The Rise: Kobe Bryant and the Pursuit of
Immortality - Mike Sielski 2022-01-11

"A compelling origin story of a time that really
wasn't so long ago but through the lens of
tragedy feels like forever. Kobe-ologists will
devour this book, reveling in the anecdotes
about his intensity & the engaging game
recaps." —Associated Press "Every superhero
needs an origin story." —Jeff Pearlman The inside
look at one of the most captivating and
consequential figures in our culture—with never-
before-heard interviews. Kobe Bryant's death in

January 2020 did more than rattle the worlds of
sports and celebrity. The tragedy of that
helicopter crash, which also took the life of his
daughter Gianna, unveiled the full breadth and
depth of his influence on our culture, and by
tracing and telling the oft-forgotten and lesser-
known story of his early life, *The Rise* promises
to provide an insight into Kobe that no other
analysis has. In *The Rise*, readers will travel
from the neighborhood streets of Southwest
Philadelphia—where Kobe's father, Joe, became
a local basketball standout—to the Bryant
family's isolation in Italy, where Kobe spent his
formative years, to the leafy suburbs of Lower
Merion, where Kobe's legend was born. The
story will trace his career and life at Lower
Merion—he led the Aces to the 1995-96
Pennsylvania state championship, a dramatic
underdog run for a team with just one star
player—and the run-up to the 1996 NBA draft,
where Kobe's dream of playing pro basketball
culminated in his acquisition by the Los Angeles

Lakers. In researching and writing *The Rise*, Mike Sielski had a terrific advantage over other writers who have attempted to chronicle Kobe's life: access to a series of never-before-released interviews with him during his senior season and early days in the NBA. For a quarter century, these tapes and transcripts preserved Kobe's thoughts, dreams, and goals from his teenage years, and they contained insights into and told stories about him that have never been revealed before. This is more than a basketball book. This is an exploration of the identity and making of an icon and the effect of his development on those around him—the essence of the man before he truly became a man.

Remembering Kobe Bryant - Sean Deveney

2016-10-04

Let Stephen Curry, Charles Barkley, Grant Hill, Reggie Miller, and more, tell you what it was like to take the floor against one of the Greatest of All Time. With a Foreword by Jerry West, and a new tribute from the author about Kobe's tragic

death. When he entered the NBA in 1996 as a high-school star from Lower Merion, Pennsylvania, Kobe Bryant faced enormous expectations. No one can deny that he rose to the challenge. Today Bryant's status as a future Hall of Fame player is assured. During his stellar career, Bryant won five NBA championships; was a seventeen-time All-Star, NBA MVP, and two-time NBA Finals MVP. He led the league in scoring in 2006 and 2007. Now for the first time, hear stories from opponents, teammates, and players about what it was like to go against Kobe in *Remembering Kobe Bryant*. Contributors include: Chris Webber, Jeff Van Gundy, Rick Barry, Doc Rivers, Dwayne Wade, Draymond Green, Giannis Antetokounmpo, Russell Westbrook, Carmelo Anthony, and many more. Kobe Bryant was the greatest basketball player of his generation—a former schoolboy prodigy whose moves are now imitated in gyms and playgrounds around the world. *Remembering Kobe Bryant* provides an unprecedented glimpse

into what it was like to play against one of the best of all time. Skyhorse Publishing and our Sports Publishing imprint is proud to publish a range of books for readers interested in sports—baseball, pro football, college football, pro basketball, college basketball, hockey, soccer, and more, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Immortality - Mike Sielski 2022-01-11
Kobe Bryant's death in January 2020 did more than rattle the worlds of sports and celebrity. It took the tragedy of that helicopter crash to reveal the full breadth and depth of Kobe's influence, and by tracing and telling the oft-forgotten and lesser-known story of his early life, *The Rise* promises to provide an unparalleled insight into Kobe. In *The Rise*, readers will travel from the cracked concrete basketball courts of Philadelphia in the 1960s and '70s—where Kobe's father, Joe, became a playground, college, and professional standout—to the majesty and isolation of Europe, where Kobe spent his formative years, to the leafy suburbs of Lower Merion, where Kobe's legend was born. The story will culminate with his leading Lower Merion to the 1995-96 Pennsylvania state championship—a true underdog run for a team with just one star player, Kobe—and with the 1996 NBA draft, where Kobe's dream of playing pro basketball culminated with his acquisition by

the Los Angeles Lakers. In researching and writing *The Rise*, Mike Sielski had a terrific advantage over other writers who have attempted to chronicle Kobe's life: access to a series of never-before-released interviews with him during his senior season and early days in the NBA. For a quarter-century, these tapes and transcripts preserved Kobe's thoughts, dreams, and goals from his teenage years, and they contained insights into him and told stories about him that have never been revealed before.

Grown and Flown - Lisa Heffernan 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change,

too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone

looking to raise an adult with whom you have an enduring, profound connection.

Muzzled - Michael Smerconish 2007-03-11

Sick of the total BS of rampant PC? This brazen, furiously funny book is the antidote to today's poison of political correctness. With humor and chutzpah, attorney, commentator, and popular

radio host Michael Smerconish takes on today's oversensitive culture with a collection of entertaining, outlandish anecdotes about PC gone wild-stories that are hilarious, horrifying, and unbelievably true. Why are sports leagues handing out trophies to losers? Why are little old grandmas hired to guard 200-pound prisoners? Why are newborn babies and old men with walkers singled out at the airport while likely terrorists are ushered through security with ease? This book shows through these absurdities that today's atmosphere of censorship and multiculturalism is paving the way for serious threats to our cultural identity and national security: "It's one thing for the forces of political correctness to muzzle our day-to-day lives here at home in the US, quite another when that same cancer metastasizes into the war on terror." We must eradicate the PC disease. Our sanity-and our very lives-depend on it. "Michael Smerconish talks the talk: If you say unpopular things, watch out! Using vivid examples of PC

rubbish, Muzzled will lead you into a world that would terrify Rod Serling. An entertaining and provocative book." -Bill O'Reilly "Reads like fiction, too bad it's true." -Nelson DeMille, novelist, author of Night Fall and The General's Daughter "The PC virus is out of control . . . and it's worse than you think! In this entertaining and important book, Michael Smerconish chronicles just how mindless things have gotten in politically correct America. He tells fascinating stories that will make you laugh . . . right up until the time they make you scream. Thanks to the PC crowd, we are all living in The United States of the Absurd." -Bernard Goldberg, journalist and author of 100 People Who Are Screwing Up America, Arrogance, and Bias "I really squirm whenever I find myself agreeing with Smerconish. (I know the feeling is mutual.) I did a lot of squirming while reading this provocative book. All true liberals and conservatives must agree with Smerconish that the PC muzzles must be removed so that people

can decide based on the marketplace of ideas." - Alan Dershowitz, Felix Frankfurter Professor of Law, Harvard and author of Preemption "I don't often find myself on the same side of the political barricades as Michael Smerconish. But Muzzled is a witty, provocative, and timely book. Even when Michael is wrong, which is often, he draws you in and keeps you reading." -Arianna Huffington, author of Pigs at the Trough and Fanatics and Fools "In Muzzled, my American Blood Brother of status-quo-obliterating defiance, Michael Smerconish, once again smokes out the cockroaches of political correctness . . . Muzzled is a great title for a book that I am convinced every American school kid should read and be tested on. If a new generation doesn't grow some intellectual balls, our Once Great Nation will continue to repeat horrific mistakes and pay the price . . . Read it. Live it." -Ted Nugent, rock star, author, television personality, and hunter extraordinaire

Heads of State - Mark Hostutler 2010-11
The history of basketball spans more than a century, from its humble origin as a simple diversion during the harsh winters in America to today's perennial, rim-rattling show of international renown. Throughout the last 60 years, Pennsylvania has been at the forefront of the sport's evolution, supplying the world with a steady stream of stars, from Wilt Chamberlain to Kobe Bryant, who have proven to be some of the best to ever play the game. In *Heads of State: Pennsylvania's Greatest High School Basketball Players of the Modern Era*, sportswriter Mark Hostutler sizes up the commonwealth to rank its 500 most-accomplished scholastic players from 1950-2010. With input from Sonny Vaccaro, Howard Garfinkel, and other hoops cognoscenti, the author canvassed the Keystone State, conducting hundreds of hours of research and interviews to assemble a list that is sure to stir

8/10

passionate debate within an already buzzing community of roundball fans. Hostutler's unique compilation highlights the exploits of Billy Owens, Tom McMillen, Gene Banks, Tyreke Evans, Donyell Marshall, Jameer Nelson, Geoff Petrie, and several others, as they reminisce about their achievements as teenagers on the hardwood. Wonderfully crafted and jam-packed with information, the book is perfect for hardcore fans, stat junkies, or anyone in search of a good read.
