearlessly and confidently. She explores how to write programs for your MerKaBa and how to create surrogate MerKaBAs for specific purposes. She also

looks at paranormal experiences resulting from an activated MerKaBa, the power of Earth ley lines, the Christ Consciousness Grid, and how to marry the ego to the Higher Self to create Heaven on Earth. An updated resource for meditation practitioners and anyone who wishes to improve their connection with their divinity, this new edition of *Beyond the Flower of Life* provides a path to open your heart, fearlessly embrace unconditional love, access the Higher Self, and activate a multidimensional understanding of reality. [Sacred Geometry for Artists, Dreamers, and Philosophers](#) - John Oscar Lieben 2018-08-28 An illustrated guide to harmonics--the sacred geometry principles that underlie the natural world--and its practical applications • Demonstrates how the vesica piscis is a matrix from which ideas and forms emanate, connecting cosmic time cycles, measures of space, and musical tones • Provides harmonic analyses of ancient sculpture,

architecture, the solar system, the Earth-Moon relationship, and the structure of water and waves • Explains how to apply sacred geometry to create building floor plans, pottery figures, gardens, and sacred ceremonial spaces We are in the midst of a revival of an ancient way of looking at the world--an approach that enabled great civilizations of the past to bring forth inventions of great beauty and power. This school of thought--harmonics--envisioned the natural world and the solar system as an interlocking matrix of harmonious numbers, perfectly woven into the creative fabric of life and the surrounding universe. Exploring the art and science of harmonics, John Oscar Lieben shows how to create harmonious forms using the ancient tools of number, geometry, and musical tone--an approach that resonates with nature's own ways of creation. He demonstrates many practical applications that result from the study of harmonics, providing analyses

of ancient sculpture and architecture, as well as original examples of building floor plans, pottery figures based on planetary proportions, gardens based on harmonic principles, and ceremonial spaces that honor cosmic harmonies and sacred geometric relationships. Showing how harmonics can also be applied to the mysteries of time and space, the author demonstrates how the vesica piscis and many other variations of the vesica shape reveal numerical synchronicities and correspondences that connect cosmic time cycles, measures of space, and musical tones. The author applies harmonics and the “vesica construction” matrix to illustrate many of nature’s wonders, including the Earth-Moon relationship, the interactions of the Golden Number and the musical scale, and how the Flower of Life symbol connects the universal field with the pattern of raindrops falling on a pond. Offering an approach to sacred geometry that pairs the mystical with the practical, the

cosmic with the earthly, the author reveals how the art and science of harmonics should be required study for both the artist and the seeker of eternal truths as well as the scientist who seeks an entrance into the sacred foundations of nature.

[A Rescued Life: A Story of Secrets and Shame, Hope and Healing](#) - Tamela Turbeville
2021-06

"Then, I remember. I remember how I wanted to die and God whispered in my ear. I recall how telling released me. I remember how free I am. I recall how God rescued me...I look around and see how He redeemed my life. He put all the broken pieces together and made me whole. He brought me back from the edge of despair and gave me a new song." [The Rescued Life: A Story of Secrets and Shame, Hope and Healing](#). In her reluctant memoir, author Tamela Turbeville, recounts a life lived under the heavy burden of shame. The story is reluctant because she never wanted to tell the secret of how she was sexually abused when

only a little girl. She instead hid the secret for over four decades bending under the weight of its shame. "The Rescued Life" is a difficult story to read but for some it will feel familiar. Abuse. Shame. Regret. Poor choices. Sin and destruction are always ugly. But, with God, it doesn't stay that way. God takes the ashes and returns them as beauty. Tamela's story invites you to learn how telling your secret leads to freedom. See how shedding light on shame destroys its strength. Discover how God rescues when the shame threatens to drag us under. Take heart. You, too, can find hope that healing is possible. Tamela Turbeville is a trauma survivor healed by grace. She writes so that women who suffered similar trauma, a prodigal past or live with painful secrets know they are loved and wanted. They are His beautiful masterpiece. Tamela's hope is that by telling her story and speaking about her journey, other hurting women see they too can cut the chains of shame and begin

their personal healing journey. She works from her home in the woods where she finds it easier to write when surrounded by her six rescue dogs. Connect at livingoneword.com and tamelaturbeville.com.
Ikigai - Héctor García

INTERNATIONAL
BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE
"Workers looking for more fulfilling positions should start by identifying their ikigai."
—Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life."
—Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years."
—Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents

of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction

to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

Fragrant - Mandy Aftel
2014-10-16
Winner of the 2016 Perfumed Plume Award The "Alice Waters of American natural perfume" (indieperfume.com) and author of the Art of Flavor celebrates our most potent sense, through five rock stars of the fragrant world Mandy Aftel is widely acclaimed as a trailblazer in natural perfumery. Over two decades of sourcing the finest aromatic ingredients from all over the world and creating artisanal fragrances, she has been an evangelist for the transformative power of scent. In *Fragrant*, through five major players in the epic of aroma, she explores the profound connection between our sense of smell and the appetites that move us, give us pleasure, make us fully alive. Cinnamon, queen of the Spice Route, touches our hunger for the unknown, the exotic, the

luxurious. Mint, homegrown the world over, speaks to our affinity for the familiar, the native, the authentic. Frankincense, an ancient incense ingredient, taps into our longing for transcendence, while ambergris embodies our unquenchable curiosity. And exquisite jasmine exemplifies our yearning for beauty, both evanescent and enduring. In addition to providing a riveting initiation into the history, natural history, and philosophy of scent, *Fragrant* imparts the essentials of scent literacy and includes recipes for easy-to-make fragrances and edible, drinkable, and useful concoctions that reveal the imaginative possibilities of creating with—and reveling in—aroma. Vintage line drawings make for a volume that will be a treasured gift as well as a great read.

Secret Teachings of Padmasambhava -

Padmasambhava 2010-10-12
These Tibetan Buddhist teachings provide instructions for gathering and harnessing basic life energy. According to the tradition, a very effective way to do this is to arouse sexual energy and to direct the essence of that energy toward spiritual realization. According to the philosophy, sexual energy brings one naturally and effortlessly into flow with creativity and awareness in both mind and body—when used skillfully by committed practitioners with appropriate training. These ancient texts, attributed to the great Tibetan meditation master

Padmasambhava (who practiced sexual union with the famous Tibetan queen Yeshe Tsogyal), offer traditional Buddhist teachings on the nature of the elements that all beings and our world are made of. They show us a practical view of how to use life-energy for personal development. The teachings are for experienced Buddhist practitioners.

The Scent of Burnt Flowers - Blitz Bazawule 2022-06-28
Fleeing persecution in 1960s America, a Black couple seeks asylum in Ghana, but fresh dangers and old secrets threaten their newfound freedom in this hypnotic debut novel. "I am truly blown away by this novel."—Jacqueline Woodson, New York Times bestselling author of *Red at the Bone* When the windshield of his Chevy Impala shatters in a dark diner parking lot in Alabama, Melvin moves without thinking. A split-second reaction marrows in his bones from the days of war, but this time it is the safety of his fiancé, Bernadette, at stake. Impulse keeps them alive, and

yet they flee with blood on their hands. What is life like now that they are fugitives? Pack passports. Empty bank accounts. Set their old life on fire. The couple disguise themselves as a pastor and a reluctant pastor's wife who's hiding a secret from her fiancé. With a persistent FBI agent on their trail, they travel to Ghana to seek the help of Melvin's old college friend who happens to be the country's embattled president, Kwame Nkrumah. The couple's chance encounter with Ghana's most beloved highlife musician, Kwesi Kwayson, who's on his way to perform for the president, sparks a journey full of suspense, lust, magic, and danger as Nkrumah's regime crumbles around them. What was meant to be a fresh start quickly spirals into chaos, threatening both their relationship and their lives. Kwesi and Bernadette's undeniable attraction and otherworldly bond cascades during their three-day trek, and so does Melvin's intense jealousy. All three must

confront one another and their secrets, setting off a series of cataclysmic events. Steeped in the history and mythology of postcolonial West Africa at the intersection of the civil rights movement in America, this gripping and ambitious debut merges political intrigue, magical encounters, and forbidden romance in an epic collision of morality and power. [The Hidden Geometry of Life](#) - Karen L. French 2014-05-13 Encompassing nature, science, art, architecture, and spirituality, and illustrated with over 700 photographs and line drawings, "The Hidden Geometry of Life" illuminates the secret underpinnings of existence. In her trademark easy-to-understand style, mathematician Karen French shows how sacred geometry permeates every level of being, manifesting itself in simple shapes and numbers, music and sounds, light and color, even in the mysteries of creation itself. But these geometrical archetypes are more than the building blocks of reality: they are gateways to

profound new levels of awareness.

Death in Bloom - Jess Dylan 2021-05-25

The first in a sweet and colorful cozy mystery series from Jess Dylan, *Death in Bloom* introduces flower shop owner Sierra Ravenswood. At the Flower House, every rose has its thorn . . . Sierra Ravenswood is the new part-time employee of the Flower House, a flower shop in Aerieville, Tennessee. It's true she didn't expect to be back in her hometown at twenty-eight-years-old, but after her dream of making it as a singer in Nashville crashed and burned, she's just grateful to have found a soft place to land. Because, after all, Sierra firmly believes in being optimistic and positive about life, so she's sure she won't have to work at the Flower House forever. But things take a decidedly negative turn when a customer drops dead in the middle of her new bouquet-arranging workshop at the store. When it's discovered he was poisoned by a snack at the event,

everyone at the workshop, including Sierra, is on the suspect list. To make matters worse, her boss has gone AWOL and left the store to her for the cost of one dollar, leaving Sierra in charge of both his store and his high-energy Corgi puppy, Gus. The town is on edge, and Sierra knows that murder is something that an upbeat attitude and a bouquet of sweet-smelling roses can't fix. She's determined to figure out whodunit, before anyone else in town meets an untimely reason for needing funeral flowers.

Because I Could Not Stop for Death - Amanda Flower 2022-09-20

Emily Dickinson and her housemaid, Willa Noble, realize there is nothing poetic about murder in this first book in an all-new series from USA Today

bestselling and Agatha Award-winning author Amanda Flower. January 1855 Willa Noble knew it was bad luck when it was pouring rain on the day of her ever-important job interview at the Dickinson home in Amherst, Massachusetts. When she arrived late, disheveled with her skirts sodden and filthy, she'd lost all hope of being hired for the position. As the housekeeper politely told her they'd be in touch, Willa started toward the door of the stately home only to be called back by the soft but strong voice of Emily Dickinson. What begins as tenuous employment turns to friendship as the reclusive poet takes Willa under her wing. Tragedy soon strikes and Willa's beloved brother, Henry, is killed in a tragic accident at the town stables. With no other family and nowhere else to turn, Willa tells Emily about her brother's death and why she believes it was no accident. Willa is convinced it was murder. Henry had been very secretive of late, only hinting to Willa

that he'd found a way to earn money to take care of them both. Viewing it first as a puzzle to piece together, Emily offers to help, only to realize that she and Willa are caught in a deadly game of cat and mouse that reveals corruption in Amherst that is generations deep. Some very high-powered people will stop at nothing to keep their profitable secrets even if that means forever silencing Willa and her new mistress....

Psychology and the East - C.G. Jung 2018-09-03

'These writings of his are strongly alive; in most instances Jung does not present us with final solutions and last words about any of the great East-West problems, but rather with suggestions for a deeper kind of approach, thus opening up new planes of investigation.' - Journal of Analytical Psychology "My own world of European consciousness had become peculiarly thin... it is quite possible that India is the real world and that the white man lives in a madhouse of

abstractions." C.G. Jung was inspired to write these words after his very first visit to India. Long concerned with the hold that myth and archetype had on the human psyche, it was inevitable that the legendary psychoanalyst would turn his attention to Eastern modes of thought. Psychology and the East collects together many of Jung's most memorable writings on the subject, including his Psychological commentaries on the I Ching and The Tibetan Book of the Dead, his thoughts on Buddhism and Islam and a full travelogue of that fateful first encounter with India in 1936. *Killers of the Flower Moon* - David Grann 2017-04-18 NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered

beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. [The Lost Flowers of Alice Hart](#)
- Holly Ringland 2018-08-07

An enchanting and captivating novel about how our untold stories haunt us — and the stories we tell ourselves in order to survive. After her family suffers a tragedy, nine-

year-old Alice Hart is forced to leave her idyllic seaside home. She is taken in by her grandmother, June, a flower farmer who raises Alice on the language of Australian native flowers, a way to say the things that are too hard to speak. Under the watchful eye of June and the women who run the farm, Alice settles, but grows up increasingly frustrated by how little she knows of her family's story. In her early twenties, Alice's life is thrown into upheaval again when she suffers devastating betrayal and loss. Desperate to outrun grief, Alice flees to the dramatically beautiful central Australian desert. In this otherworldly landscape Alice thinks she has found solace, until she meets a charismatic and ultimately dangerous man. Spanning two decades, set between sugar cane fields by the sea, a native Australian flower farm, and a celestial crater in the central desert, *The Lost Flowers of Alice Hart* follows Alice's unforgettable journey, as she learns that the most powerful story she will

ever possess is her own.

Life's Greatest Secret -

Matthew Cobb 2015-07-07

Everyone has heard of the story of DNA as the story of Watson and Crick and Rosalind Franklin, but knowing the structure of DNA was only a part of a greater struggle to understand life's secrets. *Life's Greatest Secret* is the story of the discovery and cracking of the genetic code, the thing that ultimately enables a spiraling molecule to give rise to the life that exists all around us. This great scientific breakthrough has had farreaching consequences for how we understand ourselves and our place in the natural world, and for how we might take control of our (and life's) future. *Life's Greatest Secret* mixes remarkable insights, theoretical dead-ends, and ingenious experiments with the swift pace of a thriller. From New York to Paris, Cambridge, Massachusetts, to Cambridge, England, and London to Moscow, the greatest discovery of twentieth-century biology was truly a global feat.

Biologist and historian of science Matthew Cobb gives the full and rich account of the cooperation and competition between the eccentric characters—mathematicians, physicists, information theorists, and biologists—who contributed to this revolutionary new science. And, while every new discovery was a leap forward for science, Cobb shows how every new answer inevitably led to new questions that were at least as difficult to answer: just ask anyone who had hoped that the successful completion of the Human Genome Project was going to truly yield the book of life, or that a better understanding of epigenetics or “junk DNA” was going to be the final piece of the puzzle. But the setbacks and unexpected discoveries are what make the science exciting, and it is Matthew Cobb’s telling that makes them worth reading. This is a riveting story of humans exploring what it is that makes us human and how the world works, and it is essential

reading for anyone who’d like to explore those questions for themselves.

The Secret of the Golden Flower - JJ Semple 2018-07-23

The first book to examine and extract the workable teachings from the The Secret of the Golden Flower. Forget dogma and belief systems... This is DIY meditation method, especially for those individuals tempted to brave the solitary path. It’s only limits are your ability to envision and strive for a new YOU. Since the publication of Deciphering the Golden Flower One Secret at a Time (ASIN: B001A9TN7Q) in 2008 (DGF), readers have asked for an in-depth guidebook on using The Secret of the Golden Flower (SGF) to awaken kundalini in a manner, and with results, similar to those described in JJ Semple's DGF. The Secret of the Golden Flower: A Kundalini Meditation Method is that book, a much anticipated interpretive guide to the SGF as well as a sequel to his DGF autobiographical kundalini memoir. Kundalini is the formative, biological life force

energy in your body. Most people don't realize that kundalini resides within them; they are simply unaware of its actuality and its potential. Which means, of course, that it may never "re-activate" either spontaneously or otherwise, not unless you learn how to induce a Kundalini awakening through meditation practice. Even then, the outcome is never certain. There's a quantum or karmic aspect to the process. Wilhelm, Cleary, and Jung translated the book and commented on its teachings, but not one of them ever practiced the method. This book compares their translations and commentaries with JJ Semple's empirical practice of the method, using his ultimate success in awakening kundalini as the arbiter of its suitability as a method — in essence, the author identifies where the written word deviates from actual practice. He extracts the workable teachings from the esoteric text of the SGF and shapes them into a practical modern method. By cross-

referencing both the Cleary and the Wilhelm versions, the author details each version's contribution to the kundalini awakening process. A chapter comparing Golden Flower Meditation (GFM) to the Microcosmic Orbit (MCO) is also included. Says JJ Semple, "Did I take every word and every passage in the Wilhelm version literally? No more than I take every word or passage in the Bible, or in Cleary's translation, literally. I realized that a successful practice depended on problem solving and detective work, that searching for literal meaning was a waste of time. Success would be found in doing, not in fantasizing." In fact, the SGF has two objectives. One, it's a manual for kundalini meditation, even though the term "kundalini" never appears in the text. Put aside what you may have been told or read about the SGF and accept this as fact — one borne out by centuries of realized practitioners who practiced the method, a fact vetted by contemporaries such as Gopi

Krishna. Two, it's an explanation of ontology, which the dictionary defines as: "the branch of metaphysics dealing with the nature of being." Neither objective is readily understood without practicing the method. Sure, it's possible to approach the text as an academic challenge, but the best way to reconcile the two objectives is by practicing the method, which, if you are patient, allows you to "grok" the ontological elements as you move forward. The two are not separated in the text; they're mingled together, which, as you might imagine, makes understanding problematic. Says JJ Semple, "Although the ontological portions obscured the practical aspects to some degree, I decided to forge ahead. Ultimately, once the meditation took its course, once the light started to circulate, I was catapulted out of the limiting duality of the physical world into the metaphysical actuality of 'the great One...which has nothing above it.'" In short, he learned that enlightenment comes with

practice.

The Ancient Secret of the Flower of Life - Drunvalo Melchizedek 1999-04

Here, Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life workshop, illuminating the mysteries of how we came to be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. You may see them sparkle around some of these provocative ideas: Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life.

Journeys Into the Heart -
Drunvalo Melchizedek
2017-02-22

Moving into the Heart There is movement associated with entering the sacred space of the heart. Without this movement, your brain only imagines that you are in the sacred space of the heart, but this is not true. In *Journeys into the Heart*, you will find exercises that show you how to move your spirit there. If you have never done this before, it may seem a little strange, but you will get it. The master authorized to guide you into your heart is the spirit behind the eyes reading these words now. That is you. Read and enjoy practicing and applying all the methods we offer you. Decide the appropriate one for you. Then practice, practice, and practice again, and remember who you really are. Last, read about our experiences entering the heart, about the prayer of the heart, and living in the heart. You might find them very helpful on your own spiritual journey. Remember, you and I are alike.

I am you and you are me. --

*The Ancient Secret of the
Flower of Life, Volume 2* -
Drunvalo Melchizedek
2012-04-27

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the reality and the subtle energies that shape

our world. We are led through a divinely inspired labyrinth of science, stories, logic, and coincidence on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation--step-by-step techniques for the re-creation of the energy field of the evolved human--which is the key to ascension and the next dimensional world. if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others, and even of the planet. You may discover a memory or a fleeting reflection of yourself in the following topics: - The Unfolding of the Third Informational System: the circles and squares of human consciousness, Leonardo da Vinci's true understanding of the Flower of Life, and exploring the rooms of the great pyramid - Whispers From

Our Ancient Heritage: the initiations of Egypt, the mysteries of resurrection, interdimensional conception, ancient mystery schools, Egyptian tantra, and sexual energy and the orgasm - Unveiling the Mer-Ka-Ba Meditation: chakras and the human energy system, energy fields around the body, the seventeen breaths of the Mer-Ka-Ba meditation, and the sacred geometry of the human lightbody.

The Keys to the Universe -

Diana Cooper 2010-12-01

As part of the preparation for 2012—when the universe will present vast changes for humanity—this examination communicates the knowledge of wise ancients. There are 48 keys and two cosmic keys that open up the various energies of the universe. Along with the accompanying CD, the information in this book will enable readers to expand their consciousness by using these keys to unlock the secrets of other realms, such as the animal and natural kingdoms, the elementals, different

archangels and other angelic beings, cosmic masters, and wisdom centers. An exploration of spiritual laws, this is a fascinating and important look at energies that manifest as sound resonances and what humanity can do to access them.

Living in the Heart -

Drunvalo Melchizedek

2012-04-27

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from

our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read

this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

The Secret of Secrets - Osho
2017-06-06

Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels The Secret of the Golden Flowers, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific

instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

The Book of Secrets - Deepak Chopra, M.D. 2004-09-28
"The Book of Secrets is the finest and most profound of Deepak Chopra's books to date. Want the answers to the secrets of life? Let me recommend that you start right here." —Ken Wilber, author of *A Brief History of Everything*
We all want to know how to find a soul mate, what career would be most fulfilling, how to live a life with meaning, and how to teach our children well. We are looking for a personal breakthrough, a turning point,

a revelation that brings with it new meaning. The Book of Secrets—a crystalline distillation of insights and wisdom accumulated over the lifetime of one of the great spiritual thinkers of our time—provides an exquisite new tool for achieving just that. Every life is a book of secrets, ready to be opened. The secret of perfect love is found there, along with the secrets of healing, compassion, faith, and the most elusive one of all: who we really are. We are still mysteries to ourselves, despite the proximity of these answers, and what we most long to know remains lodged deep inside. Because answers to the questions at the center of life are counterintuitive, they are often hidden from view, sequestered from our everyday gaze. In his ongoing quest to elevate our experience, bestselling author Deepak Chopra has isolated fifteen secrets that drive the narrative of this inspiring book—and of our lives. From "The World Is in You" and "What You Seek, You Already Are" to "Evil Is Not

Your Enemy" and "You Are Truly Free When You Are Not a Person," The Book of Secrets is rich with insights. It is a priceless treasure that can transport us beyond change to transformation, and from there to a sacred place where we can savor the nectar of enlightenment.

Flowers and Foul Play -

Amanda Flower 2018-05-08

Reeling from the loss of her fiancé and flower shop, Fiona Knox is surprised to find that her newfound inheritance—her late grandfather's magical estate—comes with a murder mystery too. Florist Fiona Knox's life isn't smelling so sweet these days. Her fiancé left her for their cake decorator. Then, her flower shop wilted after a chain florist opened next door. So when her godfather, Ian MacCallister, leaves her a cottage in Scotland, Fiona jumps on the next plane to Edinburgh. Ian,

after all, is the one who taught her to love flowers. But when Ian's elderly caretaker Hamish MacGregor shows her to the cottage upon her arrival, she finds the once resplendent grounds of Duncreigan in a dreadful shambles—with a dead body in the garden.

Minutes into her arrival, Fiona is already being questioned by the handsome Chief Inspector Neil Craig and getting her passport seized. But it's Craig's fixation on Uncle Ian's loyal caretaker, Hamish, as a prime suspect, that really makes her worried. As Fiona strolls the town, she quickly realizes there are a whole bouquet of suspects much more likely to have killed Alastair Croft, the dead lawyer who seems to have had more enemies than friends. Now it's up to Fiona to clear Hamish's name before it's too late in *Flowers and Foul Play*, USA Today bestselling author Amanda Flower's spellbinding first Magic Garden mystery.

The Secret of the Golden Flower - Wang Chongyang
2013-05-30

A Chinese Taoist book about

meditation, this book was first translated by Richard Wilhelm (also translator, in the 1920s, of the Chinese philosophical classic the I Ching). Wilhelm, was German, and his translations from Chinese to German were later translated to English by Cary F. Baynes. According to Wilhelm, LuDongbin was the main originator of the material presented in the book suggests that the material is from Quanzhen School founder Wang Chongyang, a student of Lu Dongbin). More recently (2013), the same work has been translated by Pei Yeing and published by Ancient Wisdom Publications. Since the original (now, public domain) work is a Chinese translation from German, it is strongly suggested that this work should be considered as an alternative resource for any serious practitioner. The translator of this work is a lifetime practitioner of meditation is currently living in Shanghai, China but a Malaysian Chinese by birth. *The Secret Life of Plants* -
