## **Perpetuum Mobile** - Nero Del L o 2013-12-16

Giuseppe Tartini   un giovane violinista che come tanti, per realizzare i propri sogni,   posto davanti al dilemma se seguire la via pi  giusta per raggiungerli o affidarsi a percorsi pi  rapidi, ma oscuri. All'inizio del XVIII secolo egli si impossessa, con l'inganno, di alcuni spartiti musicali, dando cos  inizio ad una vita di grandi successi, ma travagliata.

L'intelligenza e l'intraprendenza gli consentiranno di progredire negli studi della pi  varia natura, tra cui la Magia e la Teurgia, e quindi di scoprire il segreto per non morire. Molti anni dopo, la vita del conte decaduto, Andr  D'Aguilles, attento studioso di antropologia del Sud-est europeo, viene sconvolta dalle Guerre Napoleoniche. Audace ufficiale di cavalleria verr  involontariamente risucchiato nella terribile Crisi di Vampirismo che sconvolgeva l'area carpato-balcanico-danubiana. Fra Moravia, Regno d'Ungheria e Balkan selvaggio, fra indovinelli, saggi ebrei sefarditi, duelli, dolore, morte, sangue e folklore si sviluppa la caccia al misterioso Signore dei Vampiri. Tartini, Paganini e Andr  simboleggiano il Male e il Bene, e le scelte che fin da giovani si   chiamati a fare.

*The Selected Poetry of Pier Paolo Pasolini* - Pier Paolo Pasolini 2014-08-20

Most people outside Italy know Pier Paolo Pasolini for his films, many of which began as literary works—Arabian Nights, The Gospel According to Matthew, The Decameron, and The Canterbury Tales among them. What most people are not aware of is that he was primarily a poet, publishing nineteen books of poems during his lifetime, as well as a visual artist, novelist, playwright, and journalist. Half a dozen of these books have been excerpted and published in English over the years, but even if one were to read all of those, the wide range of poetic styles and subjects that occupied Pasolini during his lifetime would still elude the English-language reader. For the first time, Anglophones will now be able to discover the many facets of this singular poet. Avoiding the tactics of the slim, idiosyncratic, and aesthetically or politically motivated volumes currently available in English, Stephen Sartarelli has chosen poems from every period of Pasolini's poetic oeuvre. In doing so, he gives English-language readers a more complete picture of the poet, whose verse ranged from short lyrics to longer poems and extended sequences, and whose themes ran not only to the moral, spiritual, and social spheres but also to the aesthetic and sexual, for which he is most known in the United States today. This volume shows how central poetry was to Pasolini, no matter what else he was doing in his creative life, and how poetry informed all of his work from the visual arts to his political essays to his films. Pier Paolo Pasolini was "a poet of the cinema," as James Ivory says in the book's foreword, who "left a trove of words on paper that can live on as the fast-deteriorating images he created on celluloid cannot." This generous selection of poems will be welcomed by poetry lovers and film buffs alike and will be an event in American letters.

*An Enemy of the People* - Henrik Ibsen 1907

An Enemy of the People is a five-act drama about one Doctor Thomas

Stockmann, a medical officer who finds the water in the public baths to be contaminated. When he refuses to be silenced, he is declared an "enemy of the people". The Wild Duck is a five-act drama about the Ekdal family and one man, Gregers Werle, who has an unfortunate compulsion to always tell the "truth", no matter what the cost. That is, he reveals to the family unasked-for information about each family member's past. This unsolicited knowledge eventually destroys their family life, as well as the Ekdals' daughter, who kills herself after one of Werle's revelations.

*Religious Life Or Secular Institute* - Jean Beyer 1970

Many request have been made for the publication of these studies in book form. Much of this material has already appeared as articles in The Way. In the first section I discuss the distinction between the forms of consecrated life, following a classification which is also taken up by the Second Vatican Council in its decree Perfectae Caritatis. It is by distinguishing between these different ways of the Spirit, and by seeking to enter more deeply into them, that all who lead that life - whether they be monks or nuns, or religious dedicated to the apostolate of the priestly ministry or of charitable works, or those leading a consecrated life in the midst of the world - will gain a better understanding of their vocation and of their special mission in the Church. The second study is an attempt to express the profound meaning of the secular vocation proper to those institutes which were approved by Pope Pius XII in 1947, and of which the Motu Proprio Primo Feliciter laid down the essential characteristics. The third section is a discussion of the role of the priest in approved Secular Institutes. This has relevance today, when special questions arise concerning those Institutes whose secular character is less apparent, who live in community and are occupied in their own special works. In the opinion of many who follow the fully secular vocation, those Institutes would do better to revise their statutes or to choose another denomination - for example, that of Apostolic Institute or Society. *Manuale storico delle massime e degli ordinamenti economici vigenti in Toscana* - Antonio ZOBBI 1858

*Discourse on the State of the Jews* - Simone Luzzatto 2019-07-08

In 1638, a small book of no more than 92 pages in octavo was published "appresso Gioanne Calleoni" under the title "Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice." It was dedicated to the Doge of Venice and his counsellors, who are labelled "lovers of Truth." The author of the book was a certain Simone (Sim ha) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto's political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are "wellsuited for trade," much more so than others (such as "foreigners," for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto's argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism's alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto's resort to sceptical strategies

in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.
