The President - Miguel Asturias 2019-08-01
The President tells the story of a ruthless dictator and his schemes to dispose of a political adversary in an unnamed country usually identified as Guatemala. Drawing on his experience as a journalist writing under repressive conditions, Miguel Angel Asturias provides a blazing indictment of totalitarian government and its damaging psychological effects on society - from the harvest of terror to cowardice, to sycophancy, to treachery and intrigue, and the total sacrifice of human values to lust for power. Written in a language of freedom and originality, full of extraordinary symbolism, biting satire, poetry and dream sequences, with an imagination that is both lyrical and ferocious, *The President* is a surrealist masterpiece and one of the most influential books of the twentieth century.

Before Night Falls - Reinaldo Arenas
2010-12-09

Reinaldo Arenas was born to a poverty-stricken family in rural Cuba. By the time of his death in New York four decades later, he had become one of Cuba's most important poets, an outspoken critic of Castro's regime and one of the leading gay voices of the twentieth century. In *Before Night Falls*, Arenas tells of his odyssey from young rebel fighting for the Revolution, through his suppression as a writer, his disillusionment with Castro, his imprisonment and torture, to his eventual exile from Cuba to New York, where in 1987 he was diagnosed with AIDS. He

committed suicide in 1990, ending a life of constant struggle against repression. In a farewell note, Arenas wrote: Due to my delicate state of health and to the terrible depression that causes me not to be able to continue writing and struggling for the freedom of Cuba, I am ending my life ... I do not want to convey to you a message of defeat, but of continued struggle and hope. Cuba will be free. I already am. (signed) Reinaldo Arenas

Deep Rivers - José María Arguedas 2002-03-28

Fiction. In English translation. Jos Mara Arguedas is one of the few Latin American authors who loved and described his natural surroundings, and he ranks among the greatest

writers of any time and place. He saw the beauty of the Peruvian landscape, as well as the grimness of social conditions in the Andes, through the eyes of the Indians who are a part of it. Ernesto, the narrator of *Deep Rivers*, is a child with origins in two worlds. The son of a wandering country lawyer, he is brought up by Indian servants until he enters a Catholic boarding school at age 14. In this urban Spanish environment he is a misfit and a loner. The conflict of the Indian and the Spanish cultures is acted out within him as it was in the life of Arguedas. For the boy Ernesto, salvation is his world of dreams and memories. While Arguedas poetry was published in Quechua, he invented a language for his novels in which he used native syntax with Spanish vocabulary. This makes translation into other languages extremely difficult, and Frances Horning Barraclough has done a masterful job, winning the 1978 Translation Center Award from Columbia University.

Aisthesis - Jacques Rancière 2013-06-04

Composed in a series of scenes, *Aisthesis*—Rancière's definitive statement on the

aesthetic—takes its reader from Dresden in 1764 to New York in 1941. Along the way, we view the Belvedere Torso with Winckelmann, accompany Hegel to the museum and Mallarmé to the Folies-Bergère, attend a lecture by Emerson, visit exhibitions in Paris and New York, factories in Berlin, and film sets in Moscow and Hollywood. Rancière uses these sites and events—some famous, others forgotten—to ask what becomes art and what comes of it. He shows how a regime of artistic perception and interpretation was constituted and transformed by erasing the specificities of the different arts, as well as the borders that separated them from ordinary experience. This incisive study provides a history of artistic modernity far removed from the conventional postures of modernism.

Azul - Rubén Darío 2021-03-24

Azul... (1888) is a book of stories and poems by Rubén Darío. Written while the poet was living

in Chile, Azul... has been recognized as a pioneering work of Hispanic Modernism that launched the career of a leading Latin American poet. Both experimental and traditional, Azul... blends Darío's concern over the sustainability of modern life with his abiding interest in the myths and magic of ancient cultures. Infused with classical symbolism, inspired by the myth and philosophy of Ancient Greece, Rubén Darío's Azul... bridges the gap between ancient and modern. Rather than focus on the differences between the two, he envisions the past as a living entity, allowing history and fantasy to coincide with the social realities of his time. In these poems and stories, fairies from the plays of Shakespeare appear alongside the working men and women of Latin America. Dreams coincide with a reality mired in poverty, labor, and passionless social climbing. Poets and port workers sing and die in a city of ghostly beauty. Azul... is less a book than it is an experience, and nearly a century and a half after its publication it remains one worth the taking. With a beautifully designed cover and professionally typeset manuscript, this edition of Rubén Darío's Azul... is a classic of Nicaraguan literature reimagined for modern readers.
