**The Books of Magic** - Neil Gaiman 2012-08-07  
From Neil Gaiman, the best-selling novelist and creator of the world-renowned comics title *The Sandman*, comes a mesmerizing tale of the dangers and opportunities of youth, and its endless possibilities. Illustrated by four of comics' most accomplished artists, John Bolton, Scott Hampton, Charles Vess and Paul Johnson, **THE BOOKS OF MAGIC** collects all four issues of the original miniseries that introduced the character of Timothy Hunter and set the stage for his continuing adventures. Timothy Hunter could be the most powerful magician in the world, but does he really want to be? Guided through the magical world starting at the beginning of time by a group of DC Universe magicians, often referred to as the Trenchcoat Brigade (John Constantine, Phantom Stranger, Mister E, and Doctor Occult), they attempt to aid Timothy in his decision whether or not to embrace his gift. However, by the time Timothy makes a choice, it may have already been made for him.

**The Art of Invective** - Dennis Potter  
2015-05-12

Dennis Potter (1935-94) was Britain's leading television dramatist for almost thirty years and remains an inspiration to today's programme makers as a result of such ground-breaking work as *Pennies from Heaven*, *Blue Remembered Hills*

and *The Singing Detective*. But he also engaged with his audience through reviews, journalism, interviews, broadcasts and speeches. *The Art of Invective*, the first collection of its kind, brings together some of his finest non-fiction work. Published to mark 80 years since Potter's birth, this book includes his merciless television columns, penetrating literary criticism and angry writings on class and politics, as well as his sketches for Sixties satire shows including *That Was the Week That Was*. From Frost-Nixon to *Coronation Street*, David Hare to *Doctor Who*, Orwell to *Emu*, this collection shows Potter's distinctive voice at its entertaining, thought-provoking and uncompromising best.

**Charles Williams Omnibus - War in Heaven, Many Dimensions, the Place of the Lion, Shadows of Ecstasy, the Greater Trumps, Descent Into Hell, All Hallo** - Charles Williams  
2012-04

This book is an omnibus edition containing the seven novels that Charles Williams wrote as well as a short story that he wrote for the *London Mercury*: *War in Heaven* (1930) - The Holy Grail is discovered in a small country parish and becomes both a sacramental object to protect or a cup of power to exploit. *Many Dimensions* (1931) - The Stone of Suleiman is illegally acquired from its Islamic guardian in Baghdad and taken to England, it is discovered the stone

allows its possessor to transcend the barriers of space and time. *The Place of the Lion* (1931) - Platonic archetypes begin to appear in an English market town, wreaking havoc and unveiling the spiritual strengths and flaws of the townspeople. *Shadows of Ecstasy* (1931) - A man discovers that by focusing his energies inward he can extend his life almost indefinitely. He undertakes an experiment using to die and resurrect his own body in order to attain immortality. *The Greater Trumps* (1932) - The original Tarot is used to unlock immense power, allowing those who possess it to see across space and time, create matter, and create powerful natural storms. *Descent into Hell* (1937) - An academic fetishizes a woman to the extent that his perversion takes the form of a female demon. The cycle of sin brings about the necessity for redemptive acts. *All Hallows' Eve* (1945) - Explores the meaning of suffering and empathy by removing the barrier between the living and the dead through both black magic and divine love. *Et in Sempiternum Pereant* (1935) - In this short story a retired Lord Chief Justice is on a walk in the countryside when he enters a burning house and encounters a troubled spirit on its way to Hell. This is the only tale of this kind that Williams wrote - sketchy in detail but terrifying through implication. Williams was admired by his contemporaries including T. S. Eliot and W. H. Auden, his especially by C. S. Lewis, whose novel *That Hideous Strength* is considered to be entirely inspired by Williams's work. When he moved to Oxford he participated regularly in Lewis's literary society known as the Inklings. This enabled Williams to read and improve his final published novel, *All Hallows' Eve*, as well as to hear J. R. R. Tolkien read some of his early drafts of *The Lord of the Rings* aloud to the group.

*Eine kurze Geschichte der Fantasy* - Farah Mendlesohn 2017-12-06

Fantasy ist, obwohl Literaturkritiker wie Akademiker dies gerne ausblenden, das einfluss- und erfolgreichste Genre des 21. Jahrhunderts. Einige der frühesten Bücher unserer Kultur, darunter das Gilgamesch-Epos und die Odyssee, handeln von Ungeheuern, Wundern,

phantastischen Reisen und Magie. Gegenwärtig reicht das Spektrum der Fantasy von weltweit rezipierten mehrbändigen Serien bis zu anspruchsvollsten Nischenpublikationen. Die vorliegende Einführung stellt das Genre in den Zusammenhang der europäischen Literatur, erzählt seine Geschichte von den Anfängen bis zu den Ursprüngen der modernen Fantasy im 20. Jahrhundert und widmet sich in ihren Hauptkapiteln der Zeit seit Tolkiens ›Herr der Ringe‹, vom Fantasy-Boom der 70er- und 80er-Jahre über den Erfolg der ›Harry Potter‹-Serie bis hin zu aktuellen Entwicklungen.

**The Boys of '61, Or, Four Years of Fighting** - Charles Carleton Coffin 1881

Coffin writes his personal observations while with the United States Army and Navy during the Civil War. From the first battle of Bull Run to the fall of Richmond and the surrender of Lee, he experienced the war at close quarters and takes us through the intimacy of the march and the camp, among ordinary men and officers, as momentous events unfolded and important decisions were made.

Many Dimensions - Charles Williams 2019-05-01  
"Many Dimensions" is a 1930 novel by Charles W. S. Williams. Charles Walter Stansby Williams (1886 - 1945) was a British theologian, novelist, poet, playwright, and literary critic. He was also a member of the "The Inklings", a literary

discussion group connected to the University of Oxford, England. They were exclusively literary enthusiasts who championed the merit of narrative in fiction and concentrated on writing fantasy. He was given an scholarship to University College London, but was forced to leave in 1904 because he couldn't afford the tuition fees. Other notable works by this author include: "The Greater Trumps" (1932), "War in Heaven" (1930), and "The Place of the Lion" (1931). This volume is highly recommended for lovers of fantasy fiction, and it would make for a fantastic addition to any collection. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

Truth Triumphant - Wilkinson, Benjamin George 2015-02-23

A much neglected field of study has been opened by the research of the author into the history of the Christian church from its apostolic origins to the close of the eighteenth century. Taking as his thesis the prominence given to the Church in the Wilderness in Bible prophecy, and the fact that "'the Church in the Wilderness,' and not the proud hierarchy enthroned in the world's great capital, was the true church of Christ," he has spent years developing this subject. In its present form, Truth Triumphant represents much arduous research in the libraries of Europe as well as in America. Excellent ancient sources are most difficult to obtain, but the author has been successful in gaining access to many of them. To crystallize the subject matter and make the historical facts live in modern times, the author also made extensive travels throughout Europe and Asia. The doctrines of the primitive Christian church spread to Ireland, Scotland, and Wales. As grains of a mustard seed they lodged in the hearts of many Godly souls in southern France and northern Italy — people known as the Albigenses and the Waldenses. The faith of Jesus was valiantly upheld by the Church of the East. This term, as used by the author, not only includes the Syrian and Assyrian Churches, but is also the term applied to the development of apostolic Christianity throughout the lands of the East. The spirit of Christ, burning in the hearts of loyal

men who would not compromise with paganism, sent them forth as missionaries to lands afar. Patrick, Columbanus, Marcos, and a host of others were missionaries to distant lands. They braved the ignorance of the barbarian, the intolerance of the apostate church leaders, and the persecution of the state in order that they might win souls to God. To unfold the dangers that were ever present in the conflict of the true church against error, to reveal the sinister working of evil and the divine strength by which men of God made truth triumphant, to challenge the Remnant Church today in its final controversy against the powers of evil, and to show the holy, unchanging message of the Bible as it has been preserved for those who will "fear God, and keep His commandments" — these are the sincere aims of the author as he presents this book to those who know the truth. MERLIN L. NEFF.

**Bede, the Schools, and the Computus** - Charles Williams Jones 1994

Charles W Jones edited both literary and scientific works of Bede, and he traced their sources from Egypt, Roman Africa, and Italy, through Spain, Gaul and Ireland to the library of his monastery at Jarrow. In these studies Jones analyses Bede's use of those sources for creating and explaining the European calendar which, despite later adjustments, still regulates modern consciousness of time. Included also are his analysis of Bede's Commentary on Genesis and the entire text of Bedae Pseudepigrapha (long out of print), in which the false attributions of numerous scientific works in the Patrologia Latinae are corrected. He found many manuscripts of these texts, and dated them and identified their sources. His work stands as a remarkable contribution to understanding Anglo-Saxon schools, history, culture and scientific knowledge, as well as Anglo-Saxon influence on the continent.
