The Licit Life of Capitalism - Hannah Appel 2019-12-13

The Licit Life of Capitalism is both an account of a specific capitalist project—U.S. oil companies working off the shores of Equatorial Guinea—and a sweeping theorization of more general forms and processes that facilitate diverse capitalist projects around the world. Hannah Appel draws on extensive fieldwork with managers and rig

workers, lawyers and bureaucrats, the expat wives of American oil executives and the Equatoguinean women who work in their homes, to turn conventional critiques of capitalism on their head, arguing that market practices do not merely exacerbate inequality; they are made by it. People and places differentially valued by gender, race, and colonial histories are the terrain on which the rules of capitalist economy are built. Appel shows how the corporate form and the contract, offshore rigs and economic theory are the assemblages of liberalism and race, expertise and gender, technology and domesticity that enable the licit life of capitalism—practices that are legally sanctioned, widely replicated, and ordinary, at the same time as they are messy, contested, and, arguably, indefensible.

Convergence Culture - Henry Jenkins 2008-09

"What the future fortunes of [Gramsci's] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this." —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the

world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci's masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as "civil society" and "hegemony" are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci's purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci's writings, is absorb Gramsci's methods. These can be summed up as the suspicion of "grand explanatory schemes," the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his Nota: "Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society." The rigor of Santucci's examination of Gramsci's life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

My Struggle: Book 3 - Karl Ove Knausgaard 2015-04-28

The provocative, audacious, brilliant six-volume autobiographical novel that has unquestionably been the main event of contemporary European literature. It has earned favorable comparisons to its obvious literary forebears "A la recherche du temps perdu" and "Mein Kampf" but has been celebrated as the rare magnum opus that is intensely, addictively readable.

Betty Broderick - Betty Broderick 2015-04-03

What do you do when you have struggled loyally for years beside your husband, living in financial hardship as you bring up your joint children virtually as a single mother, working toward the good times that you can see coming for all of you, only to discover that your husband is committing adultery and is planning to leave you? Worse, he aggressively denies his affair, denouncing you as crazy to your face and to everyone you know, while he schemes to walk off with everything you have worked so hard for as he is reborn into a new life with a star-struck younger woman, as pretty as you once were, who will enjoy everything you have invested in - your financial security, your home-life and even your children. Worse still, he is a notoriously hard-ball lawyer with every intention of crushing you in any way he can, of erasing you from his life, of reducing you to nothing, so that he can move on as if you never existed. Daniel T. Broderick III's relentless harassment of his discarded wife, Betty, made her increasingly crazy as he and his girlfriend - then second wife - Linda Kolkena Broderick piled on the pressure, until one day, on November 5, 1989, at her wits' end and believing herself to be acting in self-defense, she confronted them in the early hours of the morning and in a panic shot them both dead. A multitude of onlookers has absolved Betty for what she did. Many even admire her, especially if they have suffered similar fates to hers. One juror at her trial openly questioned why she had taken so long to kill Dan under such extreme provocation. Now, twenty-five years into a thirty-two year to life prison sentence for her second-degree murder of Dan and Linda Broderick, Betty has reluctantly decided to give her personal account of what led up to that fatal and fateful day, when all three of their futures came violently and abruptly to an end.

Berserk Volume 1 - Kentaro Miura 2017-07-18

Created by Kentaro Miura, *Berserk* is manga mayhem to the extreme - violent, horrifying, and mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, *Berserk* asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.

The Monstrous New Art - Anna Zayaruznaya 2015-04-02

Late medieval motet texts are brimming with chimeras, centaurs and other strange creatures. In *The Monstrous New Art*, Anna Zayaruznaya explores the musical ramifications of this menagerie in the works of composers Guillaume de Machaut, Philippe de Vitry, and their contemporaries. Aligning the larger forms of motets with the broad sacred and secular themes of their texts, Zayaruznaya shows how monstrous or hybrid exempla are musically sculpted by rhythmic and textural means. These divisive musical procedures point to the contradictory aspects not only of explicitly monstrous bodies, but of such apparently unified entities as the body politic, the courtly lady, and the Holy Trinity. Zayaruznaya casts a new light on medieval modes of musical representation, with profound implications for broader disciplinary narratives about the history of text-music relations, the emergence of musical unity, and the ontology of the musical work.

Defeat Manipulation 101 - H. T. Wyatt 2016-10-01

Manipulators are people who use you for their own ends. They do not care about your feelings or your boundaries. They just view you as an object that they can exploit to get what they want. When they are done

with you, they cast you aside like trash. Manipulation undermines your human rights and robs you of the power you deserve to have over your own life. Having manipulative people in your life can really hurt.

Manipulative people can lower your quality of life, hurt you deeply, and damage your mental health. Manipulators will suck all of your energy as they use you for all that you got. They will violate your boundaries, making you feel awful and powerless. They will guilt you, they will make you ashamed to be yourself, and they will make you doubt your own sanity. Why put up with this? As a human being, you have the right to be treated with dignity and respect. You can say no and control what happens in your life. You do not need to be controlled and used by manipulative jerks anymore. Starting today, you can begin to take action and defeat the manipulation in your life. This book is your secret handbook to defeating even the worst manipulators in your life. It will not be easy, but you feel so much better when you begin to successfully block manipulation. You need to start setting boundaries and cutting manipulators out of your life today. Do not put up with being treated like a disposable product anymore!

In Praise of Copying - Marcus Boon 2011-02-11

German critic Walter Benjamin wrote some immensely influential words on the work of art in the age of mechanical reproduction. Luxury fashion houses would say something shorter and sharper and much more legally binding on the rip-off merchants who fake their products. Marcus Boon, a Canadian English professor with an accessible turn of phrase, takes us on an erudite voyage through the theme in a serious but engaging encounter with the ideas of thinkers as varied as Plato, Hegel, Orson Welles, Benjamin, Heidegger, Louis Vuitton, Takashi Murakami and many more, on topics as philosophically taxing and pop-culture-light as mimesis, Christianity, capitalism, authenticity, Uma Thurman's handbag and Disneyland.

[The Frankies Spuntino Kitchen Companion & Cooking Manual](#) - Frank Castronovo 2010-06-14

From Brooklyn's sizzling restaurant scene, the hottest cookbook of the season... From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino—a tin-ceilinged, brick-walled restaurant in Brooklyn's Carroll Gardens—for food that is "completely satisfying" (wrote Frank Bruni in *The New York Times*). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook—from small bites including Cremini Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. With shortcuts and insider tricks gleaned from years in gourmet kitchens, easy tutorials on making fresh pasta or tying braciola, and an amusing discourse on Brooklyn-style Sunday "sauce" (ragu), *The Frankies Spuntino Kitchen Companion & Kitchen Manual* will seduce both experienced home cooks and a younger audience that is newer to the kitchen.
