Musial and MORE! This book is the perfect gift idea, guaranteed to bring a smile to any true baseball fan! 100 pages. Detailed drawings, No backside printing (1 player per page).

The Case against Education - Bryan Caplan

2019-08-20

Why we need to stop wasting public funds on education Despite being immensely popular—and immensely lucrative—education is grossly overrated. Now with a new afterword by Bryan Caplan, this explosive book argues that the primary function of education is not to enhance students' skills but to signal the qualities of a good employee. Learn why students hunt for easy As only to forget most of what they learn after the final exam, why decades of growing access to education have not resulted in better jobs for average workers, how employers reward workers for costly schooling they rarely ever use, and why cutting education spending is the best remedy. Romantic notions about education being "good for the soul" must

yield to careful research and common sense—The Case against Education points the way.

Anaheim Angels - Associated Press 2002-10
Anaheim Angels: World Series Champions is a book featuring stories and photos about the team's incredible 2002 season from the files of the Associated Press. The book will tell the complete story of the Angels' winning season through articles, columns, and photos that first appeared in the pages of the major daily newspapers in southern California. Included with Anaheim Angels: World Series Champions is a special CD-ROM offering photos, wallpaper, and other features to complement the stories and color-photos that fill the book.

Hurricane Season - Joe Holley 2018-05-01
An inside look at the 2017 Houston Astros championship season, focusing on the epic seven-game World Series, the front office decisions that built a winning team, and the resilience of the city in the wake of Hurricane

Harvey. On November 1, 2017, the Houston Astros defeated the Los Angeles Dodgers in an epic seven game battle to become 2017 World Series champs. For the Astros, the combination of a magnificently played series, a 101-victory season, and the devastation Hurricane Harvey brought to their city was so incredible it might give Hollywood screenwriters pause. The nation's fourth-largest city, still reeling in the wake of disaster, was smiling again. The Astros' first-ever World Series victory is a great baseball story, but it's also the story of a major American city--a city (and a state) that the rest of the nation doesn't always love or understand--becoming a sentimental favorite because of its grace and good will in response to the largest natural disaster in American history. The Astros' miracle season is also the fascinating tale of a thoroughly modern team. Constructed by NASA-inspired analytics, the team's data-driven system took the game to a more sophisticated level than the so-called Moneyball approach. The team's

new owner, Jim Crane, bought into the system and was willing to endure humiliating seasons in the baseball wilderness with the hope, shared by few initially, that success comes to those who wait. And he was right. But no data-crunching could take credit for a team of likeable, refreshingly good-natured young men who wore "Houston Strong" patches on their jerseys and meant it--guys like shortstop Carlos Correa, who kept a photo in his locker of a Houston woman trudging through fetid water up to her knees. The Astros foundation included George Springer, a powerful slugger and rangy outfielder; third-baseman Alex Bregman, whose defensive play and clutch hitting were crucial in the series; and, of course, the stubby and tenacious second baseman José Altuve, the heart and soul of the team. Hurricane Season is Houston Chronicle columnist Joe Holley's moving account of this extraordinary team--and the extraordinary circumstances of their championship.

The Last Innocents - Michael Leahy

2016-05-10

Winner of the CASEY Award for Best Baseball Book of the Year Finalist for the PEN/ESPN Award for Literary Sports Writing From an award-winning journalist comes the riveting odyssey of seven Los Angeles Dodgers in the 1960s—a chronicle of a team, a game, and a nation in transition during one of the most exciting and unsettled decades in history. Legendary Dodgers Maury Wills, Sandy Koufax, Wes Parker, Jeff Torborg, Dick Tracewski, and Tommy Davis encapsulated 1960s America: white and black, Jewish and Christian, wealthy and working class, pro-Vietnam and anti-war, golden boy and seasoned veteran. The Last Innocents is a thoughtful, technicolor portrait of these seven players—friends, mentors, confidants, rivals, and allies—and their storied team that offers an intriguing look at a sport and a nation in transition. Bringing into focus the high drama of their World Series appearances from 1962 to 1972 and their pivotal games,

Michael Leahy explores these men's interpersonal relationships and illuminates the triumphs, agonies, and challenges each faced individually. Leahy places these men's lives within the political and social maelstrom that was the era when the conformity of the 1950s gave way to demands for equality and rights. Increasingly frustrated over a lack of real bargaining power and an oppressive management who meddled in their personal affairs, the players shared an uneasy relationship with the team's front office. This contention mirrored the discord and uncertainty generated by myriad changes rocking the nation: the civil rights movement, political assassinations, and growing hostility to the escalation of the Vietnam War. While the nation around them changed, these players each experienced a personal and professional metamorphosis that would alter public perceptions and their own. Comprehensive and artfully crafted, *The Last Innocents* is an

evocative and riveting portrait of a pivotal era in baseball and modern America.

[The Los Angeles Dodgers Official 2020 World Series Championship Book](#) - 2020-12-11

The Los Angeles Dodgers Official 2020 World Series Championship Book

[Alou](#) - Felipe Alou 2020-04-01

Growing up in a tiny shack in the Dominican Republic, Felipe Alou never dreamed he would be the first man born and raised in his country to play and manage in Major League Baseball—and also the first to play in the World Series. In this extraordinary autobiography, Alou tells of his real dream to become a doctor, and an improbable turn of events that led to the pro contract. Battling racism in the United States and political turmoil in his home country, Alou persevered, paving the way for his brothers and scores of other Dominicans, including his son Moisés. Alou played seventeen years in the Major Leagues, accumulating more than two thousand hits and two hundred home runs, and

then managed for another fourteen years—four with the San Francisco Giants and ten with the Montreal Expos, where he became the winningest manager in franchise history. Alou’s pioneering journey is embedded in the history of baseball, the Dominican Republic, and a remarkable family. Purchase the audio edition.

[100 Things Astros Fans Should Know & Do Before They Die \(World Series Edition\)](#) - Brian McTaggart 2018-04-16

There's never been a better time to be an Astros fan, and this lively, detailed book explores the personalities, events, and facts every fan should know. Whether you're a die-hard booster from the days of the Colt .45's or a new supporter of Jose Altuve and Carlos Correa, these are the 100 things all fans need to know and do in their lifetime. It contains every essential piece of Astros knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan

superstardom. This World Series edition has been updated to include the team's 2017 championship season as well as a new generation of stars, including Altuve, Correa, George Springer, Dallas Keuchel, Justin Verlander, and more.

[Ball Four](#) - Jim Bouton 2012-03-20

The 50th Anniversary edition of “the book that changed baseball” (NPR), chosen by Time magazine as one of the “100 Greatest Non-Fiction” books. When Ball Four was published in 1970, it created a firestorm. Bouton was called a Judas, a Benedict Arnold, and a “social leper” for having violated the “sanctity of the clubhouse.” Baseball commissioner Bowie Kuhn tried to force Bouton to sign a statement saying the book wasn’t true. Ballplayers, most of whom hadn’t read it, denounced the book. It was even banned by a few libraries. Almost everyone else, however, loved Ball Four. Fans liked discovering that athletes were real people—often wildly funny people. David Halberstam, who won a

Pulitzer for his reporting on Vietnam, wrote a piece in Harper's that said of Bouton: "He has written . . . a book deep in the American vein, so deep in fact that it is by no means a sports book." Today Ball Four has taken on another role—as a time capsule of life in the sixties. "It is not just a diary of Bouton's 1969 season with the Seattle Pilots and Houston Astros," says sportswriter Jim Caple. "It's a vibrant, funny, telling history of an era that seems even further away than four decades. To call it simply a 'tell all book' is like describing The Grapes of Wrath as a book about harvesting peaches in California." Includes a new foreword by Jim Bouton's wife "An irreverent, best-selling book that angered baseball's hierarchy and changed the way journalists and fans viewed the sports world." —The Washington Post

Eurotrash - David Harsanyi 2021-10-26

Why should America try to be more like countries that are worse in nearly every way? Europe has been declining under the weight of

its antiquated institutions, economic fatigue, moral anemia and cultural surrender. Yet American politicians, technocrats, academics, and pundits argue, with increasing popularity, that Americans should look across the Atlantic for solutions to the nation's problems, including on issues like health care, the welfare state, immigration, and a bloated bureaucracy. In Eurotrash, David Harsanyi argues we are looking in the wrong place. By every economic and societal measure, the United States is more tolerant than Europe. It is more welcoming of immigrants, but also far more successful at assimilating them. Minorities do far better in United States. Our economy is dominant. Only one European company appears in top 10 corporate powerhouses in the world and only seven in the top 50. Americans make up nearly half of the list. Americans are far more charitable and happier than Europeans. Our slightly lower life expectancy and our slightly higher infant mortality rate are not a result of

substandard care, but a statistical misunderstanding based on the fact we treat every life as one worth saving. In this biting, fast-moving, and well-researched polemic, Harsanyi debunks prevailing notions about European supremacy and makes an unapologetic case for American exceptionalism, offering insight and reasoned arguments to counter current policy prescriptions.

Houston Astros World Series Champions -

Anthony Curcio 2017-11-21

Hours of fun for grown-up's and kids alike with this Houston Astros: 2017 World Series Champions Coloring Book full of Astros stars from past and present. No backside printing to prevent bleed-through (1 player/image per page). Go Astros! Make sure to check out other books from author/illustrator Anthony Curcio all available through Amazon Prime!

Astros Strong - Houston Chronicle 2017-11-03

During three consecutive 100-loss seasons, Houston Astros management asked fans to be patient, promising them there was a plan in place that would result in success. That patience was rewarded with the ultimate prize in 2017, as the Astros knocked off the Los Angeles Dodgers in thrilling fashion to claim the first World Series crown in team history. During the regular

season they ran away with the American League West, winning the division by a massive 21 games. Anchored by a dynamic offense and boosted by the late-season acquisition of a resurgent Justin Verlander, this historic team would not be denied on their way to the long-awaited title. Packed with superb coverage and vivid color photography from the Houston Chronicle, *Astros Strong: Houston's Historic 2017 Championship Season* guides fans through the Astros' entire amazing journey - from the devastation of Hurricane Harvey and resiliency of the Houston community, to the Astros' quick work of the powerful Red Sox in the ALDS; from their hard-fought ALCS win over the young Yankees, all the way through their incredible World Series triumph over the dominant Dodgers. This commemorative edition also includes feature stories on Astros stars Jose Altuve, Carlos Correa, George Springer, and other fan favorites, and is a must-have keepsake for Astros fans of all generations.

Killers of the Flower Moon - David Grann
2017-04-18

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young

director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, *The Wager*, coming in April 2023!

[Smokey's Fire Prevention Activity Book](#) - 1992

[Year of the Pitcher](#) - Sridhar Pappu 2017-10-03

The story of the remarkable 1968 baseball season. "Seldom does an era, and do sports personalities, come alive so vividly, and so unforgettably." —The Boston Globe In 1968, two remarkable pitchers would dominate the game as well as the broadsheets. One was black, the other white. Bob Gibson, together with the St. Louis Cardinals, embodied an entire generation's hope for integration at a heated moment in American history. Denny McLain, his

adversary, was a crass self-promoter who eschewed the team charter and his Detroit Tigers teammates to zip cross-country in his own plane. For one season, the nation watched as these two men and their teams swept their respective league championships to meet at the World Series. Gibson set a major league record that year with a 1.12 ERA. McLain won more than 30 games in 1968, a feat not achieved since 1934 and untouched since. Together, the two have come to stand as iconic symbols, giving the fans "The Year of the Pitcher" and changing the game. Evoking a nostalgic season and its incredible characters, this is the story of one of the great rivalries in sports and an indelible portrait of the national pastime during a turbulent year—and the two men who electrified fans from all walks of life. "Explores so much more than the battle between two pitchers and their teams . . . A fine history of a vital period in the history of not only baseball, but America." —Kirkus Reviews "A compelling tale of all that

America was in the turbulent year of 1968, told through a (mostly) baseball prism.” —New York Post

You Can't Spell America Without Me - Alec Baldwin 2017-11-07

Political satire as deeper truth: Donald Trump's presidential memoir, as recorded by two world-renowned Trump scholars, and experts on greatness generally "I have the best words, beautiful words, as everybody has been talking and talking about for a long time. Also? The best sentences and, what do you call them, paragraphs. My previous books were great and sold extremely, unbelievably well--even the ones by dishonest, disgusting so-called journalists. But those writers didn't understand Trump, because quite frankly they were major losers. People say if you want it done right you have to do it yourself, even when 'it' is a 'memoir.' So every word of this book was written by me, using a special advanced word processing system during the many, many nights I've been forced

to stay alone in the White House--only me, just me, trust me, nobody helped. And it's all 100% true, so true--people are already saying it may be the truest book ever published. Enjoy." Until Donald Trump publishes the ultimate account of his entire four or eight or one-and-a-half years in the White House, the definitive chronicle will be You Can't Spell America Without Me: The Really Tremendous Inside Story of My Fantastic First Year As President. Trump was elected because he was the most frank presidential candidate in history, a man eager to tell the unvarnished truth about others' flaws and tout his own amazing excellence. Now he levels his refreshingly compulsive, un-PC candor at his landslide election victory as well as his role as commander-in-chief and leader of the free world. There are intimate, powerful, mind-boggling revelations on every page. You are there with him during his private encounters with world leaders, a few of whom he does not insult. You are there at the genius Oval Office strategy

sessions with his advisers. You are there in his White House bedroom as he crafts the pre-dawn Twitter pronouncements that rock the world. And, of course, you are there on the golf course as Trump attempts to manage the burdens of his office. President Trump explains each of the historic decisions that have already made America great again, and how he always triumphs over the fake news media. You'll learn what he really thinks of his cabinet members and top aides not related to him, of the First Lady and the First Daughter and the additional three or four Trump children. Included at no extra charge is a lavish and exclusive portfolio of spectacular, historic and intimate color photographs of President Trump in private - inside the White House, inside Mar-a-Lago, at Trump Tower, and more. You Can't Spell America Without Me is presented by America's foremost Trump scholar Kurt Andersen as well as America's foremost mediocre Trump impersonator, Alec Baldwin. You Can't Spell

America Without Me is the perfect holiday gift!
Brothers in Arms - Jon Weisman 2018-05-15
The Los Angeles Dodgers are one of the most storied franchises in all of sports, with enduring legacies both on and off the diamond. Chief among the hallmarks of the organization is an unparalleled pitching dominance; Dodger blue and white brings to mind brilliance on the mound and the Cy Young Awards that followed. In *Brothers in Arms: Koufax, Kershaw, and the Dodgers' Extraordinary Pitching Tradition*, acclaimed Dodgers writer Jon Weisman explores the organization's rich pitching history, from Koufax and Drysdale to Valenzuela and Hershiser, to the sublime Clayton Kershaw. Weisman delves deep into this lineage of excellence, interviewing both the legends that toed the rubber and the teammates, coaches, and personalities that witnessed their genius.
New York Yankees 2021 Official Media Guide and Record Book - New York Yankees Media Relations Department 2021-03

Typically available only to sportswriters, broadcasters and Yankees front office staff, the New York Yankees 2021 Official Media Guide and Record Book is the ultimate insider's resource and collectible. It contains stats and biographies of every player in the Yankees organization, hundreds of photos of Yankees past and present, and the definitive history of the club since its inception in 1903. The experts agree that the Yankees 2020 Official Media Guide and Record Book is the best and most comprehensive book about the Yankees anywhere

Florida Marlins World Series Champions -
Miami Herald 2003

Sports Publishing presents the first title to be available on the market to salute the champions of the 2003 World Series. The book tells the complete story of the Marlin's winning season through articles, columns, and photos that first appeared in the pages of the award-winning Miami Herald.

The Last Night of the Yankee Dynasty -
Buster Olney 2004-08-17

Examines the ways in which the New York Yankees under George Steinbrenner have negatively impacted major league baseball, citing such consequences of the team's activities as inflated player salaries, irregular competition, and ruined careers. 60,000 first printing.

History Earned - KCI Sports Publishing 2017-11
History Earned! chronicles the Houston Astros incredible run to their first ever World Series championship. This dazzling hardcover keepsake includes highlights from the Astros 101-win regular season, special player features, game-by-game recaps of all the playoff games, and extended coverage of the World Series triumph over the Los Angeles Dodgers. Over 100 full-color photos included. The perfect holiday gift for Astros fans.

Sports Law and Regulation - Matthew J.
Mitten 2019-11-13

Sports Law and Regulation explores both

amateur and professional sports as well as issues common to both industries. A comprehensive collection of cases and materials provides balanced perspective and flexible coverage, while the organization provides instructors the flexibility to cover selected sections or chapters for a separate course in either Amateur Sports Law or Professional Sports Law. The fifth edition includes recent landmark sports precedents, cases, and articles. Materials examining internal governance issues of the MLB, the World Anti-doping Code applying to sports doping, the NCAA infractions process, and concussions and brain trauma have also been included in the updated edition. Sports Law and Regulation contains the appropriate amount of introductory and explanatory materials, notes, and questions to facilitate students' understanding as well as hypothetical problems for applying new knowledge. New to the 5th Edition: New problems on sports intellectual property Recent antitrust cases

challenging NCAA student-athlete eligibility rules Excerpts from recent law review articles by former MLB commissioner Bud Selig regarding MLB internal governance issues New CAS cases applying World Anti-doping Code to sports doping Landmark Castor Semenya CAS award Recent cases regarding National Governing Body (NGB) legal duty to protect athletes from sexual abuse and U.S. Safe Sport legislation Updates on tort liability of NGB for failure to have appropriate return to play protocol after athlete concussion: *Mayall v USA Water Polo, Inc.* Updates on the legal challenges to the use of Native American mascots in sports Professors and students will benefit from: Landmark historical cases and significant recent cases that reflect the current law regulating the sports industry Notes and Questions that suggest philosophical, sociological, psychological, and economic policy issues and themes Flexible organization supports different teaching objectives, ranging from a focus on

amateur sports through to professional sports law Skill-building exercises in client counseling, negotiation, and contract drafting Teaching materials include: Teacher's Manual Semi-annual online supplement

The Cubs Way - Tom Verducci 2017

-With inside access and reporting, Sports Illustrated senior baseball writer and FOX Sports analyst Tom Verducci reveals how Theo Epstein and Joe Maddon built, led, and inspired the Chicago Cubs team that broke the longest championship drought in sports, chronicling their epic journey to become World Series champions---

Pro Basketball Prospectus 2012-13 - Bradford Doolittle 2012-10-01

The Pro Basketball Prospectus series returns for a fourth season to preview the 2012-13 NBA campaign. Basketball Prospectus has been at the cutting edge of the league's statistical revolution, exploring how teams win and why as well as integrating plenty of old-fashioned tape

and first-hand observation to analyze players and teams. Now in its third year, Pro Basketball Prospectus has been called "insistently readable" and "consistently eye-opening" by FreeDarko.

A Gay Dog - Cecil Aldin 1905

Astroball - Ben Reiter 2019-03-26

NEW YORK TIMES BESTSELLER • The inside story of the Houston Astros, whose relentless innovation took them from the worst team in baseball to the World Series in 2017 and 2019 “Reiter’s superb narrative of how the team got there provides powerful insights into how organizations—not just baseball clubs—work best.”—The Wall Street Journal Astroball picks up where Michael Lewis’s acclaimed Moneyball leaves off, telling the thrilling story of a championship team that pushed both the sport and business of baseball to the next level. In 2014, the Astros were the worst baseball team in half a century, but just three years later they defied critics to win a stunning World Series. In

this book, Ben Reiter shows how the Astros built a system that avoided the stats-versus-scouts divide by giving the human factor a key role in their decision-making. Sitting at the nexus of sports, business, and innovation, *Astroball* is the story of the next wave of thinking in baseball and beyond, at once a remarkable underdog tale and a fascinating look at the cutting edge of evaluating and optimizing human potential.

The Hidden Language of Baseball - Paul Dickson 2009-05-26

Baseball is set apart from other sports by many things, but few are more distinctive than the intricate systems of coded language that govern action on the field and give baseball its unique appeal. During a nine-inning game, more than 1,000 silent instructions are given—from catcher to pitcher, coach to batter, fielder to fielder, umpire to umpire—and without this speechless communication the game would simply not be the same. Baseball historian Paul Dickson examines for the first time the rich legacy of

baseball's hidden language, offering fans everywhere a smorgasbord of history and anecdote. Whether detailing the origins of the hit-and-run, the true story behind the home run that gave "Home Run" Baker his nickname, Bob Feller's sign-stealing telescope, Casey Stengel's improbable method of signaling his bullpen, the impact of sign stealing on the Giants' miraculous comeback in 1951, or the pitches Andy Pettitte tipped off that altered the momentum of the 2001 World Series, Dickson's research is as thorough as his stories are entertaining. A roster of baseball's greatest names and games, past and present, echoes throughout, making *The Hidden Language of Baseball* a unique window on the history of our national pastime.

Winning Fixes Everything - Evan Drellich 2023-02-14

The reporter who broke the Houston Astros' cheating scandal reveals how a baseball team could so dramatically descend into corruption, with never-before-told details of a broken

management culture, the once-revered leaders who enabled it and the scandal itself. Baseball, that old romantic game, has been defaced and consumed by corporate America. As Moneyball-thinking and Ivy League graduates grabbed hold of the sport, the Astros set out to build a cost-efficient winning machine on the principles of the outside business world, squeezing every dollar out of every transaction, player and employee. In less than a decade, Astros general manager Jeff Luhnow helped revolutionize the game and create an environment that led to one of the worst cheating scandals in baseball history, a Shakespearean tragedy of innovation and failed change management. Through years of extensive interviews, former Houston Chronicle beat writer Evan Drellich, now a national writer for The Athletic, delivers the definitive account of baseball's most controversial franchise and how a modern baseball team truly works—without the usual myth spinning. Drellich shows the rise and fall of

the Astros to be a collision of subcultures. The team's top boss was a former McKinsey consultant who lived on the bleeding edge with no guardrails. He hired outsider after outsider to change the organization as quickly and cheaply as possible. The wins piled up, and so did the cash for the billionaire owner with a checkered business past. But not even a World Series title could cover up the rot. All of it came at a cost to fans, employees and the sport on a whole. But as *Winning Fixes Everything* makes clear, "The Astros Way" isn't going anywhere. Drellich uses the saga of the Astros' scandal to detail the evolution of baseball itself.

[Cheated](#) - Andy Martino 2021-06-08

"A baseball book that reads like a spy novel—a story about cheaters and the cheated that has the power to forever change how we feel about the game." —Brian Williams, MSNBC anchor and host of *The 11th Hour* The definitive insider story of one of the biggest cheating scandals to ever rock Major League Baseball, bringing down

high-profile coaches and players, and exposing a long-rumored "sign-stealing" dark side of baseball. The ensuing scandal rivaled that of the 1919 "Black Sox" and the more recent steroid era, and became one of the most significant that the game had ever seen. The fallout ensnared many other teams, either as victims, alleged cheaters or both. The Los Angeles Dodgers felt robbed of a World Series title, and fended off accusations about their organization. Same for the New York Yankees. The Boston Red Sox were soon under investigation themselves. The New York Mets lost a promising manager before he ever managed a game. Andy Martino, an award-winning journalist who has covered Major League Baseball for more than a decade, has broken numerous stories about the Astros and sign-stealing in baseball. In *Cheated*, Martino takes readers behind the scenes and into the heart of the events that shocked the baseball world. With inside access to the people directly involved, Martino breaks down not only exactly

what happened and when, but reveals the fascinating explanations of why it all came about. The nuance and detail of the scandal reads like a true sports whodunnit. How did otherwise good people like Astros' manager A.J. Hinch, bench coach Alex Cora and veteran leader Carlos Beltran find themselves on the wrong side of clear ethical lines? And did they even know when those lines had been crossed? *Cheated* is an explosive, electrifying read.

[Hold On, Honey, I'll Take You to the Hospital at Halftime](#) - Norman Chad 1994-10

It started 50 years ago with a few TV baseball games. Now, every man who's not out in the woods finding his inner wild man is plunked down in front of a 27-inch diagonal screen watching football, basketball, hockey, darts, the Olympics--anything that even faintly resembles a "sport". This hilarious, biting, incisive book takes a look at the hugely popular phenomenon of television sports.

The Greatest World Series Games - Warren

N. Wilbert 2005

"Author Warren N. Wilbert, with input from SABR members, singles out 26 World Series games worthy of being called one of the best"--
Provided by publisher.

One Line Drive - Daniel Ponce de Leon

2021-03-09

Daniel Ponce de Leon's hard-fought journey to Major League Baseball and recovery from a near-death injury, followed by his astonishing big league debut, will inspire readers to trust God in all circumstances. The path you take to achieving your dreams is not always easy. Daniel Ponce de Leon, an acclaimed pitcher for the St. Louis Cardinals, overcame many challenges to get to the Major Leagues. Drafted four times, he spent a long four years climbing his way up through the minors before finally reaching AAA, only one step away from the Major Leagues. Then, Daniel's dream was almost shattered when he was struck in the head by a line drive. Spending weeks in the hospital and months

recovering from a large epidural hematoma, skull fracture, brain swelling, and hemorrhaging, Daniel held on to his belief that he would one day realize his dream. Fourteen months later, and fully recovered, he made his first Major League start, becoming the fifth pitcher in modern Major League history to throw seven innings of no-hit ball in his first outing. MLB.com referred to it as one of the greatest debuts in Major League Baseball history. In *One Line Drive*, Daniel retells his remarkable journey, sharing how he never would have made it without his faith in God and the support of family and friends. Full of grit, determination, and faith, Daniel's story is an inspiring reminder to keep pressing on regardless of any setback or disappointment.

Power Ball - Rob Neyer 2018-10-09

"Winner of the 2018 CASEY Award for Best Baseball Book of the Year." The former ESPN columnist and analytics pioneer dramatically recreates an action-packed 2017 game between

the Oakland A's and eventual World Series Champion Houston Astros to reveal the myriad ways in which Major League Baseball has changed over the last few decades. On September 8, 2017, the Oakland A's faced off against the Houston Astros in a game that would signal the passing of the Moneyball mantle. Though this was only one regular season game, the match-up of these two teams demonstrated how Major League Baseball has changed since the early days of Athletics general manager Billy Beane and the publication of Michael Lewis' classic book. Over the past twenty years, power and analytics have taken over the game, driving carefully calibrated teams like the Astros to victory. Seemingly every pitcher now throws mid-90s heat and studiously compares their mechanics against the ideal. Every batter in the lineup can crack homers and knows their launch angles. Teams are relying on unorthodox strategies, including using power-losing—purposely tanking a few seasons to get

the best players in the draft. As he chronicles each inning and the unfolding drama as these two teams continually trade the lead—culminating in a 9-8 Oakland victory in the bottom of the ninth—Neyer considers the players and managers, the front office machinations, the role of sabermetrics, and the current thinking about what it takes to build a great team, to answer the most pressing questions fans have about the sport today.

My Prison Without Bars - Pete Rose
2004-01-08

Pete Rose holds more Major League Baseball records than any other player in history. He stands alone as baseball's hit king having shattered the previously "unbreakable" record held by Ty Cobb. He is a blue-collar hero with the kind of old-fashioned work ethic that turned great talent into legendary accomplishments. Pete Rose is also a lifelong gambler and a sufferer of oppositional defiant disorder. For the past 13 years, he has been banned from baseball

and barred from his rightful place in the Hall of Fame-- accused of violating MLB's one taboo. Rule 21 states that no one associated with baseball shall ever gamble on the game. The punishment is no less than a permanent barring from baseball and exclusion from the Hall of Fame. Pete Rose has lived in the shadow of his exile. He has denied betting on the game that he loves. He has been shunned by MLB, investigated by the IRS, and served time for tax charges in the U.S. Penitentiary in Marion, Illinois. But he's coming back. Pete Rose has never been forgotten by the fans who loved him throughout his 24-year career. The men he played with have stood by him. In this, his first book since his very public fall from grace, Pete Rose speaks with great candor about all the outstanding questions that have kept him firmly in the public eye. He discloses what life was like behind bars, discusses the turbulent years of his exile, and gives a vivid picture of his early life and baseball career. He also confronts his

demons, tackling the ugly truths about his gambling and his behavior. My Prison Without Bars is Pete Rose's full accounting of his life. No one thinks he's perfect. He has made mistakes--big ones. And he is finally ready to admit them.

The Fix Is Still In - Brian Tuohy 2019-06-04

In this long-anticipated sequel to his jarring takedown of professional sports, *The Fix Is In*, internationally recognized game fixing expert and scholarly authority Brian Tuohy further reveals the truths all sports fans need to know. Based on dedicated research and previously unreleased FBI files, each chapter exposes sports in a manner none of the major leagues' broadcast partners would dare attempt. No sport or league is spared as Tuohy rips through not only the likes of the NFL, NBA, MLB, NHL, and NASCAR, but also the PGA, UFC, eSports, horse racing, boxing, and both NCAA football and basketball. Along the way, championships are revealed as frauds, referees are exposed as accomplices, and legends are demolished. No

sports fans should watch another game until they read this book and understand what truly is being presented as “pure” in America’s professional sports leagues.

Rocks Across the Pond - Richard Verlander
2012

Perspectives on the journey of a Baseball Parent - From Little League, to the World Series, and everything in-between. From the start in 1989 as parents of then 6 year old Justin Verlander and later his younger brother Ben, and with little background or experience in any type of organised sports ourselves, we had no idea about the turn our lives were about to take when a neighbour from across the street suggested that our son Justin should sign up for Little League Baseball. In our wildest dreams we never would have imagined that 20 years later we would be receiving the Little League Parents of the Year Award in Willamsport, Pennsylvania. This is an honour bestowed annually on the parents of major league stars that played Little

League Baseball. After over two decades spent raising two sons who have experienced great success both on and off the field, the term Baseball is Life has become much more than a cliché for the Verlander family. We have been touched by many life changing events that we were fortunate to experience, but often unprepared to handle. Looking back we were often blessed to be surrounded by many people who helped us by providing valuable insight in making decisions and dealing with situations that enabled us to put our boys in the best possible atmosphere to grow and develop their potential; both as athletes and young men. Other times we were just lucky. It was not always clear, that's for sure. This book was written in hopes that other parents raising young athletes can gain something from our experience and look back as we have, knowing that Baseball is a great metaphor for life and that lessons learned last a lifetime.

State of Play - Bill Ripken 2020-02-11

Advanced statistics and new terminology have taken hold of baseball today, but do they accurately reflect the reality of the game? A baseball lifer states his case. America's favorite pastime is enduring an assault of new thoughts and ideas. In recent years, the sabermetrics and analytics craze has infiltrated Major League Baseball—from its front offices to dugouts to clubhouses to media covering both, inciting a baseball culture war. New phrases like “launch angle,” “spin rate,” and “pitch framing” have entered the vocabulary, often with little real meaning when it comes to how the game is actually played on the field. No more. In *State of Play*, twelve-year Major League veteran, Emmy Award-winning MLB Network analyst, and bestselling author Bill Ripken breaks down these modern statistical methods to explain which ones make sense in the game's historical context, bringing them together with proven old-school strategies. He simplifies those sabermetric terms hastily added to the baseball

lexicon without being fully realized, taking new-school confusion out of old-school baseball's tried-and-true common sense. In the end, he unites the teachings of each school to show fans of both how to listen to and understand the game as it's played today and how it should be played moving forward. From a true baseball lifer and member of baseball's first family, *State of Play* offers a fascinating insider's look at how to reconcile years of historical tradition with the rules and trends of the new millennium. As Ripken sees it: the game inside the game cannot be measured by a spreadsheet—but it can be measured by a qualified, crusty baseball man. *Play ball.*

SABR 50 at 50 - Bill Nowlin 2020-09-01

SABR 50 at 50 celebrates and highlights the Society for American Baseball Research's wide-ranging contributions to baseball history.

Established in 1971 in Cooperstown, New York, SABR has sought to foster and disseminate the research of baseball—with groundbreaking work

from statisticians, historians, and independent researchers—and has published dozens of articles with far-reaching and long-lasting impact on the game. Among its current membership are many Major and Minor League Baseball officials, broadcasters, and writers as well as numerous former players. The diversity of SABR members' interests is reflected in this fiftieth-anniversary volume—from baseball and the arts to statistical analysis to the Deadball Era to women in baseball. SABR 50 at 50 includes the most important and influential research published by members across a multitude of topics, including the sabermetric work of Dick Cramer, Pete Palmer, and Bill James, along with Jerry Malloy on the Negro Leagues, Keith Olbermann on why the shortstop position is number 6, John Thorn and Jules Tygiel on the untold story behind Jackie Robinson's signing with the Dodgers, and Gai Berlage on the Colorado Silver Bullets women's team in the 1990s. To provide history and

context, each notable research article is accompanied by a short introduction. As SABR celebrates fifty years this collection gathers the organization's most notable research and baseball history for the serious baseball reader.

Baseball "by The Book."

Planet of the Apes - The Topps Company

2017-06-06

In 1969, Topps released a set of trading cards based on the classic 1968 science-fiction film Planet of the Apes. The original set of trading cards proved so successful that Topps released a set based on the 1975 television series and the 2001 reboot film by Tim Burton. This deluxe collection includes the fronts and backs of all 44 cards from the original 1969 Topps set based on the original film; all 66 cards based on the 1975 television series; and all 90 base cards, 10 sticker cards, and 44 chase cards from the 2001 film. Also included are four exclusive bonus trading cards, rare promotional images, and an

introduction and commentary by Gary Gerani,
editor of hundreds of trading card series for

Topps—all packaged in time for the release of
the latest installment in the franchise, War for
the Planet of the Apes.
