**Cruising Guide to the Leeward Islands** - Chris Doyle 1998

Fair winds and fine cruising is author Chris Doyle's wish for readers of this popular, newly updated guide to the 10 island nations of this enchanting Caribbean chain. Doyle's background in research makes this volume rich in practical details; yet its tone is conversational. His is also an intimate knowledge, gathered from more than 20 years of live-aboard Caribbean cruising on his Carib 41 Helos, a former charterboat. The Leewards are a cultural and topographic mix, and Doyle addresses them by geographical grouping. The Renaissance Islands (St. Martin, St. Barts and Anguilla), an economically strong bareboating enclave, offer short cruising passages and a wide choice of anchorages. The Islands That Brush the Clouds - a volcanic chain strung between Saba and Montserrat - present

cruisers with a variety of channels and terrain. Most broadly strewn are the Islands of Mountains and Mangroves, a patchwork chiefly of rugged rainforest and exotic fauna, guarded in spots by spectacular reefs. The southern Leewards in particular have cried for reliable charting. Doyle provides aid throughout, using GPS coordinates, a trove of charts and color maps. All are cross-referenced with the newly released Caribbean Yachting Charts, exactly detailed and available through Cruising Guide Publications. Spectacular photographs add a visual feast. Onshore accommodations, transportation, communications, entertainment and provisioning are also addressed throughout the guide, and in an exhaustive directory by island and service type.

The 2021-2022 Sailors Guide to the Windward Islands - Chris Doyle 2020-11

By Chris Doyle and Lexi Fisher. This guide picks up where The Cruising Guide to the Southern Leeward Islands ends and is revised and

updated for 2021-2022. After 38 years in print, this book continues to be the best selling cruising guide to the Windward Islands. **Cruising Guide to Venezuela and Bonaire** - Chris Doyle 2001-10-01

Sailors Guide to the Windward Islands - Chris Doyle 2012-09-30

Publisher's Review: Chris Doyle published the

first Cruising Guide to the Windward Islands in 1980. Over its 16 editions, this book has gone from strength to strength, staying on the cutting edge of cruising guide technology with each new edition. It was the first in the area to come out with GPS waypoints, color photography, computerized color sketch charts, and web support. It has, for many years, been the best selling guide to this area for the following reasons: Excellent anchorage charts that are based on the author's surveys and are very clear and detailed. Aerial photos are included for most anchorages. Like all Doyle's guides, it is beautifully printed in full color on glossy paper with lots of scenic photography. The navigational information is clear and concise, with GPS waypoints. The Doyle guides are unsurpassed for their onshore information, and this book is no exception, with excellent sections on exploring, provisioning, eating out, as well as services, and water sports for each anchorage. This guide is backed by his website which offers

downloadable GPS waypoints and updates as well as general information and links to local businesses for all the islands covered in this guide. Plenty of local advertising is included, which most readers find really useful. This advertising also helps to keep the price of this high quality book really reasonable.

*Leeward Anchorages* - Chris Doyle 2011  
Leeward Anchorages, graphically, and through spectacular aerial photography, depicts 43 anchorages and harbors throughout the islands of Anguilla, Sint Maarten/Saint Martin, Saint Barts, Saba, Statia, Saint Kitts, Nevis, Barbuda, Antigua, Guadeloupe, Marie Galante, Iles des Saintes and Dominica from Road Bay, Anguilla to Roseau, Dominica. The book is to be used in conjunction with navigational charts and is a companion book of The Cruising Guide to the Leeward Islands. It is an indispensable aid for the yachtsman or charterer visiting these legendary islands.

**A Cruising Guide to the Lesser Antilles** - Donald M. Street 2001-10-01

This book is Street's second guide. The first was a mimeographed guide to the Virgin Islands published privately in 1964. That guide opened up the Virgin Islands to the visiting cruising yachtsman and made bare boat chartering possible. This book, Streets second guide, became "The Bible" for all yachtsmen cruising the Lesser Antilles.

**Caribbean Passagemaking** - Les Weatheritt  
2015-05-01

The chain of islands from the Virgins to the southern Lesser Antilles is one of the most desirable tropical cruising grounds as well as the most accessible for North American and European sailors. The Caribbean Sea is usually benign but the conditions are very different from your home waters—you must learn to sail with the grain of wind, weather, current, and climate, or these forgiving waters will turn into a punishingly rough old sea. This updated third edition of Caribbean Passagemaking is an entertaining mine of information for the sun-soaked passage planner as well as the dreamer back home. Here is the full, vital background to help skipper and crew enjoy sailing the Caribbean islands.

*Winter in Fireland* - Nicholas Coghlan  
2012-08-15

After tough assignments as a Canadian diplomat abroad, Nicholas Coghlan and his wife Jenny unwind by sailing *Bosun Bird*, a 27foot sailboat, from Cape Town, South Africa, across the South Atlantic and into the stormy winter waters around Tierra del Fuego, South America. Coghlan recounts earlier adventures in Patagonia when, taking time off from his job as a schoolteacher in Buenos Aires in the late 1970s, he and Jenny explored the region of southern Argentina and Chile over three successive

summers. This time, as they negotiate the labyrinth of channels and inlets around snow-covered Fireland, he reflects on voyages of past explorers: Magellan, Cook, Darwin, and others. Sailing enthusiasts and readers of true adventures will want to add Coghlan's world-wise narrative to their libraries.
